Alderman Bauman,

Thanks for notifying me (through the westside listserv) about the upcoming billboard ordinance proposal. I cannot attend the hearing Monday, I have to work, but I strongly oppose this proposed change.

I find the existing billboards that change every minute or whatever it is to be distracting when I'm driving. Changing more quickly would be very unsafe, I think.

(OK, my kids tell me I drive and see like an old fart— but I don't think I'm the only one by any means.)

And don't even let me get started on how annoying they would be, especially if I lived near one.

Please oppose this proposed change.

Thank you
