To the Honorable, the Common Council

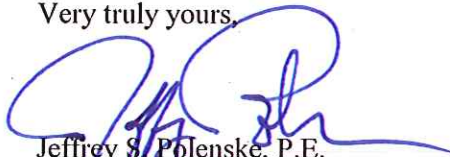

Dear Honorable Members:

The attached resolution authorizes the City Engineer to apply for an Urban Nonpoint Source and Stormwater (UNPS&SW) construction grant from the State of Wisconsin Department of Natural Resources (DNR). The grant is for the construction of bioswales on South 27<sup>th</sup> Street between a point north of West Oklahoma Avenue and West Howard Avenue and is in the amount of \$100,000.

This resolution also authorizes the City Engineer to enter into an UNPS & SW construction grant agreement between the City and the DNR and to make periodic grant reimbursement requests.

We recommend adoption of the resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
