**AMENDMENT 3a**

DEPARTMENT	BUDGET EFFECT	TAX LEVY EFFECT	TAX RATE EFFECT PER \$1,000
City Attorney	\$+136,000	\$+136,000	\$+0.006

**AMENDMENT INTENT**

To increase position authority, salary funding and FTEs and operating funding for two Assistant City Attorney positions to serve as "Community Prosecutors." One position is to be assigned to the south side and one to the north side.

**OVERVIEW**

1. This amendment will increase position authority, salary funding and FTEs and operating funding for two Assistant City Attorney positions to serve as "Community Prosecutors."
2. The Assistant City Attorneys who work in these positions will be dedicated to work in the prosecution division/ordinance enforcement, especially with an area focus of nuisance housing, problem properties and related violations.
3. One position is to be assigned to the south side and one to the north side.

**EFFECT**

The budget effect of this amendment is \$+136,000.

The tax levy effect of this amendment is \$+136,000.

**OTHER INFORMATION**

This amendment includes funding in the amount of \$130,000 for two Assistant City Attorney, SG 148, salaries as well as \$6,000 for office expenses, furniture and computers.

**ORIGINAL SPONSOR(S): Ald. Donovan, McGee**

City Attorney	\$0.0	\$0.0	\$0.000

**AMENDMENT INTENT**

**To eliminate the Fire and Police Complaint and Discipline Special Purpose Account and transfer funding to the Damages and Claims Special Purpose Account**

**OVERVIEW**

1. This amendment will eliminate the Fire and Police Complaint and Discipline Special Purpose Account and transfer funding (\$75,000) to the Damages and Claims Special Purpose Account from where these claims were previously paid.
2. This Special Purpose Account was initiated in 2002 with funds from the Damages and Claims Special Purpose Account. This fund pays for the legal defense expenses for exonerated police and fire personnel. This fund allows the city to more clearly track police officer and fire fighter investigations and the subsequent legal fees paid for sworn personnel cleared of wrongdoing.
3. This amendment is a technical change. Expenditures for the defense of police and fire personnel are accounted for on a separate line in the Damages and Claims Special Purpose Account.

**EFFECT**

The budget effect of this amendment is \$0.0.

The tax levy effect of this amendment is \$0.0.

**OTHER INFORMATION**

1. Expenses from this fund are directly linked to the number of sworn personnel who need legal assistance due to charges of wrongdoing by the citizenry. Legal expenses are only paid in the event that the officer or firefighter is cleared of wrongdoing.
2. On average, each case expenditure is approximately \$1,000.00.

**AMENDMENT INTENT** – The intent of this amendment is to add position authority for six Auxiliary Office Assistant I positions in Central Administration to provide occasional support for members of the Common Council. No funding is provided for these positions.

### **OVERVIEW**

1. The 2005 Proposed Budget for the Common Council-City Clerk is authorized for 91 positions, a decrease of 11 positions, -10.8%, from the 2004 Budget of 102 positions, resulting in 85.40 O&M funded positions and 1.00 Non-O&M position.
2. Of the 91 authorized positions, there are 5 Auxiliary Legislative Assistant positions funded at \$21,470.
3. The 6 Auxiliary Office Assistant I positions will provide clerical support for the members of the Common Council.
4. Funding is not provided for the positions.

### **IMPACT**

1. This amendment adds position authority for six Auxiliary Office Assistant I position in the Central Administration section to provide temporary support for members of the Common Council. The six auxiliary positions are not funded.
2. The change will not impact the budget and tax levy. The tax rate remains the same.

**AMENDMENT INTENT** – This amendment is a footnote relating to the reservation of \$30,000 in the Facility Systems Program capital account for remodeling of Room 102 in the Zeidler Municipal Building, to serve as an alternative meeting room during City Hall Restoration.

**OVERVIEW**

1. As part of the 2005 Requested Budget, the City Clerk's office requested funding for meeting facility improvements.
2. An estimate was provided for the remodeling of Room 102 of the Zeidler Municipal Building by DPW – Operations Division, Buildings and Fleet Services. The breakdown for the estimate includes:

Construction, including contingencies	\$ 28,800
Design	2,900
Administration, inspection	1,000
Fringe benefits	2,400
Total estimate	\$ 35,100

3. Only \$30,000 is requested for the project.
4. During the City Hall Restoration, the Common Council meeting Room 301-B will not always be usable during certain periods of the restoration. Room 102 in the Zeidler Building will be an alternative meeting room.
5. Funding for the project is through the DPW-Building and Fleet – Facility Systems Program account.

**IMPACT**

1. This amendment is a footnote relating to the reservation of \$30,000 in the Facility Systems Program in the DPW-Building and Fleet's capital budget for the remodeling of Room 102 in the Zeidler Municipal Building, as an alternative meeting room during City Hall Restoration.
2. The budget and tax levy impact will not increase. The tax rate impact will not increase.

**AMENDMENT INTENT** – The intent of this amendment is to provide \$37,000 for printing and mailing of *Call For Action* booklets.

## **OVERVIEW**

1. The 2005 Budget does not include special funds for the *Call For Action* booklet.
2. *Call for Action* booklet is a governmental phone directory, compiled to help residents reach those who perform key city services. It also contains other important county, state and federal numbers. The last issue, published by the Public Information Division, is dated 2002 – 2003.
3. This project was last funded in the 2002 Budget. Funding was not allocated in the 2003 or 2004 budgets.
4. The \$37,000 in funding will cover the printing and distribution.

