NSP Homebuyer Assistance Program

Project Spotlight: 503 N 29th St.

Before:

Home boarded-up and significantly distressed as a result of 16+ months of vacancy.

NSP Homebuyer Assistance Program

Project Spotlight: 503 N 29th St.

After:

3BR, 2 Bath Home purchased out of foreclosure for **\$40,000** (City Assessed Value: **\$170,700**)

Buyers received homebuyer counseling from CYD and received **\$30,000** forgivable NSP loan to assist with needed rehabilitation, in addition to first mortgage from US Bank.

Work included new windows, a complete roof tear off, electrical and plumbing updates, new mechanicals and new drywall throughout the home.

Buyers' current monthly housing payment is **\$641**, which is less than the **\$650** rent this family of five was paying prior to purchase.

NSP Homebuyer Assistance Program

Project Spotlight: 3036 N 13th St.

Before:

Tenant occupied property acquired by City of Milwaukee through tax foreclosure in 2011. 800 square foot home most recently assessed by the City for **\$13,700**. Would pose a significant marketing challenge if vacant.

Long-term tenant worked with ACTS Housing to receive homebuyer counseling and assistance with qualifying for a mortgage.

NSP Homebuyer Assistance Program

Project Spotlight: 3036 N 13th St.

After:

Buyer qualified for 15-year first mortgage loan from PyraMax Bank and a **\$14,999** NSP Homebuyer Assistance Loan for needed rehabilitation. Monthly housing payment is **\$185**.

Sale closed in March of 2012 and renovation is complete.

NSP Homebuyer Assistance Program

Project Spotlight: 425-427 N 33rd St.

Distressed property acquired by City of Milwaukee through tax foreclosure in 2011. Deferred maintenance of this Merrill Park home resulted in significant required rehabilitation which would not be feasible with traditional mortgage products.

Buyer combined US Bank first mortgage with NSP Homebuyer Assistance to purchase property for **\$21,450** and fund **\$52,000** of needed repairs. Buyer's monthly housing cost payments will be **\$434**.

Sale closed in January 2013 and rehabilitation is underway.

NSP Contracting

SECTION 3

Section 3 is a HUD program to ensure that economic opportunities created by HUD funds are provided to low income residents of impacted communities and the businesses that employ them. HUD has set a goal for 10% of all covered contracts be awarded to Section 3 contractors .

For NSP2 Projects completed to date:

- 27%** of covered construction contracts were awarded to Section 3 businesses (62% Section 3 participation in the Acquisition/Rehab program and 21% Section 3 Participation in the large projects programs.)
- 58** different Section 3 contractors worked on NSP2 funded projects

MBE/SBE/WBE and Section 3

33% of contracts in the Large Projects and Acquisition/Rehab activities were awarded to either Section 3 or City MBE/SBE/WBE contractors

MINORITY CONTRACTOR PARTICIPATION

For the NSP 2 Homebuyer Assistance and Rental Rehab Programs (small jobs where the property owner chooses their contractor) minority contractor participation was **40%**.

Jobs

It is estimated that NSP 2 activity created or retained over **600** jobs.*

* *based on the level of rehabilitation work and new construction activity and using methods established by the National Association of Homebuilders*

NSP and Tax Foreclosed Properties

\$117,400 in NSP2 funds utilized to maintain in rem properties.

Over 300 housing units were built or rehabilitated using in rem properties or vacant land utilizing over **100** City owned vacant lots and over **100** City owned In Rem properties.

76% of large rental and new construction projects utilized City owned land or in rem properties.

Estimated value added to the tax base: **\$13.4 million**
