Dear Chairwoman Najera,

It is my pleasure to write to you and express El Rey's support for Cristo Rey Jesuit High School of Milwaukee and their planned development at 1818 West National Ave. The entire Villarreal Family and management team of El Rey is extremely excited about this project. We hope that Cristo Rey's request to rezone the property as Institutional is approved.

As I have learned about Cristo Rey and the education model they have so carefully crafted over the last 20 years, I strongly believe we are truly blessed to have a school such as theirs here in Milwaukee. Their mission to empower our youth by developing their minds, filling their hearts, and providing valuable work study experience has proven to build well-rounded students into contributing providers for all communities. El Rey would be thrilled to have Cristo Rey and their students as neighbors in our community.

We look forward to a successful partnership with Cristo Rey, and will readily offer any assistance we could provide. El Rey wishes nothing more than to join their inspiring mission and investment towards the youth of the Southside of Milwaukee.

Thank you for your time and please feel free to contact me with any questions.