## **IMPACT**

1. This amendment provides \$37,000 in funding for the printing and distribution of the *Call For Action* booklets through the Public Information special fund.
2. The budget and tax levy impact will increased by \$37,000. The tax rate will increase by \$0.002 per \$1,000.

**AMENDMENT INTENT** – This amendment adds 6 months funding and FTE's for License Specialist position in the License Division in anticipation of passage of the Lobbyist Registration ordinance.

### **OVERVIEW**

1. The 2005 Proposed Budget for the Common Council-City Clerk is authorized for 91 positions, a decrease of 11 positions, -10.8% from the 2004 Budget of 102 positions, resulting in 85.40 O&M funded positions and 1.00 Non-O&M position. Of the 91 authorized positions, 11 are in the License Division.
2. The License Division processes applications for over 100 different licenses and permits and assists the Council in its deliberations regarding licensing matters.
3. During 2005, 2 License Specialists are expected to retire, and their positions would remain vacant for a time.
4. The additional funding enables the department to fill one License Specialist vacancy in the License Division during the last half of the year, providing personnel to handle matters associated with the registration of lobbyists, in anticipation of the passage of the Lobbyist Registration ordinance.

### **IMPACT**

1. This amendment adds funding, FTE's and direct labor hours for the License Specialist position in the License Division of the Common Council-City Clerk's Office.
2. The budget and tax levy impact will increase by \$16,154. The tax rate will increase by \$0.001 per \$1,000.

**AMENDMENT INTENT** – The intent of this amendment is to restore position funding for 2 Analyst positions in the Legislative Reference Bureau to maintain current level of services for research, fiscal analysis and drafting.

#### OVERVIEW

1. The 2005 Proposed Budget for the Common Council-City Clerk is authorized for 91 positions, a decrease of 11 positions, -10.8% from the 2004 Budget of 102 positions, resulting in 85.40 O&M funded positions and 1.00 Non-O&M position. Of the 91 authorized positions, 14 are in the Legislative Reference Bureau.
2. This amendment restores funding for 2 Fiscal Review Analyst Sr. positions in the Legislative Reference Bureau.
3. The Legislative Reference Bureau maintains a municipal government reference library and performs research, legislative drafting and fiscal analysis for the Council and other city departments.
4. The Fiscal Review Analyst Sr. positions conduct budget analysis and fiscal review studies for Common Council members, by providing background papers, budget summaries and program analysis on potential budget issues, the Mayor's budget recommendations, and prepare budget amendments. Analysts also undertake other research at the request of the Common Council, its committees and individual members.

#### IMPACT

1. This amendment restores and adds position authority, funding, FTE's and direct labor hours for 2 Fiscal Review Analyst Sr. positions in the Legislative Reference Bureau to maintain research and fiscal analysis for the Common Council and other city departments.
2. This amendment will increase the budget and tax levy impact by \$95,265. The tax rate will increase by \$0.004.

**AMENDMENT INTENT** – The intent of this amendment is to restore the Office Assistant III position in the Legislative Reference Bureau to avoid layoff.

**OVERVIEW**

1. The 2005 Proposed Budget for the Common Council-City Clerk is authorized for 91 positions, a decrease of 11 positions, -10.8% from the 2004 Budget of 102 positions, resulting in 85.40 O&M funded positions and 1.00 Non-O&M position. Of the 91 authorized positions, 14 are in the Legislative Reference Bureau.
2. This amendment will restore position authority, funding, FTE's and direct labor hours for an Office Assistant III to maintain clerical assistance and avoid a layoff in the Legislative Reference Bureau.
3. The Legislative Reference Bureau maintains a municipal government reference library and performs research, legislative drafting and fiscal analysis for the Council and other city departments.
4. The Office Assistant III is the receptionist, screens and direct walk-in reference patrons, answers and route incoming calls, and handles other clerical functions such as filing, computer in-put, copying, and ordering supplies.

**IMPACT**

1. This amendment will change and restore position authority, funding, FTE's and direct labor hours for the Office Assistant III position in the Legislative Reference Bureau to maintain clerical duties and functions.
2. The amendment will increase the budget and tax levy impact by \$31,359. The tax rate will increase by \$+0.001 per \$1,000.

**AMENDMENT INTENT** – This amendment restores funding and FTE's for the Public Relations Supervisor to preserve services for writing of newsletters, press releases and related functions and 2 Production Technicians to preserve programming services and avoid layoffs.

## OVERVIEW

1. The 2005 Proposed Budget for the Common Council-City Clerk is authorized for 91 positions, a decrease of 11 positions, -10.8% from the 2004 Budget of 102 positions, resulting in 85.40 O&M funded positions and 1.00 Non-O&M position. Of the 91 authorized positions, 8 are in the Public Information Division.
2. This amendment restores the funding, FTE's and direct labor hours in the Public Information Division for the Public Relations Supervisor position and 2 Channel 25 Production Technicians.
3. The Public Information Division produces a variety of publications, including aldermanic newsletters, arranges press briefings and news releases, maintains web pages for the Council and the City Clerk's Office and operates City Channel 25.
4. The Public Relations Supervisor supervises and directs 3 employees providing public relations and publishing functions to the Common Council-City Clerk. This includes writing new releases, newsletters, speeches, brochures, flyers, reports and promotional materials. The supervisor also arranges news conferences and disseminates information to the news media, provides photography and photographic services.
5. The two Production Technicians are responsible for operating and maintaining a variety of television equipment used to telecast City and County government meetings/programs on the City Channel. This includes the recording the playback of meetings and other programming events, programming the computer-based text message system on a daily basis, and operating the studio cameras, teleprompter, audio and lighting equipment.

