Subject: Sherman & Burleigh extension hours

Hello Ald. Jackson,

My name is [redacted] and I am a resident of the Sherman Park community and I am writing you to express my concerns over the idea of allowing the gas station on the corner of burleigh and Sherman to extend hours, making it a 24 hour establishment.

I am unfortunately highly against the idea of this establishment being 24 hours. Every day, if you drive past the gas station, there is at least someone loitering outside the door. If they are not standing next to the door of the gas station, they are on the side of building facing the Sherman Park. I can only assume, in an unfortunate sense that they are up to ill intentions and have some relation to the drug problem we have in the city. I view the extension of hours at this

establishment only as an opportunity to create more issue less than increasing the revenue that the establishment makes. Not only this, but I fear that the “loitering” would increase throughout the night and increase gun violence as well. With this location right across from the park that not only many children actively use, the boys and girls club is there. The children that attend the boys and girls club are sent there to not be in the streets and to not be influenced by things that can be detrimental to their lives and I fear that they would be a witness to such things that could be life altering. With the park in mind, also driving past often, many children are at the park late hours into the night in the summer and I doubt any adults are present. What happens when something goes wrong at the gas station late night and potential gun fire is exchanged? Do we risk children being injured or even dying from this because they are at the park? Yes, the parents need to be responsible and not have them there so late but what about the ones that do not care? This is a huge risk not only for the community but for the children of our community and I hope you consider my thoughts on this to decline the opportunity.

While we are submitting our thoughts, can the city please do something about the street area of Sherman blvd between Capitol and Roosevelt! Especially into the summer, people use the road (mainly heading south) as a three lane road and it is not. Some benefit from having a driveway but many do not and they result to parking on the street which is their right, however on multiple occasions, my neighbors vehicles have been damaged because of reckless drivers. It is upsetting that many have to dig into their pockets when they may have none to spare to replace something that was ruined by people who do not respect the roadway. What happened to the road project to cut the road down to two lanes permanently? Inserting the bike path and extra grass?

Thank you for the opportunity to express concerns,

Melendez, Yadira

I will not be able to attend this meeting regarding the business on 42nd and Burleigh, requesting 24 hour operating status. I vote 'NO' for this on this application/request.

Reasons:

- 1) Brings more traffic to neighborhood during late hours
- 2) Creates an environment to bring disturbances/greater probabilities for violent encounters

Blessings Alderman Jackson. Prayerfully all is well with you.

My name is Kiante and I am a Sherman Park Resident. I am against permitting the gas station be opened 24 hours. The corners of Sherman & Burleigh have always had the potential to be active. If the gas station is open 24 hours, this corner will for sure be active 24 hours a day, which INVITES unsavory activity as well as mayhem. This will be a very bad idea for the immediate community.

I CAN NOT MAKE THE MEETING. PLEASE DO NOT APPROVE THIS GAS STATION BEING OPEN 24 HOURS.

Thank you.

Stay blessed 🌟

A Community Meeting with Alderman Jackson

Sherman Park residents, Alderman DiAndre Jackson invites you to a community meeting this Thursday, February 12. The gas station at 4246 W. Burleigh Street (on the corner of Sherman and Burleigh) is requesting permission from the City of Milwaukee to remain open 24 hours a day, and the Alderman would like to get your perspective. So, he encourages you to attend the meeting and speak up. He will also discuss other community issues relevant to the 7th District.

I don't think this business should remain open 24 hours. The overnight hours tend to be more dangerous for the neighborhood. Sherman Park already gets a bad rap from non-residents and having extended hours at that business might perpetuate that preconception.

Respectfully,

Where you see wrong or inequality or injustice, speak out, because this is **your country**. This is **your democracy**. Make it. Protect it. Pass it on."

You don't often get email from k_weisman@sbcglobal.net. Learn why this is important

Hello Ald. Jackson,

I am against extending the gas station hours to 24-hours. This is a very residential neighborhood, so I can't see a need for 24-hour services.

As my mother used to say, "If you're out after midnight, you're up to no good."

Sorry I couldn't make the meeting today.

Three blocks from the gas station

I was not able to make Alderman Jackson's meeting today but still wanted to weigh in to the hours change request for the gas station on 42 Burleigh. Allowing them to remain open 24 hours would be a huge disservice to the area. That station already draws shootings, robberies, drugs and other ungodly traffic. The community already has a plethora of issues to deal with and creating more would be devastating. Please do not do this!

To:

Good Morning , I could not attend the meeting regarding the Gas Station on Burleigh and Sherman for later hours. Can you tell me what was the results of it. I know the hearing is on the February 18, 2026 regarding the possibility of approval or rejection. I oppose anything that I believe that would interrupt the peacefulness of our neighborhoods. Which I think that a 24 hour service station would do just that, so my vote is a NO for that reason. This is a residential area, they should be seeking a area near a highway or a rural area where they are not disturbing anyone.

Thank you,

On Tuesday, February 10, 2026 at 02:03:19 PM CST,

If you cannot make the meeting, you can always call Jackson's office at (414) 286-2863 or send him an email at DiAndre.Jackson@milwaukee.gov expressing your opinion regarding the hours of operation extension that the gas station owner is seeking.

Alderman

The purpose of this email is to examine the feasibility of the Sherman Park gas station moving to a 24 hour service station I believe if we applied, I believe that all people should be able to work and make a living and honest living. I believe that the opportunity should be offered he said 16 hours a day and I'm concerned.

I'm sure you've asked for a business plan for an extra eight hours a day 56 hours a week that he'll be open I'm sure you ask him. What about Security and what security company you have and will it be armed security When I think about this, I think about how to tragedy in Sherman Park for years and years ago. You know you finally get back on your feet and he wants to upgrade. You know I'm having a problem with that you know I'm not able to attend the meeting, but I want to wash my opinion and I wanna know why he's doing it who he's gonna who he's gonna hire and more importantly who will the benefit Thank you

|You don't often get email from ny this is important
I am against the gas station being open 24 hour. It will attract disorganized youth there has already been
multiple nuisance calls and youth hanging on the corner and at the park. Safety is a major concern for residents
like myself
