Subject: Re: Hearing Notices for Claims/Appeals - Judiciary and Legislation Committee Meeting 1.8.24

Dear Joanna,

Thank you for your kindness in dealing with my unique circumstances. Unfortunately my teaching schedule does not allow me to take time off for court and I need the income from work for my family.

I hereby withdraw my claim as I am unable to find a calendar date that is mutually workable for the court and my schedule. Thank you again for trying to work with me.

With deep gratitude,

Libby Consiglio
