Enclosed is a copy of a bill I received and paid on 9-22-11 because of a city sewer that was plugged by grease. Sewage backed up into my basement it is a 4 family apt. building at 8927 W. Villard and I thought my lines were plugged and I called ABC to unplug them. They discovered the city sewer was the cause of the backup. I am only asking for money for ABC service I did the cleanup myself to save money there was a skeleton crew working good Friday - You can check with them and they will verify this
