Carlen

In reviewing today's HPC Commission addenda. I noticed the 2604 N Lake Dr. is listed as a separate item on the meeting schedule. I would like to also withdraw 2604 N lake dr along with 2822 E Bellevue from this months meeting agenda.

I look forward to being able to schedule a meeting as soon as possible to review these issues with you.

Carlen

I would like to withdraw the COA application for 2822 E Belleview from this August HPC Commission meeting. Having just received the staff report I would like to take the opportunity to further work with staff to address and resolve items listed in this latest staff report.

I have included a history of some of my previous communications with Tim concerning this COA Application.

Tim

Do I need to submit a new COA Application along with this revised plan?

Attached is the revised landscaping plan for 2822 E Belleview. The street planters are now sloped down

from the grade of the house to the grade of the sidewalk. Please contact me with any additional questions or information.
