Good Afternoon –

MHD just completed a spot check at the location and trucks Parrilla Mixe and El Carboncito were onsite. We confirmed that both of these trucks already received their 2026 routine therefore we did not need to complete any inspections today. The inspector shared that the parking lot was not a concern for trash and only 1 car was parked in the lot at the time.

El Rincon, however, has open orders from their routine 2026 inspection that we are attempting to follow-up on but have not had luck finding them in the field/no contact. They are also in need of a mobile renewal before they can get their truck license released (MHD hold) and are currently operating with a provisional that is good until Aug. We will continue to keep an eye out and await for them to reach out for this necessary inspection.

Hope this helps. Thanks -

Good morning everyone,

P.O. Mendez and I responded yesterday to the [redacted] and spoke with the [redacted], who told us about the issues he's having with food truck patrons parking and using their private parking lot to eat and wait for their food, also leaving their garbage in the lot. We advised [redacted] to reach out to a tow company to contract with, and explained to him that the company will post signage regarding "unauthorized vehicles will be towed...", and that we will pass that message along to the food trucks along Forest Home Av. One of the [redacted] we spoke with stated that the most uncooperative and confrontational food truck out of the 3 there is "El Rincon Fritanguero", the blue truck out there, which wasn't out there when we stopped by yesterday. We then spoke with the owners of El Carboncito and Parilla Mixe and advised them about the complaints from [redacted] and that I would be contracting with a tow company soon to tow unauthorized vehicles off their property. We would like to still advise El Rincon Fritanguero about the complaints, when we see them out there. I'll be doing License Premise reports for all food trucks regarding.

Hey Jim, we did today. We spoke with _____ and the food trucks involved. I'll do a license premise report for the 2 trucks we talked to (one truck that apparently was causing a lot of the issues was not there today).

- Parilla Mixe
- El Carboncito Taqueria
- the last truck was a Nicaraguan food truck which wasn't there today.

Subject: Formal Complaint Regarding Alleged Food Truck Licensing Violations – La Miel Del Amor

To Whom It May Concern,

[Learn why this is important](#)

I am submitting a formal complaint regarding the food truck **La Miel Del Amor** (phone: 414-338-4697), which I believe has been operating in violation of Milwaukee's food truck licensing regulations.

The food truck is regularly located at:

Blue Kangaroo
2909 W. Greenfield Ave.
Milwaukee, WI 53215

REDACTED
BY

Based on many neighbors' observations, the truck has been parked at this location on a full-time basis, operating there daily for approximately the past three years. My understanding is that Milwaukee's food truck regulations do not permit permanent operation at a single location in this manner.

Additionally, the business publicly advertises this location as one of its regular operating locations on social media:

Facebook: <https://www.facebook.com/la.miel.de.amor/>

City officials, including Patty Doherty and Alderperson JoCasta Zamarripa, are aware of concerns regarding this operation. and have not been able to enforce the regulations.

I respectfully request that the City investigate whether La Miel Del Amor is operating in compliance with all applicable food truck licensing requirements time limitations. If violations are found, I request that appropriate enforcement action be taken, including a review of the business's license status and any hearings deemed necessary under City procedures.

Thank you for your attention to this matter.

Sincerely,
