Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The City of Milwaukee Health Department is partnering with Meta House, Inc. to increase its capacity to serve primarily African American women, and address the many health disparities experienced by this population. The program addresses this population who abuses substances, and provides a treatment program while providing for health services for both women and children. The target population will be concentrated in zip codes in the City of Milwaukee but service the whole City (zip codes 53204, 53206, 53208, 53210, 53215, and 53233).

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

- Promoting healthy behaviors and healthcare access
- Serving a high risk population of women, children, and families
- Education, prevention and intervention programs

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

- Insufficient gender-responsive treatment for substance abuse
- High-risk for this population of being infected with AIDS, Hepatitis and STD
- To address high risk sexual behavior, tobacco use and child abuse/neglect issues.

4. Results Measurement/Progress Report (Applies only to Programs):

- Economic self-sufficiency
- Drug-free family environment
- Experience good mental health
- Making sound legal/personal decisions
- Limit sexual activity
- Give up tobacco
- Avoid injecting drugs
