Re: Communication from Karen Grade
C.I. File No. 1029-2018-596

Dear Council Members:

Karen Grade alleges that city sewer line blockage caused water back up in her home, resulting in \$14,918.55 in personal property damages.

An investigation by Milwaukee Water Works and Sewer Maintenance revealed that the City did not conduct any excavation work or repair activity at 4210 N 80th Street from January 1, 2008 to March 28, 2018. Furthermore, the investigation revealed the City's sanitary sewer was found to be clogged with heavy paper products. This sewer is on a normal three year cleaning schedule with the last cleaning occurring on August 4, 2016. Past cleaning records do not indicate any unusual problems.

There is nothing to support negligence on the City in this matter. As such, the City would not be liable. Therefore, we recommend that this claim be denied.

Very truly yours,

GRANT F. LANGLEY