## IMPACT

1. This amendment restores and adds position authority, funding, FTE's and direct labor hours for the Public Relations Supervisor position and 2 Channel 25 Production Technicians in the Public Information Division to preserve services for writing of newsletters, press releases and related functions and continue administrative and technical support in the City Channel 25 activities.
2. The budget and tax levy will increase by \$111,435. The tax rate will increase by \$0.005 per \$1,000.

**AMENDMENT INTENT**

**To restore position authority, funding and FTEs for one Diversity Specialist, Sr. and eliminate position authority, funding and FTEs for one Program Assistant II in the Office of Diversity and Outreach**

**OVERVIEW**

This amendment will restore position authority, funding and FTEs for one Diversity Specialist, Sr. and eliminate position authority, funding and FTEs for one Program Assistant II in the Office of Diversity and Outreach

The Office of Diversity and Outreach was established in January of 2003 to promote the importance, benefit and necessity of maintaining diversity within the City of Milwaukee's workforce and to ensure compliance with applicable City policies, ADA regulations, fair employment, anti- harassment and discrimination laws for City of Milwaukee employees.

The Office of Diversity and Outreach also serves the citizens of Milwaukee by receiving and facilitating action related to employment or housing-related discrimination complaints.

**EFFECT**

The budget effect of this amendment is \$+5,608.

The tax levy effect of this amendment is \$+5,608.

**OTHER INFORMATION**

The Diversity Specialist, Sr. position is currently filled. The Program Assistant II position is vacant at this time.

The budgetary and tax levy effect is the difference in salary between these two positions.

**AMENDMENT INTENT**

**To provide \$36,000 instead of \$72,000 for the Mentoring Program Special Purpose Account**

**OVERVIEW**

This amendment will reduce the proposed funding for the creation of a new Special Purpose Account from \$72,000 to \$36,000.

This account is created in 2005 in order to provide a property tax credit incentive for city of Milwaukee residents who mentor high-risk high school students in Milwaukee. This program will screen, train and match Milwaukee residents with students in order to provide students with resources and guidance to keep them in school and on course for graduation.

**EFFECT**

The budget effect of this amendment is \$-36,000.

The tax levy effect of this amendment is \$-36,000.

**OTHER INFORMATION**

The 2005 proposed budget provides funding for approximately 200 mentors. Mentors will be issued a check from the City of Milwaukee Treasurer in the amount of \$360 with the City of Milwaukee as a co-payee. This check would be for the express purpose of crediting the mentor's property tax bill. This amendment reduces the funding to provide for one-half year in order that this program may be further evaluated.

There are no federal or state tax implications for the mentor.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Dept. of Neighborhood Services	+\$26,564	+\$26,564	+\$0.001

**AMENDMENT INTENT** – This amendment increases the residential and commercial building recording code enforcement fee (Section 200-33-49.6) from \$50 to \$75 and adds position authority funding, and FTE for an Office Assistant II position to assist in the administration of the program.

**OVERVIEW**

1. The 2005 Proposed Budget provides the Department of Neighborhood Services \$12,909,491 in funding, a decrease of \$37,071, -0.3%, from the \$12,946,562 provided in the 2004 Budget. The number of authored positions increases to 226, an increase of 3, from the 223 authorized positions in the 2004 Budget.
2. The purpose of recording residential and commercial buildings is essential for the proper enforcement of the city's building and zoning code. The residential and commercial building recording code enforcement fee is imposed when property owners fail to comply with an order to record a property as required by Section 200-3-49.6 of the Milwaukee code.
3. This fee was required 402 times for a total of \$20,100 from September 2002 through August 2003. From September 2003 through August, the fee was required 1,541 times for a total of \$77,050.
4. The addition of an Office Assistant II position is necessary in the administration of the program to more effectively monitor those properties not recorded or those who changed addresses and did not notify the Department of Neighborhood Services.

**IMPACT**

1. This amendment increases the residential and commercial building recording code enforcement fee from \$50 to \$75 and provides for position authority, funding, FTE's and direct labor hours for an Office Assistant II position in the Department of Neighborhood Services.
2. The impact on budget and tax levy will increase by \$26,564. The tax rate impact will increase by \$0.001 per \$1,000.
3. Common Council action is required to adopt legislation to increase this fee.

AMENDMENT 29

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Provisions For Employee Retirement Funds	\$+0	\$+0	\$+0

**AMENDMENT INTENT**

This amendment adds a footnote to the 2005 Proposed Budget to indicate it is the intent of the Administration and Common Council to improve and stabilize the Policeman's Annuity and Benefit Fund

**OVERVIEW**

1. The Policemen's Annuity & Benefit Fund (PA&BF) provides retirement benefits to police officers who were first employed prior to July 30, 1947. Police officers hired after that date are members of the Employees' Retirement System (ERS).
2. The 2005 Proposed Budget includes a, levy funded, lump sum supplemental contribution of \$400,000 to this fund. Another \$400,000 is being provided to the Firemen's Pension Fund. This supplement is at the discretion of the City of Milwaukee.
3. The table below provides a breakdown of the monthly pension benefit paid to annuitants.

