To the Public Works Committee

Subject: Common Council Resolution File Number 180641

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 180641, being a resolution to grant a special privilege to Brunch MKE LLC to install and maintain two dumpsters for the premises at 800 North Plankinton Avenue.

The applicant, Brunch MKE LLC, is requesting permission to install and maintain two dumpsters in the 20-foot wide east-west alley located between 814-20 and 826 North Plankinton Avenue. Said dumpsters are located along the north line of the alley adjacent to the west line of the Milwaukee River. The attached resolution incorporates the provisions of Section 245-12-3-h of the Milwaukee Code of Ordinances, which are the requirements for maintaining dumpsters in the public right-of-way.

We are not aware that the presence of the dumpsters will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow the dumpsters to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
