REDACTED RECORD

May 14, 2020

Re: 4706 W. Fond du lac Ave

There are numerous reasons I object to any new establishment at this location receiving a Class B Tavern License. The reasons below will have a negative impact on our health, safety, and wellbeing.

- 1) There is currently a bar/restaurant next door to the proposed location with the same type of license.
- 2) There are major parking issues that extend into our residential neighborhood. There is always broken glass from people coming into our neighborhood to break into cars, making it difficult for people who live in the area to park. This leaves the residents with major clean ups every weekend.
- 3) The noise levels coming from another business with a Class B Tavern License would cause more problems for the neighbors.
- 4) There have already been at least 7 calls for service to the Milwaukee Police Department to the Class B licensee next door to the proposed location. Another place with a Class B Tavern license would only cause more problems in our neighborhood.
We the neighbors are also aware of a shooting that happened at the bar next door to the proposed location. More people drinking and having nowhere to park is only going to cause more problems in the neighborhood.

This report is written by Police Officer David Novak, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 11/21/2018 officers conducted a licensed premise check at Elation Wine and Dessert Bar, 4706 W. Fond du lac Av. The business is licensed for Class C Wine only. When the officers entered they observed about 50 patrons drinking what appeared to be hard alcohol and numerous bottles of hard liquor were lined up on the back of the bar. The applicant was on scene and stated he read if he was having a private party the renter could bring in their own alcohol and provide it for free to their guests. The applicant was advised he could only serve wine and no alcohol until he had a Class B license. The officers also warned the applicant that he needed to post his Class C license and his occupancy.
2. On 12/22/2018 at 11:00pm officers conducted a licensed premise check at Elation Wine and Dessert Bar, 4706 W. Fond du lac Av. The officer did not observe any non-wine products being served and the licenses were properly posted.
3. On 03/07/2019 officers conducted a licensed premise check at Elation Wine and Dessert Bar, 4706 W. Fond du lac Av. The check was based on a complaint the business was serving liquor. The applicant was on scene and stated the business was closed but allowed the officers inside. The officer found one bottle of Sour Apple Schnapps under the counter. The applicant stated he believed this was a wine based product. The officer checked with Department of Revenue agents who stated the schnapps was considered an intoxicating liquor. The applicant was advised to dispose of the bottle. The applicant stated he wanted to comply with all laws and requested agents contact him to find out what was allowed under his license.

4. On 05/15/2019 officers conducted a licensed premise check at Elation Wine and Dessert Bar, 4706 W. Fond du lac Av, based on a complaint from the alderman that the business was operating without a license. The officers found the lights on but the business was not open. The applicant was inside stated he knows his license is expired. He stated he feels he has been targeted and has retained legal representation. He stated he does not need a license when he is catering private parties where the alcohol is included in the catering cost. The officer was advised the law allows unlicensed properties to hold private parties where the customer brings in their own alcohol, not alcohol that is included in the price of catering.
5. On 06/29/2019 officers conducted a licensed premise check at Elation Wine and Dessert Bar, 4706 W. Fond du lac Av. The officer observed the lights on and several subjects inside. There was a sign on the door stating the tavern closed at midnight on Saturdays. The front door was unlocked and appeared open to the public. The officers spoke with Jaquan CLAYTON, who stated he was a co-owner of the business. The officer observed bottles of wine in a cooler behind the bar. CLAYTON stated they had hosted a private party that night that was now over. He stated the host of the party provided the wine. The applicant called by phone and spoke with the officers. He asked if the officers had a search warrant. They advised him they were conducting a licensed premise check and did not need a warrant. The applicant then instructed the officers to leave his property.

Tuesday, December 1, 2020 at 11:35 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place virtually on 12/1/2020 at 11:35 AM. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony will be asked to do so by phone or internet and are asked to contact the staff assistant, Molly Kuether-Steele at (414) 286-2775 or molly.kuether-steele@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
