Capt. Murphy,

It is currently not listed as stolen, lists to an address in Waupun. We would need the property owner or someone that has standing in the property to call us, 286-CITY, in order to enforce a private property violation.

With a complainant we can cite it and even tow it immediately, if that is the desire of the property owner. I can email Steven Turner this information.

Hi,

I work at the _____; and I and my co-workers are dismayed by the robberies in the Midtown shopping area, particularly Starbucks where we are frequent customers.

I would think that you'd be more influential in obtaining heightened police presence in that area since you're on the Economic Development committee.

I have suggested to the store managers that they convert to a no-cash store to deal with the danger. Now I'm hearing from my co-workers that they have a fear of going to the Pick and Save over there.

I understand that there is a corporate responsibility for safety, but the city needs to step up as well. There's a case to be made for increased surveillance.

Thanks for your time,
