Petition

We request Western Building Products be required to construct a berm along the entire south end of this property line preferably an embankment of earth surmounted by trees (pine and others) to impede the sight line to warehouse/tractor/trailer parking area and loading docks. There should be at least 200 feet setback from residential property. And similar to the Car Max lot across Hwy. 41/45 (114th Street) make 115th Street not a thru street to Good Hope Road. No hours of operation should be between 10pm thru 7am by residential property.