Monthly Pension Benefit*	# of Annuitants
\$300	2
\$301-\$600	115
\$601-\$800	41
\$801-\$999	17
Over \$1,000	31

\*Includes payments from the supplement fund. Each annuitant receives \$127 a month: \$94 supplement from the 2001 supplement and \$33 a month from the 2004 supplement.

**IMPACT**

This amendment adds a footnote to the 2005 Proposed Budget to indicate it is the intent of the Department of Administration shall submit options to the Common Council for benefit improvement and a stable pension contribution.

This amendment has no fiscal impact

<b>DEPARTMENT</b>	<b>BUDGET IMPACT</b>	<b>TAX LEVY IMPACT</b>	<b>TAX RATE IMPACT PER \$1,000</b>
Fire Department	\$+0	\$+0	\$+0.000

**AMENDMENT INTENT**

This is a technical amendment to the pay range for the Vehicle Operations Training Coordinator position from PR 856 to PR 857 in the Fire Department.

**OVERVIEW**

This is a technical amendment to the pay range for the Vehicle Operations Training Coordinator (VOTC) position in the Support Services Decision Unit from PR 856 to PR 857.

According to MFD Business Finance Manager, Sandy Rotar (former DOA Budget and Management Analyst to the MFD), this is a technical correction; in December 2003, based on Fire and Police Commission recommendation, DER reclassified one vacant Battalion Chief, PR 863 position to VOTC, PR 857. The salary ordinance footnote states that appointments to VOTC are at step 4 of PR 857. The error occurred when Sandy prepared the 2005 Proposed budget; she mistakenly changed the pay range from PR 857 to PR 856.

The department is concerned that without an amendment, the salary ordinance will change, and result in a demotion of the affected person, and the potential loss of \$4,729 in base annual salary plus fringes. MFD anticipates absorbing any salary impact and related fringe benefits.

**IMPACT**

The technical amendment will not impact the budget, tax levy or tax rate.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Fire Department	\$-100,000	\$-100,000	\$-0.005

**AMENDMENT INTENT**

This amendment eliminates funding for new cars for fire chiefs in the Fire Department.

**OVERVIEW**

In past years, the Milwaukee Fire Department had used various funding sources to purchase various vehicle types, including but not limited to:

- Operating funds (tax levy supported)
- Capital borrowing
- Grants
  - \$234,010 for various costs, including vehicles (FEMA Assistance to Firefighters Grant, Resolution 020026 adopted 5/14/2002)
  - \$450,000 for incident response vehicle (Wisconsin Homeland Security Response Equipment Grants, Resolution 031341, 2/10/2004)

The 2005 Proposed Budget provides \$698,606 for Equipment Purchases (additional and replacement), compared to \$608,506 provided in 2004. The increase in the 2005 replacement budget reflects the implementation of a replacement cycle for the department's vehicles, including seven chiefs' cars and several cargo vans (+\$200,000) – a new program that will be implemented in 2005 to maintain the department's non-apparatus fleet.

If implemented, the replacement program would require continued funding support over several annual budgets beginning with seven (should be six per Mark Nicolini, Budget Director) fire chiefs' vehicles (\$100,000) and two cargo vans (\$56,000) in 2005. In August, the department provided to LRB the following Chief Officer Car inventory listing (see table on next page).

**IMPACT**

This amendment eliminates funding and expenditures for seven cars for fire chiefs, and further decreases the budget and tax levy each by \$-100,000 and decreases the tax rate \$-0.005.

**AMENDMENT INTENT**

This amendment reduces Overtime Compensation (Special Duty Pay) funding by \$130,000 for all Chief Officers in the Fire Department.

**OVERVIEW**

The 2005 Proposed Overtime Compensated (Special Duty) decreases \$150,858 (or 2.77%) to \$5,298,907 compared to \$5,449,765 provided in 2004. The net decrease is attributable to reducing the daily minimum staffing requirement from 266 sworn positions (to 258 from January 1 to June 30 and to 260 from July 1 to December 31), increasing the number of MED units (increases the minimum staffing to 260), and hiring to fill unanticipated vacancies due to illness, vacation or other paid leave (Overtime Compensated-Special Duty Pay).

Currently, a Captain or Lieutenant, a Heavy Equipment Operator, and 2 Firefighters man each 4-staff apparatus. One additional firefighter/paramedic per shift is hired on teams requiring 5-staff.

Minimum Staffing Requirements for 3 Shifts on Teams Requiring 5-Staff					
Company Type	Captain	Lieutenant	HEO	Fire Fighter	Total
Engine Only	1	2	3	9	15
Ladder Only	1	2	3	9	15
Engine w/Ladder in house	1	2	3	6	12

Overtime for Chief Officers needed to meet minimum staffing are not subject to reduced compensation under this amendment, as footnoted.

**IMPACT**

This amendment decreases the Overtime Compensated (Special Duty Pay) budget line, the operating budget, and tax levy each by \$-130,000 and decreases the tax rate by \$-0.006.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Fire Department	\$+604,594	\$+604,594	\$+0.027

**AMENDMENT INTENT**

This amendment restores position authority, funding, and FTE's for 12 firefighter positions and further restores minimum staffing of 5 personnel per day on 4 single engine companies in the Fire Department.

