From**Sent:** Wednesday, March 27, 2024 9:20 PM**To:** License <LICENSE@milwaukee.gov>**Subject:** License Application Objection -2221 N Humboldt

To whom it may concern:

I am writing to object to the Class B Tavern and Pubic Entertainment Premises license for 2221 N Humboldt.

Over the past two years, two previous bar owners had a license at this location, both of which significantly disturbed the neighborhood with loud music, trash and littering on residential properties in the area + parking on residential streets which has led to loud music from cars and irresponsible driving on the residential streets.

For both previous businesses, the owners were warned in advance (by Alderwoman Coggs) that they must heed rules to be respectful of the surrounding neighbors, and both businesses failed. Alderwoman Coggs held a meeting with the business owners to set the expectations that music needed to be controlled. Both owners said they would be mindful of noise prior to being awarded their license, and both failed to live up to their promise.

For the last business, I wrote to Alderwoman Coggs 11 times over the course of 6 months as the music would be blaring from 7pm to 2am four nights a week, making it impossible to sleep and therefore disrupting my ability to go to bed at a reasonable hour. I connected with the owners of the businesses multiple times and was met with combative responses and zero accountability. I called the non-emergency police number six times on the bar. It was unbelievably frustrating to have to beg for the business to simply respect the longer-standing residents in the area.

Because of the proximity of 2221 N Humboldt to so many residences, it should not be allowed to be a bar, or at the very least, should not be allowed to have live entertainment. If it is to remain a bar, they should be expected to sound proof the bar better and move their smoking patio to the front. This past year, the noise level was so bad, I considered moving from a place I love. Since S-N-I Live closed, the noise is completely gone and the neighborhood has gone back to being peaceful. For the price we pay as taxpayers in Milwaukee, the least we should get back exchange is a respectful neighborhood.

I am happy to answer any questions in regard to this objection, but beg the licensing committee to take my complaint + the complaint of other neighbors on this block that have been being made for years. This is a repeat pattern and it gets tiring having to fight irresponsible business owners that come and go every 9-12 months. Every time, we start over, we are given false promises and then we are the ones stuck dealing with the consequences and begging for some accountability from the city.

Please find the complaints made to Alderwoman Coggs from the past year attached for reference.

Milele,

I have been reaching out to you for more than six months and the issue with SNI Live continues with absolutely no action being taken. I've reached out to the bar owner several times only to receive combative responses. I have called the police to file a noise complaint numerous times and other neighbors have as well. Last night I was up well into the morning hours because of this bar. Tonight, same deal. I have been sick numerous times in the last few months and instead of getting the sleep I need, my health issues are being exacerbated by the absolutely disregard from Sammy Ross to follow through on the promises he made about being a good business owner and neighbor. He's posting on Facebook that the bar neighbors don't want him here and aren't fair. The truth of the matter is we just want him to live up to his word and be respectful. If he can't do that he needs to be shut down. Please follow through on the commitment you owe to the people you serve. We've held up our end of the bargain and have asked nicely for Sammy to follow up on his and someone needs to hold him accountable.

Note:

It's a Monday night, I'm exhausted from not being able to sleep over the weekend thanks to SNI Live, I have an early flight for work and the music is cranked once again. I am begging you to do something. The police haven't been able to quiet SNI down, I've tried reaching out to the owner and absolutely nothing is changing. Please take action.

On Sun, Oct 1, 2023 at 12:21 AM

Note:

Another night of no sleep thanks to S-N-I Live. I've had to call the police every week for a month. Tonight, there are cars and trash of E Garfield, people outside yelling and the bass of the music is keeping me up. Instead of even attempting to sleep, I have to wait up for the police to call back since no other action is being taken. What needs to be done for you to help solve this issue?

Another night of bass booming and no action, Mrs Coggs. I've called the police several times and they've told me others have also called and complained. When will you take some action against S-N-I Live to hold them accountable?

Another week of no action and another week of no sleep. I need to be on a flight first thing tomorrow morning and would like to go to bed early. There is a band at SNI Live. I am in my bedroom and can hear every single word they are singing. I have tried reaching out to the bar owner and he made excuses saying it isn't that loud but that he would address it. It's been a week and nothing has changed. It's a Sunday. People have to work tomorrow. Please do something to enforce SNI Live being respectful of their neighbors.

Please hold them accountable. If there is another Alderperson I need to reach out to please let me know. This has been going on for months and it's so unfair.

Alderwoman Coggs,

Another night of no sleep ahead as SNI Live continues to blare music. I am under the weather and have to work tomorrow and instead of sleeping, I'm up due to the bar that promised it wasn't going to disturb the neighborhood. Again, I repeat, I would appreciate a response as to how the city can better regulate bars like this so they are forced to respect their tax-paying neighbors.

And if you would like to see firsthand how loudly the music is being played with doors open, I encourage you to check out one of the owner's many videos of music blaring on his Facebook page:

Hello Alderwoman Coggs,

For the second night this weekend, I am laying in bed unable to sleep because SNI Live is blaring music. There is karaoke and people screaming into microphones. I would like to request that the owner who promised they were "going to be laid back and respectful" in the neighborhood meeting be held accountable.

If they cannot be respectful after 10pm when it comes to noise, they should not be allowed to be open past 10pm.

This morning, there was garbage all over lawns on E Garfield. The rotating tenants of 2221 N Humboldt continue to disregard the residents of this block, continue to being patrons in that are littering on our properties and continue to disrupt our right to being able to sleep at night.

Please get back to me and let me know what can be done.

Hello Alderwoman Coggs,

The promises of the owners of the bar on Humboldt (previously Elev8) that continues to be a big problem from a noise perspective. They are blaring music I can hear in every room of my house and a loud group of people have been outside arguing and fighting for the past hour. Everything the new owners promised would happen on the neighborhood meeting is not happening. The doors are propped open. The music is blaring. Their patrons are parked up and down our street blaring music as they come and go. I do not want to live another summer unable to sleep due to the lack of concern and adherence to rules by the owners of this bar. How will this get addressed?

This bar has been a problem for years. I do not understand how owners repeatedly continue to get away with lying about following the guidelines and disturbing the entire block.

Thank you,

Tuesday, July 09, 2024 at 1:50 PM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 7/9/2024 at 1:50 PM in Room 301-B, Third Floor, City Hall. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony via internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stas5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
