To Whom It May Concern:

I own the residence at 2537 N Grant Blvd, which is located across the alley from 2536 N Sherman Blvd. I am writing to communicate my objection to the chain link fence at 2536 N Sherman Blvd (File # 211053), as it is not historically appropriate for the neighborhood. I would have no objection to a wood fence or a wrought iron fence.

I have no objections to any proposed repairs to the front porch or steps (File # 211054).

Sincerely,  
Christopher Borden

Hi, how are you? I'm doing well.

I live at 2543 N Grant Blvd. I share an alley with the 2536 N Sherman Blvd (File # 211053). As I totally understand that these neighbors are doing their best to help their property by adding a fence and doing yard work: long term the fence doesn't help the rest of our property values as it doesn't keep the historical integrity of the neighborhood. I object to the fence.

Thank you,  
Cindy L. Mathwig
