Subject: ICE collaboration

Commissioner Wilson, Commissioner DeVougas, Commissioner Crouther, Commissioner McKenzie, Commissioner Soler, and Commissioner Cocroft:

As a concerned citizen, I urge the FCP to stop collaboration between the Milwaukee Police Department (MPD) and Immigration and Customs Enforcement (ICE) in deportations and the separation of Milwaukee families.

Currently, MPD's Standard Operating Procedure on Immigration, SOP 130, encourages officers to report community members they encounter to ICE in a wide variety of circumstances. A coalition of immigrant rights organizations, civil rights groups, and community leaders has introduced reforms to SOP 130 that would put a stop to these anti-immigrant policies. Ending collaboration between MPD and ICE would decrease racial profiling, increase public safety, and keep families together. We urge you to revise SOP 130 to stop collaboration between MPD and ICE now!

Thank you for your time,

David Collins
