To Whom it may concern ^{2023 JUL 31 10 42 AM}

I am writing to you ^{live at}
From Gold Diggers
Strip Club which is located at 4750 U
Hopkins St. The bar is a clear
chronic nuisance to ^{neighborhood}
& ~~that~~ this bar is harming our quality
of life. I did what I suppose too
like testifying in front of the license
board, reporting to police, keeping records
in a notebook of times, dates, & what
~~are~~ happened, I have had a meeting w/ the
bar owner - years ago at the Villars
library, so there is nothing else that
I can do but I can't & shouldn't
have to live in ^{feel unsafe &}
not able to ^{because Gold Diggers}
employees & customers want to
loiter around our neighborhood all
times of night & morning blasting or
playing music late at night & early
into the morning this happens every
night & early morning hrs. & this
bar makes ^{neighborhood unsafe}

~~It~~ with the gun shots &
lighting off fireworks, a bullet
can go anywhere in one of our
homes & fireworks can burn
someones property up. So I am
asking would the license
board please revoke goldigger
licenses for - - neighborhood,

Thank U

P.S.
And I have sent
Videos of some incidents
& I have a note book from
years back, ~~on it~~

A bar and strip club in the Old North Milwaukee neighborhood is now serving a 20-day suspension, its third city-imposed closure since 2019.

The Milwaukee Common Council voted unanimously on Jan. 17 to temporarily suspend the liquor license for Gold Diggers as part of the tavern's annual license renewal.

The bar was ordered to remain closed from Jan. 18 at 12:01 a.m. until Feb. 7 at 11:59 p.m. as a result of a four-item police report, which detailed an alleged assault on an employee, patron overdose and two reports of gunshots

(one of which turned out to be false), and neighborhood and aldermanic testimony.

Located at 4750 N. Hopkins St., Gold Diggers has also been the subject of repeated police calls and reports related to loitering, littering, public defecation and urination, loud music and operating outside of legal hours.

The majority of police calls came from one neighbor, Roshonda Cleveland, who labeled the bar "a living hell in our neighborhood."

Cleveland, who said she has lived in the neighborhood for more than 10 years, was the sole neighbor to testify against the bar at a Jan. 4 Licenses Committee hearing.

"I'm the only one who has the guts to come and testify against him," she said. "I've been testifying against him for over seven years for the same reasons."

Bar owner Michael Ray Sr. appeared before the committee on Jan. 4 with counsel from attorney Michael Maistelman.

"It's bad blood. I don't know what can be done," said Maistelman, who added that he gives his and Ray's contact information to Cleveland every year, as well as offering to meet with police. "We're willing to do anything that anybody suggests."

He also noted that Cleveland gives “identical testimony” every year at the hearing, to which she replied: “yes, because it keeps happening.”

As part of his closing statement, Ray noted that the police have the passwords for his security cameras and are able to access the footage “whenever they want,” even if he’s not on the premises.

The bar, which opened in 2016, also served 10-day suspensions in 2019 and 2020 and received warning letters in 2021 and 2022.

“This is a very difficult situation,” said Alderman **Khalif Rainey**, who presides over the district in which the bar is located. “The issue is, there’s typically never a police report associated with any punitive action

towards this business.”

The alderman added that it’s hard to find a solution to satisfy both parties because, although Cleveland said she has called the police dozens of times and recorded video of the incidents, there were not police reports to substantiate her claims.

Speaking directly to Ray, who remained mostly silent throughout the hearing, Rainey asked, “where is the disconnect between you and the community?”

At the conclusion of the Jan. 4 hearing, the Licenses Committee unanimously voted to recommend a 30-day suspension for the bar. At Tuesday’s Common Council meeting, Rainey moved for 20-day suspension, a lesser punishment than the original 30-day recommended suspension. He did not discuss the reasoning for his motion.

No written objections were filed on behalf of the bar. Ray did not respond to a request for comment by the time of publication.

Case #:231410017

OtherEvent #: 23-LP-1691

On Sunday, May 21st, 2023, at approximately 12:53 am, Squad 7369 (myself) responded to a report of a Noise Nuisance at 4750 N. Hopkins St (Gold Diggers), which is located in the City and County of Milwaukee.

The caller advised that there was loud noise coming from the location.

I then parked directly behind the establishment where the caller resides at for approximately 10 minutes and also in front of the establishment. I could not hear any noise coming from the establishment or from anyone outside of it. I was also in an unmarked squad car, so the business would have no idea I was an officer when I was parked.

I did not observe any noise violations while I was on scene, thus I did not make contact with anyone at the establishment.

I then called the caller back who I have spoken to numerous times regarding noise complaints. I advised her of my observations and that I would try to patrol the area on any other free time throughout the night.

This report is written by PO Juan Galindo, assigned to District Seven Dayshift.

On 06/25/23 at 8:57AM, while assigned as the District Seven Desk PO, I took a walk in theft complaint

Case #:231760047

OtherEvent #: 23-LP-2831

from Douglas L Erving (b/m, 06/24/90).

Erving stated that when he woke up this morning at 7:39AM he saw that someone had made a Cash App transaction for \$500.00 on his phone. Erving stated that this must have happened late last night when he was at Gold Diggers strip club celebrating his birthday. He stated that he was trying to get with a stripper so he handed his phone to the bouncer at the club so he could put his number, so the bouncer could hook him up with the stripper. Erving stated that this occurred at around 2:00AM, but once again he was celebrating his birthday so he was intoxicated so it could have been anytime. Erving then stated when he looked closer at the transaction he saw that the app stated the cash app was at 3:11AM.

Erving stated that when he saw this transaction he immediately tried to press the refund button on the app but the receiver of the \$500.00 transaction has not refunded the money. Erving stated that when the money has not been refunded Cash App requires a police report for them to start their investigation.

Erving stated that the name of the person that received the Cash App is a Maurice Williams, and Maurice is the bouncer of Gold Diggers strip club. A check of Maurice Williams in Tri-tech revealed 96 entries for Maurice Williams.

I then asked Erving if there were any other reasons that he would have paid \$500.00 to a bouncer at a strip club, and Erving replied that he did not pay for anything when he handed his a phone to the bouncer he must have saw that he had a Cash App account and the bouncer then Cash App'd himself \$500.00 while he was occupied with a stripper. Erving stated he got "finessed!"

It should be noted that Erving was still intoxicated at the time of this report.

PV 17 Issued.

This case is pending.

On Sunday July 16, 2023, at approximately 10:28 p.m., I was dispatched to 4750 N Hopkins St for a Noise Complaint.

Upon my arrival, I observed people going into and standing outside the establishment. I observed security allowing people in and out of the bar. I didn't hear any loud abnormal music while sitting outside.

I called the complainant with no response.

I spoke to licensed premise security guard. The security guard stated the caller complains all the time and that nothing out of the ordinary is conducted at the bar.

While on scene, I did not observe the licenses posted and if they were up to date. I did not go into the establishment. I observed the establishment from the outside.
