I Mrs Deborah George Submit a Claim on damages to my Driveway that happen on April 17th, 2007 Which you denied. No I don't have specific evidence other than my own eyes and another person that saw it to, No I don't have picture And I guess because I live in the inner city and cause I'm Black you think I have to be lying. there is no construction and no homes being built here on 41st Street or 42nd Street So what are you talking about Yes the driveway looks old now, Look how long it to you to get out here, If you did, this happen in April 2007 it's rain severel days and the grass has grow between the brick. This did happen due to a City Worker driving a DPW truck drove over my driveway causing damage to my concrete. you don't have to give me 1100.00 I just want it fixed send some of your guys to do it. IF I Lived any where than the inner city this matter would have been handle different

CITY CLERK

To whom it may concern, on April 17th,2007 a city worker driving a DPW truck drove over my driveway causing damage to the concrete at 2236 north 41st Milwaukee, WI 53208.

The city worker was going north through the alley than made a left turn going west when he ran over the driveway causing damage , at this time I'm unable to utilize my driveway because of the Damages. Since April 17th I've been parking on the street which has been an inconvenience for me.

Please let me know how you would like to handle this matter.

Thank You
Ms. Deborah George ,
