RE: File No. 020655/Wisconsin Paperboard Corporation

Attention: Mr. Ronald Leonhardt

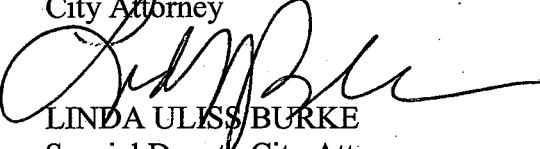

Dear Committee Members:

Attached are a resolution, a fiscal note, and an agreement concerning the above Common Council file.

As the attached documents show, a City water-main break damaged Wisconsin Paperboard Corporation property. The City repaired the damage, in part by trucking in soil from off-site. Because of allegations concerning the nature of the off-site soil, this office has negotiated an agreement, with the assistance of the Milwaukee Water Works, that will address any liability issues concerning this matter. The agreement calls for removal and replacement of a portion of the fill.

Very truly yours,

GRANT F. LANGLEY
City Attorney
