RE: Applications

Joel,

We did investigations (D.L, NCIC, CCAP, MUNI checks) on all applicants involved. There are no concerns that would cause denial or disapproval by the Chief of Police.

I wrote individual letters for each company. The letters are attached to the individual applications packets. If you want them typed another way; let me know.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Sgt. Paul MacGillis'. The signature is stylized and cursive.

Re: Ambulance Service Board Applications

Dear Commissioner Baker:

On October 22 you forwarded to us a copy of the applications for ambulance provider certification filed by Meda-Care, Curtis Universal, Paratech Universal, and Bell. You asked that we: "Please approve as to form." As a preliminary matter, we note that Milwaukee Code of Ordinance sec. 75-15 does not require approval "as to form" by this office. Informally, we note that all four applicants have properly completed the application form and have provided the required information. Please do not hesitate to contact us if you have any questions or concerns.

Very truly yours,

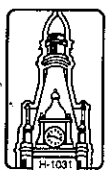

GRANT F. LANGLEY
City Attorney
