Professional Organizations

Board of Directors

South Suburban Chamber

Chamber includes the communities of Oak Creek, Franklin and may accept members in the general south suburban communities. This is my third two year term representing Aurora. I have also been a member of the Legislative sub-committee during this time.

Health Departments

I have developed close relationships with the local health departments. I am currently on the Oak Creek Health Department Advisory Committee for Alcohol and Other Drug Abuse. Currently a member on the Greenfield Health Department 5 year planning committee to improve the health of their residents. I am on the planning committee for the Franklin Health Department for their annual Senior Health Fair and Flu Shot Clinic. Aurora is a major sponsor of this event. I also initiate and coordinate community health related presentations for various health departments in the Greater Milwaukee South area.
