

# Solar PV System Details

System Size & Generation:

4,440 W-DC System Size (DC)

5,564 kWh 1st Year Generation

## Panel Layout

## Equipment:

- (12) REC REC370AA (2020) Solar panels
- (12) Enphase IQ7X-96-2-US (240) Inverter(s)

## System Pricing & Incentives:

|                          |          |
|--------------------------|----------|
| Solar PV System Cost     | \$14,073 |
| FOE Incentive            | -\$500   |
| Federal Tax Credit       | -\$3,659 |
| Max MKE Group Buy Rebate | -\$888   |

**Net Solar PV System Cost \$9,026**
