Good Evening,

I would like to express my strong support for the rezoning from RM-3 to RM-6 as it relates to this project on North Hackett Avenue. It is deeply important that we continue to ease the burden on projects within the City of Milwaukee that add housing units in a way which also increases density. As a resident of the City of Milwaukee in the Historic Third Ward I am excited to see all multi-family housing being proposed.

Best,

Logan Rumbaugh
