

December 29, 2004

To the Honorable, the Common Council

Subject: 2005 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
North Teutonia Avenue from
West Ruby Avenue to West Villard Avenue

Dear Council Members:

The 2005 Capital Improvement Program includes the improvement of North Teutonia Avenue from West Ruby Avenue to West Villard Avenue under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

Eighty percent of the total cost will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, \$21,311.47, will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes and directs the Commissioner of Public Works to execute an Agreed Unit Prices contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of North Teutonia Avenue from West Ruby Avenue to West Villard Avenue in the 1st Aldermanic District

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
