Dear Ms. Celella

Let this communication serve as verification that Joseph Gauthier (DOB 5/29/68) is on active extended supervision with the State of Wisconsin, Department of Corrections, Division of Community Corrections. He was convicted of Possession of Child Pornography. He served three years in the Wisconsin State Prison System and was released on 4/9/19. In that his offense is not drug/alcohol related, there is no known nexus to the offense; his seeking a bartender's license would NOT be in violation of his Rules of his Extended Supervision. Should he engage in behavior that demonstrates performing bartending opportunities are problematic, he would then be subject to intervention by Division of Community Corrections.

Should you have any questions or concerns feel free to contact me at 414-552-1875 or amy.keller@wisconsin.gov.

Regards,

Amy Keller, 30911

Division of Community Corrections | Region 3 Office

Date: June 27, 2019
To: Milwaukee Common Council/Licensing Division
From: Division of Community Corrections

It was brought to my attention that Mr. Joseph Gauthier has applied for a bartenders license from the City of Milwaukee. Mr. Gauthier is currently on an extended supervision term which is scheduled to discharge on 4/16/2024 for the offense of Possession of Child Pornography.

This letter is to inform you that such a licensure would not be in violation of his rules/conditions of supervision. If circumstances change, we will take whatever action we deem appropriate, including action which may affect such licensure. This decision was made based in part, on the following information:

A - Residence Stability: offender has maintained residence stability

B - Reporting History: offender has maintained required contacts with agent

C - Police Contact: offender has not had police contact while on supervision

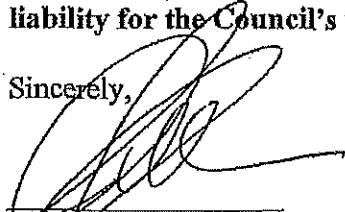

D - Overall level of cooperation: offender has complied with referrals and services designed to address criminogenic needs

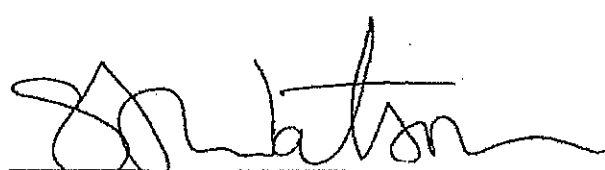

**** **DCC recommends license not be granted due the following:(check one)**

- * License/employment has a direct nexus to committing offense. _____
- * License/employment would have a negative impact on the offender based on specific treatment needs. (HIPPA prohibits the disclosure of specific treatment needs) _____
- * Sex offenses. _____

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 7/9/2019 at 8:45 AM, in Common Council Chambers, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. 3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

Milwaukee, WI 53221

You are requested to attend a hearing which is to be held in Common Council Chamber, Third Floor, City Hall on:

Regarding: Your Massage Establishment License Application as agent for "Orchid Day Spa, LLC" for "Orchid Day Spa" at 4346 S 27TH St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

To whom it may concern:

I have been retained by Orchid Day Spa, ^{LLC} Lanyu Jiang and Lijuan He to help them with their licensing process for the above referenced location. I met with my client yesterday. They gave me two letters from your department dated May 13, 2019 and May 20, 2019 which I have tried, with little success, to research further. The letters do not reference any ordinances, processes or evidence for objections and do not include copies of any written objections.

My phone calls to your office were not returned by Keren and the person answering the phone simply told me to read the license application. I can only assume that these letters involve ordinance 85-2.7.

My clients appeal any objections to their application. The apparent objections have been vaguely stated as 'neighborhood concerns' in a letter dated May 13, 2019 and 'advertised as already open' in a letter dated May 20, 2019. My clients would like to address any neighborhood concerns, though we need to know what these concerns are. Please provide us with the objections you received and any supporting documentation. My clients also deny that they have advertised that they were open. Again, please provide any documentation of the objection and any supporting evidence.

We are unsure why a business with a permitted use for the location would be objectionable. We look forward to alleviating any concerns and clearing up any misunderstandings. Thank you for your help. I look forward to working with you.

Sincerely,

Mary A. Roth, Esq.

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 7/9/2019 at 8:45 AM, in Common Council Chamber, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
