Re: Appealing decision regarding my car '91 Mercury Topaz

Dear Mr. Overhalt :

I am writing you regarding the letter dated October 30, 2003 regarding the illegal towing and smashing of my car, & '91 Mercury Topaz. On August 5, 2003 my car was towed because they said my car had been was abandoned for 2 weeks. I went to the city tow lot three times for someone to go in the yard to get the size of my tires. They would not give me the number. So, I could purchase new tires for my car so, I could have my car removed from the city tow lot.

I went to the city tow lot on August 6, 2003 at 10:00a.m. August 7, 2003 at 2:00p.m. and August 9, 2003 at 3:00p.m. Ms. Alnita Jackson (414) 760-8731 is my witness because she drove me out there three times. The parking checker never gave me a 24-hour notice on my car to have the two flats fix. I never received any kind of notice saying that I had a certain amount of days to get my car out of city tow lot or they would smash it. I never gave anyone permission to smash my car. The address Department of Motor Vehicles has for me is 6622 N 51st Street Milwaukee, WI 53223.

I am the legal owner of '91 Mercury Topaz. I want to be compensated in the amount of \$3,500 for my car. I have enclosed some photos of my car I took on August 4, 2003 when I got my car home from the shop. I also, enclosed a copy of my driver's license with my address on it and the receipt from the shop stating when I got the car out so, how could the car be abandoned for two weeks. If we cannot resolve this matter I will be going to Small Claims Court is my next step. Can you please get back with me ASAP regarding this matter? I really appreciate your help in this matter. My home address is 6622 N. 51st Street but I prefer my mail to go my PO Box 76154 Milwaukee, WI 53216.

Sincerely,

Ms. Sherry A. Jones

The Kelley Blue Book Suggested Retail Value represents the amount an auto dealer might ask for a specific vehicle. The Suggested Retail Value is a starting point for negotiation therefore the actual sale price will vary. Popularity, condition, warranty, color and local market conditions will be factors involved in determining a final price. This retail value is not a trade-in or private party value.

This Suggested Retail Value assumes that the vehicle has been fully reconditioned and has a clean title history. The Suggested Retail Value also allows for advertising, sale commissions, insurance and other costs of doing business as a dealer. Most vehicles being offered at this price have passed an inspection and some may carry a warranty.
