Mr. Bevan Baker
Commissioner of Health
841 North Broadway, 3rd floor
Milwaukee, Wisconsin 53202

Dear Mr. Baker:

As you know Milwaukee Health Services, Inc. (MHSI) has worked closely and diligently with your office, the Office of the City Comptroller, and the City Common Council to eliminate all debt owed to the City resulting from participation in the Municipal Health Services Program (MHSP). This program benefited thousands of Senior low income citizens in the years of its existence, and MHSI is proud to have played a part in its success.

The MHSP program was discontinued as of December 31, 2006 by CMS, and MHSI is seeking to close its books and settle any continuing liabilities that may have resulted from negative cost reports from prior years. Toward this end I have been authorized by the MHSI Governing Board to offer to settle remaining debt (\$365,520) at 30% of the face amount (\$109,656).

We would appreciate an expeditious response to this request so that it would be reflected on our books in the audit of our fiscal year ending January 31, 2007.

Your cooperation and assistance in this matter would be greatly appreciated by the Board and staff of MHSI.

Sincerely,

C.C. Henderson
President & CEO
