To the Honorable, the Common Council

Subject: Alexian Village of Milwaukee
Resolution to authorize the naming
of West Limerick Road as a private road

Dear Honorable Members:

The Alexian Village of Milwaukee is developing the site along the south side of West Glenbrook Road in the vicinity of North 80th Street. This development includes an internal road system to support traffic circulation within this senior housing complex. The developer has requested that the City recognize West Limerick Road as a private road. This recognition allows the City to assign addresses to the various buildings which will not front on public streets. These addresses will support mail delivery and emergency services responses to the complex.

The developer of this housing complex is responsible for identifying this road as private by placing brown street signs at their expense, in compliance with Chapter 113-1 of the Milwaukee Code of Ordinances. The developer is also responsible for placing a stop sign on West Limerick Road at West Glenbrook Road so that north bound traffic will stop at West Glenbrook Road.

We have prepared, and recommend for adoption the attached resolution which will recognize and name West Limerick Road as a private road within the Alexian Village of Milwaukee.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
