Re: Columbia St. Mary's – Prospect Medical Commons Detailed Plan Development

Dear City of Milwaukee Common Council:

On behalf of our clients, Columbia St. Mary's Hospital, the purpose of this letter to transmit the revised elevation for North Avenue, which resulted from a meeting with City staff held earlier this week.

This exhibit was described in Item No. 6 of our cover letter dated April 27, 2005, however the drawing was completed subsequent to that submission.

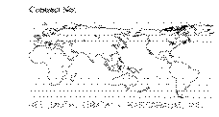

Should there be any questions, please contact us.

Sincerely,
Hellmuth, Obata + Kassabaum
