<u>Aldermanic District</u>	<u>Project Location</u>
4	West State Street North 17th Street to North 27th Street

These streets are eligible for 80% Federal/State cost participation for improvements under the Surface Transportation Program. We have requested and received project agreements from the Wisconsin Department of Transportation (WISDOT) to be executed by the City for programming and construction.

We have, therefore, prepared the attached resolution which authorizes and directs the Commissioner of Public Works to execute the project agreements with the WISDOT for the programming and construction of the improvements to the aforementioned streets with Federal/State aid. This resolution also directs the City Comptroller to transfer funds and establish the necessary project/grant chartfield values for the preliminary engineering work for each of these projects.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
