Meeting: FINANCE & PERSONNEL COMMITTEE on 2021-05-26 4:00 PM - Special Public Hearing Amended 5/20/21 - Registration language for item 3, CCFN 210135, amended.

Item: 3. 210135 Communication relating to public comments on the allocation and distribution of ARPA funds.

eComment: Among many needs, fixing City streets, roads and thorough-fares, is paramount. The disparity of the Conditions of roads in the technical City of Milwaukee, verses the surrounding suburbs is astounding. The damage to Citizens properties (vehicles), as well as the costs incurred as a direct result of the dis-repair of the City's streets is blatantly unfair to this areas citizenry. This is especially true considering the high tax rates being paid within the City.