**OVERVIEW**

In 2005, the Milwaukee Fire Department proposed reducing the minimum daily staffing requirement from its current level, 266, to 258 through June 30, 2005 and later increasing that level to 260 from July 1, to December 31, 2005. The fire chief's proposal includes the following initiatives:

- Eliminate BLS squads 1 and 2
- Establish an 11<sup>th</sup> MED unit to operate July 1 to December 31
- Reduce minimum daily staffing on 4 single engine companies from 5 to 4 personnel

To reduce single engine company staffing, four single engine companies would each lose 3-firefighter positions per 24-hour day, resulting in a \$604,594 cost savings as follows:

1. Unadjusted Salaries and Wages cost savings, \$476,100
2. Overtime Compensated (Special Duty) cost savings, \$128,494
3. Fringe Benefit cost savings, \$181,378
4. Approximately 29,952 fewer firefighting staffing hours in 2005

This amendment restores position authority, funding, and FTE's for 12 firefighter positions by restoring minimum staffing of 5 personnel per day on the 4 targeted single engine companies.

**IMPACT**

This amendment increases the budget and tax levy each by \$+604,594 and increases the tax rate \$+0.027. Further impacts include:

1. Authorized Firefighter Positions increases by +12, from 520 to 532
2. Auxiliary Firefighter Positions decreases by -12, from 60 to 47
3. Overtime Compensated (Special Duty) increases from \$5,091,292 to \$5,219,786
4. O&M FTE's increase from 973.46, which adds 29,952 direct labor hours

AMENDMENT 34

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Fire Department	\$+50,000	\$+50,000	\$+0.002

#### AMENDMENT INTENT

This amendment creates and funds a Fire Department Study of Sworn Staff Special Purpose Account for \$50,000. In addition, the special purpose account is footnoted to require separate Common Council action by resolution to authorize expenditure of funds.

#### OVERVIEW

This amendment creates a Special Purpose Account for studying sworn staff in the Milwaukee Fire Department. In 2004, 1,151 total authorized positions included 1,101 sworn positions; in 2005, 1,154 total authorized positions include 1,100 sworn positions. Including the Fire Chief (SG 18), compensation for sworn positions are pay ranges 8XX, including:

Fire Chief (SG 18)	Firefighter/Paramedic (PR 850)
Assistant Fire Chief (PR 867)	Para Fld Lieut/Fire Para. Fld Lieut (PR 856)
Deputy Chief Fire (PR 865)	Administrative Captain-EMS (PR 857)
Battalion Chief Fire (PR 863)	Chief Dispatcher of Fire and Telecommunications (PR 863)
Fire Captain (PR 857)	Fire Equipment Dispatcher (PR 858)
Fire Lieutenant (PR 856)	Vehicle Operations Instructor (PR 856)
Firefighter (PR 850)	Vehicle Operations Manager (PR 857)
Heavy Equipment Operator (PR 853)	Vehicle Operations Training Coordinator* (PR 856/PR 857)
Administrative Fire Captain (PR 857)	MMRS Coordinator (PR 863)
	Administrative Fire Lieutenant (PR 856)

\* Technical amendment to change from PR 856 to PR 857 pending

If adopted, funding shall be \$50,000. Identification of the administering department is subject to Common Council review and action.

In addition, this amendment footnotes the special purpose account to require separate Common Council action to authorize expenditures, via resolution.

## **IMPACT**

This amendment increases the budget and tax levy each by \$+50,000 and increases the tax rate \$+0.002.

## **OTHER INFORMATION** *(revised 11/10/2004)*

The study will focus on personnel issues including:

- (a) total amount of personnel, and
- (b) their location via the network of engine and ladder companies, and
- (c) the associated facilities that are required to meet the MFD mission and elected officials' service level expectations

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Milwaukee Public Library	+\$72,133	+\$72,133	+\$0.003

**AMENDMENT INTENT** – This amendment restores hours at Central Library to 2004 levels.

**OVERVIEW**

1. The 2005 Proposed Budget provides Milwaukee Public Library (MPL) \$20,421,230 in funding, a decrease of 3.6%, from the \$21,191,333 provided in the 2004 Budget. The number of authorized positions decreases to 403, -1.5%, from the 409 authorized in the 2004 Budget.
2. The budget includes a reduction of Central Library hours. Hours will be reduced from 63 hours per week to 57 hours per week. The library will be closed at 5:30 p.m. on Wednesday and Thursday evenings. The reduction will have the least impact on patrons since these evenings are the least used. The reduction of hours estimates a savings of \$72,000.
3. This amendment restores the Central Library hours, from 57 to 63 hours per week.

**IMPACT**

1. This amendment restores hours at Central Library in MPL by funding position authority, and FTE's for 1 Librarian II, 1 Library Circulation Assistant I, 2 Library Circulation Aides (0.56 FTE) and additional supplies, library materials and services.
2. The budget and tax levy impact will increase by \$72,133. The tax rate will increase by \$0.003 per \$1,000.

Milwaukee Public Library	+\$88,277	+\$88,277	+\$0.004

**AMENDMENT INTENT** – The intent of this amendment is to restore hours at Martin Luther King Jr. and Atkinson libraries to 42 hours per week with no Friday or Saturday closings.

