Subject: FPC Agenda Addition

Hello,

My name is Maria and the reason for my email is because I want to request an addition to the official agenda file record on the FPC nomination. In support of Amanda Avalos for the FPC.

I am strongly in support of Amanda Avalos being nominated to the FPC. In the 10 years that I have known her she has time and again shown how committed she is to seeing the city of Milwaukee be an inclusive community for all people. Her past leadership roles have prepared her and given her the knowledge necessary to do everything in her power to do what is best for our community. She is a strong and intelligent individual with integrity and distinction and that is exactly what the city of Milwaukee needs looking out for them.

Thank you so much for reading my comment and taking the time to do what you do for our city.

Best regards,
Maria Munoz
