Alderman Tony Zeilinski & Assistant Chris Lee,

I vehemently urge you to stop the development at the "Old Hamburger Mary's" site at KK and Bay Street into a 144 unit apartment complex, with 14,400 square foot retail space which has no parking included for its costumers or visitors, and will claim and destroy a much appreciated green space with mature trees.

I oppose this development and believe it will not bay view in the slightest and will ruin our neighborhood.

Regards,