**OVERVIEW**

1. The 2005 Proposed Budget provides Milwaukee Public Library (MPL) \$20,421,230 in funding, a decrease of 3.6%, from the \$21,191,333 provided in the 2004 Budget.
2. The budget includes a reconfiguration and reduction of neighborhood library hours. Hours at most branches are reduced to the range from 35 to 54 hours per week during the winter. Current branch hours range from 53 to 60 hours per week during the winter. The change in hours in branch hours will save approximately \$357,000 in 2005.
3. Atkinson and Martin Luther King Jr. libraries hours will be reduced from 53 hours to 35 hours per week as follows:

Hours	Atkinson	Martin Luther King Jr.
2004 Hours	M & W, 10:30 a.m. – 8:30 p.m. T & Th, 12 noon – 8:30 p.m. F & Sat, 9 a.m. – 5 p.m. <i>Total of 53 hours</i>	M & W, 10:30 a.m. – 8:30 p.m. T & Th, 12 noon – 8:30 p.m. F & Sat, 9 a.m. – 5 p.m. <i>Total of 53 hours</i>
2005 Hours	M – Th, 1 p.m. – 8 p.m. F, 10 a.m. – 5 p.m. * Sat, 10 a.m. – 5 p.m. * <i>Total of 35 hours</i>	M – Th, 1 p.m. – 8 p.m. F, 10 a.m. – 5 p.m. * Sat, 10 a.m. – 5 p.m. * <i>Total of 35 hours</i>

*\*Atkinson and Martin Luther King Jr. libraries will alternate open and close on Fridays and Saturdays.  
When Atkinson is open on a Friday, Martin Luther King Jr. will be closed.  
When Martin Luther King Jr. is open on a Saturday, Atkinson is closed.*

4. This amendment keeps Atkinson and Martin Luther King Jr. libraries open on Fridays and Saturdays during the winter and their hours will be reduced from 53 hours to 42 hours per week.

**IMPACT**

1. This amendment provides funding to restore hours at Martin Luther King Jr. and Atkinson libraries to 42 hours per week with no Friday or Saturday closings during the winter. The additional funding is for supplies, library material, position authority, FTE's and direct labor hours.
2. The budget and tax levy impact by \$88,277. The tax rate will increase by \$0.004 per \$1,000.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
DPW-Infrastructure Services Div.	+\$339,084	+\$339,084	+\$0.015

**AMENDMENT INTENT** – The intent of this amendment is to restore position authority, funding, FTE's, direct labor hours and operating expenditures for one Mini Concrete Crew, one Crack Fill Crew, one Router Crew, one Sidewalk Grinder Crew, and one Cable Crew, and restore funding for a Street Repair Supervisor position.

## **OVERVIEW**

1. The 2005 Proposed Budget provides DPW – Infrastructure Services Division \$21,241,921, a decrease of \$1,234,588, -5.5% compared to the \$22,476,509 provided in the 2004 Budget. The number of authorized positions changes to 702, -3.6%, 26 less than the 728 positions funded in the 2004 Budget.
2. The Infrastructure Services Division is responsible for the design, construction, and maintenance of streets and alleys, bridges, sidewalks, traffic control devices and streetlights. It coordinates transportation improvements with other governmental agencies and railroad companies, undertakes engineering studies and investigates various permits, plans, and easements.
3. The following crews are scheduled for elimination:

Decision Unit	Crew	Positions	Services
Street & Bridges	Mini-Concrete	1 Street Repair Crew Leader 1 Cement Finisher Helper 1 City Laborer	Repair small concrete projects, repair street lighting cuts and perform repairs on sidewalks.
	Crack Fill	1 Street Repair Crew Leader 1 Special Street Repair Laborer 2 City Laborers	Fills cracks in to prevent water from seeping into the pavement.
	Router	1 Labor Crew Leader 1 City Laborer	Does routing in advance of the Crack Fill crews.
	Sidewalk Grinder	1 Labor Crew Leader 1 City Laborer	Grinds down the uneven, offset sidewalk concrete squares.
Electrical Services	Cable Crew	5 Laborer, Electrical Services	Maintain electrical boxes and conduits needed for paving projects.

4. One of the five authorized Street Repair Supervisors was not funded after a retirement in July.

## **IMPACT**

1. This amendment restores position authority, funding, FTE's, direct labor hours and operating expenditures for one Mini Concrete Crew, one Crack Fill Crew, one Router Crew, one Sidewalk Grinder Crew, and one Cable Crew, and restores full funding for a Street Repair Supervisor position within the Infrastructure Services Division.
2. The budget and tax levy impact will increase by \$339,084. The tax rate will increase by \$0.015 per \$1,000.

**AMENDMENT INTENT** – The intent of this amendment is to delete \$460,000 in Community Development Block Grant reprogramming funds for street lighting.

#### OVERVIEW

1. The 2005 Proposed Budget provides \$3,540,000 in capital improvements for Street Improvements – Street Lighting. An additional \$460,000 in 2004 CDBG reprogramming funding is also allocated.
2. This amendment deletes the \$460,000 in CDBG reprogramming funds for street lighting.
3. The Street Lighting program provides funding for the replacement of deteriorated light poles, defective underground cable, removal and replacement of overhead lighting, and replacement of outdated underground series circuits.
4. The 2005 Proposed Budget provides \$3,540,000 in cash levy for this program, a decrease of \$103,602, -2.8% from the \$3,643,602 provided in the 2004 Budget. The division asked for \$6,385,000 in the 2005 Requested Budget
5. The estimated \$3.5 million will be used for facility upgrades associated with street paving projects. When street paving projects require curbs and gutters to be replaced, temporary cable for street lights are installed on poles over ground until the project is completed. If additional funding is not provided, the temporary cable for street lights would remain longer until adequate funding is provided to put them underground.
6. The CDBG reprogramming funding of \$460,000 would be used for these type of street lighting projects associated with paving in the CDBG area and includes appropriation for employee fringe benefits allocable to capital projects.

