Re: New License Application
Class A Malt & Class A Liquor License
Michael Ivan Hudson, Agt SUNNY DAYS FOODS LLC

To Whom this concerns,

and I I oppose this license application.

In a two block stretch of N. Dousman Street there are currently four alcohol serving businesses. Additionally there is a full service liquor store steps away at the nearby Pick and Save store.

I have been a resident in the neighborhood for 15 years. I have seen the school bus out in front of this establishment. Back then it was a kid friendly grocery store that only sold a few local craft beers. Mary's Foods (Shanna) was a great asset as a place to shop and as a neighbor. Shanna kept an eye on things and really seemed to care about the neighborhood. Unfortunately the store has changed ownership multiple times since and now feels run down and no longer an asset. Often, I see people drinking and men I do not recognize walking around the store, standing on the steps, or at the entrance to the nearby river trail with what appears to be open cans of beer. This is not a good image for our neighborhood and it is disheartening to hear that other families with children are moving out to avoid what appears to be a growing 'Binge Drinking Attitude' ... enabled by alcohol distributors on every corner.

I attached a video (filmed yesterday at 2am) of the type of drunken behavior we are already dealing with on a daily basis. Please deny any new liquor licenses for Sunny Days Foods.

Thank you,

Roman, Carmen

Subject: Sunny Days Foods application for Class A Malt and Class A Liquor License

We've lived on the 2500 block of N Dousman St since the mid - 1980s, first as a family, but we loved this little, quiet, musical, artistic, tolerant, friendly, family oriented, 2-3 blocks by 2-3 blocks mini-neighborhood so much, that when a nice "disco cube" house across the street from ... alley cottage was for sale - and have been happy ... for more than ... years.

We're not the only long term neighborhood residents either. ... and right ... - are 3 residents/families who've been here even longer than us! "Newer" neighbors have all been great additions too - young couples - new families - students ... gardeners - writers - teachers ...

I think there's been a handy corner store where Sunny Days is now, the whole time we've been here, and it IS handy! I'm so glad they're there. I may not shop there very often - but it's great when I need something fast - and the people working at Sunny Days have always been friendly and kind - whether I'm buying something - or

just walking by. I hope they stay here, stay open, "live long and prosper" - but - I really also hope that they *DO NOT* start selling Class A Liquor.

Beer on the other hand ...

REDACTED
BY 

SO - here's what I'm thinking...

There are 3 liquor stores already, within about a mile of Sunny Days. Closest is Center St - at about 1/2 mile. Pick and Save (for lower prices), and Holton Food and Liquor, are each about a mile away. There are also at least 3 bars within *one block* of Sunny Days.

Not sure I could COUNT how many are within a mile!

Access to alcohol nearby is not a problem.

It's possible the local bars (one right across the street) might lose some business they're accustomed to if neighbors could buy alcohol right across the street too... Not saying I think like a bargain hunter - but - drink a few at home before "nursing" one at the gig while enjoying the great free music ... I was on that kind of budget for a while when I was a student!

Beer (Class A Malt) can be heavy if you're buying for a group or party, (which makes having a very close supplier, very convenient for a non-driver like myself.) Liquor is much easier to carry though, even if you're buying enough for a small party. Also - I think beer is more often bought - spur of the moment - when people stop by for instance. Run over to Sunny Days and grab a 12 pack maybe??? GREAT!

Liquor, on the other hand, seems like something you more often plan ahead for. Holidays are coming! we need to have ... Brandy and schnapps on hand?! Buy that when it's on sale at the big store - in October?! Not a "convenience store" kind of purchase.

With beer, it's harder to drink enough at one time to really hurt yourself (driving not included). With alcohol, that's not the case. I have a couple neighbors I'd be worried about if they had very easy access to alcohol instead of just beer. Having to walk at least half a mile to get alcohol may have already "saved" one of them. (Too far to walk after already having had *more* than a few drinks - just get beer!) I know bartenders can and *do* refuse to sell more drinks to people who've been over-served. I'm not sure how even a very observant store clerk could reliably and *instantly* know if they should *not* sell that bottle to that friendly guy who just walked in.

If alcohol is sold at fewer places than beer is (I assume that's true - but don't have any stats) having a liquor store on our corner would likely increase traffic on our 2 block long piece of Dousman St. - which has already gotten a little faster and wilder in the last year - after road/water repairs were completed. Kids, pets, wildlife, dog walkers, bike riders too, are used to Dousman being a "sleepier" side street. We even added a speed hump on Wright (between Humboldt and Dousman) to slow things down. More car traffic would make our quiet little, walkable, bikeable neighborhood ... less special. (It IS a gem!)

I'm going to sound *more* like a worrywart than I really AM here - but I *would* worry for those kind and friendly people I see at Sunny Days if it became a "liquor store". The risk/reward of stealing from a "grocery store with beer" seems much less tempting than stealing from a "liquor store with groceries". The presence of high value items which are easily portable, would add expectation of more cash in the till too. I don't want my nice quiet neighborhood store to be a target for crime, partly *because* of how nice, quiet and "out of the way" our little neighborhood IS. I want all of my excellent neighbors, and especially the Sunny Days crew who'd be most at risk, to be as safe as possible instead.

Thanks for READING all of this.

Hoping Sunny Days folks don't take any offence. I AM glad they're there - and DO hope the likely extra \$\$\$s that selling liquor would mean won't be a hardship on them if the answer is no. I just don't think having a liquor store there is right for location.

Sincerely,

ADDITIONAL COMMENTS/RECOMMENDATIONS:

On 10/03/2024, the CPTED was conducted at the business which is a convenience store. The owner/agent was not able to be there due to his job. An employee/ relative (Anna Rose Marie Nicolas) was at the location and called the agent to verify the information regarding the inspection. The glass partition that separates the cahier from customers will be extended approximately 8' to house any class A liquor sold. The agent currently is still using the old camera system from the previous owner. He stated that the new camera system is still on order and cameras will be updated once he receives them.

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 7/1/2025 at 1:15 PM in Room 301-B, Third Floor, City Hall. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony via internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.

 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
