Common Council  
City of Milwaukee

Subject: Introduction of Various Resolutions Addressing a Shortfall in Remission of Taxes Fund.

Dear Honorable Members:

We are submitting four attached resolutions for introduction at the December 21, 2004 Common Council meeting. Currently, the Remission of Taxes Fund needs approximately \$800,000 to fund its 2004 obligations. Because of other pressures on the 2004 Common Council Contingent Fund, we are requesting these files to be introduced by title at this time and will provide the detailed resolution and fiscal note for this purpose at a later date. These files will allow the city some flexibility in dealing with this issue.

Respectfully submitted,

Mark Nicolini  
Budget and Management Director