#### IMPACT

1. This amendment eliminates the \$460,000 in CDBG reprogramming funds for street lighting for DPW-Infrastructure Services division, and reduces funding associated with street lighting projects in the CDBG area.
2. The grant reprogramming funding does not have a budget and tax levy impact. The tax rate remains the same.

Capital Improvements – DPW - Infrastructure Services Division	+\$460,000	+\$460,000	+\$0.021

**AMENDMENT INTENT** – The intent of this amendment is to delete \$460,000 in Community Development Block Grant reprogramming funds as a source for street lighting funding and provide tax levy funds in its place.

## **OVERVIEW**

1. The 2005 Proposed Budget provides \$3,540,000 in capital improvements for Street Improvements – Street Lighting. An additional \$460,000 in 2004 CDBG reprogramming funding is also allocated for that purpose.
2. The \$3,540,000, in cash levy, is a decrease of \$103,602, -2.8%, from the \$3,643,602 provided in the 2004 Budget. The division asked for \$6,385,000 in the 2005 Requested Budget
3. The Street Lighting program provides funding for the replacement of deteriorated light poles, defective underground cable, removal and replacement of overhead lighting, and replacement of outdated underground series circuits.
4. This amendment deletes the \$460,000 in CDBG reprogramming funds as a funding source and provides \$460,000 capital improvement funding for street lighting in its place.
5. The funding will be used to place street lighting cable overhead, using wood poles, to maintain street lighting operation in neighborhoods and on arterials during paving projects. During paving operations, street lighting cable is severely damaged when curb and gutter is removed. Temporary overhead lines are necessary to keep street lights burning during paving operations. After the paving operations is completed, if sufficient funding is not provided, the temporary overhead facilities for street lighting would remain longer until adequate funding is provided to place the cable facilities underground.

## **IMPACT**

1. This amendment eliminates the \$460,000 in CDBG reprogramming funds and provides \$460,000 in capital improvement funding for street lighting in DPW-Infrastructure Services division.
2. The budget and tax levy impact is \$460,000. The tax rate \$0.021 per \$1,000.

**AMENDMENT INTENT**

**To reduce funding for operating expenditures by \$25,000 for vehicle repair services**

**OVERVIEW**

This amendment will reduce funding for operating expenditures by \$25,000 for vehicle repair services and reduce funding to the level of the 2004 adopted budget.

**EFFECT**

The budget effect of this amendment is \$-25,000.

The tax levy effect of this amendment is \$-25,000.

**OTHER INFORMATION**

**\$725,000** is proposed for Vehicle Repair Services. These monies include the cost of repairs completed by private vendors. These services include spring repair, glass repair, and major aerial lift overhaul. Funding in this line item is used for both specialty repairs in-house or, when cost effective or during peak workload periods, to pay for outside vendors. This amount has been budgeted relative to historical expenditure experience and is an increase of \$25,000 from 2004.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
DEPARTMENT OF PUBLIC WORKS – OPERATIONS DIVISION	+\$136,971	+\$136,971	+\$0.006

**AMENDMENT INTENT**

The intent of this amendment is to restore position authority, salary funding, FTEs and operating funding to retain half of the annual flower beds slated for elimination under the 2005 Proposed Budget (i.e., 15% of annual flower beds in City boulevards would be eliminated, rather than 30%).

**OVERVIEW**

1. With the 2004 Budget, the Forestry Section of DPW-Operations Division converted 40% of the boulevard flower beds it maintains from annuals to perennials. This action is expected to produce long-term savings in boulevard maintenance costs.
2. The 2005 Proposed Budget calls for a reduction of the area of annual flower beds in the City's boulevards by 19,000 square feet, or 30%, in 2005. This is the equivalent of roughly 100 flower beds.
3. The reduction in boulevard flower beds will allow the Forestry Section to eliminate 2 Urban Forestry Specialist positions and 13 Urban Forestry Laborer (Seasonal) positions, as well as to reduce the costs of water usage associated with boulevard maintenance. The total savings from elimination of 30% of the annual flower beds is \$261,250.
4. In contrast to the 2004 boulevard conversion activities, which replaced one type of flowers (annuals) with another (perennials), the plan for the annual flower beds to be eliminated in 2005 is to seed them over with grass. No perennials or other non-grass plants will be planted in place of the annuals.

**IMPACT**

1. This amendment restores funding for half of the annual flower beds slated for elimination in the 2005 Proposed Budget, or about 50 flower beds covering roughly 9,500 square feet.
2. In order to retain these annual flower beds, this amendment provides position authority, salary funding and FTEs for one Urban Forestry Specialist positions and 7 Urban Forestry Laborer (Seasonal) positions. It also increases Forestry's operating expenditures budget by \$6,875 to cover water usage costs associated with retaining the annual flower beds.
3. The impact of this amendment is an increase in the 2005 Budget by \$136,971, for a tax rate impact of +\$0.006 per \$1,000 assessed valuation.

**AMENDMENT INTENT**

The amendment eliminates \$200,000 from the Operations Division's capital budget for a study to combine forestry and sanitation facilities

**OVERVIEW**

\$200,000 is included the 2005 Proposed Capital Budget to study the feasibility of combining various Sanitation and Forestry headquarters on the south side. DPW indicates that having a common staging area for forestry and sanitation operations provides efficiencies to its operations. The study will provide DPW with the framework for efficient use of its existing facilities.

In addition to combining Sanitation and Forestry on the South side, the study would also provide guidance on permanently closing and selling various Sanitation sites (19th & Pierce, 6th & Howard, 33rd & Vliet) and the reconfiguration of the soon to be vacated Water Works site at 29th & Cameron. Sanitation is interested in moving into that property.

