**Subject:** BID #4 - Mitchell Street - RE Mural

Dear Historic Preservation Commission Members & Staff,

At our BID #4 Board Meeting on September 19th, my Board of Directors voted to support the Mauricio Ramirez mural that was recently painted on the east facade of the 1202 W. Historic Mitchell Street building.

Although the mural was done without notification or inquiry of our BID #4 office, or of the HPC, my Board members support the mural remaining on the building.

Please advise if any further information is required. Thank you.

Nancy Bush  
Executive Director
