Dear Alderwoman Coggs,  
1/2/2012

I understand that there is the possibility of a large housing structure(35 units) slated for the north-west corner of Center and Buffum. I strongly appose the scale of this project.

I currntly live east of Holton, but co-own a rental property located at 2764-66 N. Buffum. I have been a landlord for 15 years and from experiance the 2700 block of North Buffum has been exceptionally difficult. It has had strong drug issues, and the close proximity to WILSON Foods-which is not a healthy neighborhood establishment, creates a difficilt siituation in a already difficult neighborhood.

Adding a housing developement for the homeless on a very challenging stretch of street is a proposition slated for failure. So I strongly appose this project.

Any questions please call, 414-264-1903.

Thank you,

Y. Michelle Dettloff
