Good Morning Maribel,  
I hope this email finds you well.

Following up from MHD's side for the below concern. Our inspector reported back that he stopped by Restaurante el Local yesterday to discuss the complaint. Attached is a picture of their dumpster at the time of his arrival. The owner was at the restaurant and he was unaware of the dumpster ever blocking the alley. He believes it is likely from when the garbage is collected the truck may leave the dumpster out of position. He stated he will begin to keep an eye out for it and their team will move it over if it is in the way of the alley. There were no signs of pests outside of the building. Following their discussion we did a walk-through of the interior and also saw no pests.

Please let us know if you receive further concern and we will follow up.

Take care,  
Carly