**IMPACT**

The amendment eliminates \$200,000 from the 2005 Proposed Capital Budget to study the feasibility of combining various Sanitation and Forestry headquarters on the south side.

**OTHER INFORMATION**

In anticipation of a study being completed on the use of DPW facilities, maintenance at some DPW facilities has been delayed.

Total Impact	<u>+\$210,000</u>	<u>-\$210,000</u>	<u>-\$0.010</u>

**AMENDMENT INTENT**

The intent of the amendment is to increase the 2005 transfer from the Parking Fund to the General Fund by \$210,000, from the proposed \$15 million to \$15.21 million. This amendment assumes recognition of revenue by the Comptroller.

**OVERVIEW**

The 2005 Budget includes a \$15 million transfer from the Parking Fund to the General Fund. This is \$3 million more than \$12 million transfer included in the 2004 Budget. The increase in the amount transferred can be attributed to the increase in reserves. The \$15 million 2005 transfer to the General Fund includes a \$4.6 million withdrawal from retained earnings. The \$4.6 million 2005 withdrawal from retained earnings is \$2.3 million more than the 2004 withdrawal from the Fund's retained earnings. The withdrawal amount reflects revenue from Grand Avenue of \$1 million plus \$3.6 million in higher than projected revenues in 2004.

Assuming 2005 revenues and expenditures meet projections, DPW estimates a cash reserve balance of \$16 million at the end of 2005 (including budgeted withdrawal). At the end of 2003 the Parking Fund's cash reserves totaled approximately \$19.3 million. One measure used to determine the adequacy of an entity's reserves is the ratio of current assets to current liabilities. This ratio is calculated by dividing current assets by current liabilities, and a ratio of 2 is considered to be acceptable. On December 31, 2003, the Parking Fund had a ratio of 3.95. The table below compares DPW's projected 2005 Parking Fund's reserves at the end of 2005 with what they would be projected to be with a current ratio of 2.0.

Category	2005 Projected	2005 Projected (with a 2.0 current ratio)
<b>Current Assets</b>		
<b>Cash and Cash Equivalents</b>	<b>\$16,000,000</b>	<b>\$10,000,000</b>
<b>Total Current Liabilities</b>	<b>\$5,000,000</b>	<b>\$5,000,000</b>
<b>Current Ratio (Current Assets/Current Liabilities)</b>	<b>3.2</b>	<b>2.0</b>

Source: 2003 CAFR & DPW projections

As shown in the table above, if the Parking Fund's 2005 projected current ratio is 2.0, the Fund's cash or cash equivalents would be \$10 million or approximately \$6.0 million less than the \$16.0 million in cash the DPW projects to have available at the end of 2005. The Administration intends to use the projected \$6 million "surplus" to stabilize payments to the General Fund in 2006 and thereafter.

## **IMPACT**

The amendment withdraws an additional \$210,000 from the Parking Fund's retained earnings (reserves) to increase the 2005 transfer from the Parking Fund to the General Fund by \$210,000 from the proposed \$15 million to \$15.21 million. Any increase in the transfer may make it more difficult to sustain this level in 2007 and in future years. If this level cannot be sustained, there will be an impact on the general fund in future years.

## **OTHER INFORMATION**

It is important for the Parking Fund to have adequate reserves, since unanticipated expenditures or revenue shortfall in any Parking Fund activity could result in a General Fund subsidy. Regular General Fund subsidy of the Parking Fund could, in turn, increase the levy and adversely affect State Aid associated with the expenditure restraint program.

AMENDMENT 71

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Department of Public Works: Water Works	\$-199,360	\$+0	\$+0.000

#### AMENDMENT INTENT

This amendment eliminates \$199,360 funding for residential inspection services related to the Cross Connection Program initiative.

#### OVERVIEW

On October 11, 2004, the Common Council passed Ordinance file number 031241, relating to cross-connection control regulations to protect consumers and the public water supply system of the city from the possibility of contamination or pollution due to a backflow of contaminants into building plumbing and/or into the public water supply system. The ordinance requires inspection of commercial and industrial premises by the Water Works or its representative no less frequently than once every 10 years. Substitute 3 to the ordinance deleted the residential program component, which the Water Works plans to fund in its 2005 Professional Services operating budget category.

In 2005, Professional Services, an operating expenditure account, is funded at \$1,904,360, which includes \$404,360 for Cross Connection Program commercial and residential inspections.

\$205,000 for DNS non-residential inspection service contract

\$199,360 for residential inspection outside service contract

**\$404,360 total 2005 commercial and residential inspection contracts**

This amendment eliminates \$199,360 from the Water Works Professional Services budget line that would have funded the now deleted cross-connection program inspection services. It further eliminates the need to withdraw \$199,360 from Water Works retained earnings.

#### IMPACT

This amendment reduces the operating budget for the Water Works enterprise fund by \$-199,360, but has no impact on the property tax levy or the tax rate.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Special Purpose Account	-\$150,000	-\$150,000	-\$0.007

**AMENDMENT INTENT** – This amendment reduces the Wages Supplement Fund by \$150,000.

**OVERVIEW**

1. The Wages Supplement Fund special purpose account is to fund anticipated wage and fringe benefit shortages resulting from negotiated collective bargaining agreement.
2. In any given budget year, the amount of available carryover from prior year budgeted amounts reduces current year funding requirements. The following table shows actual experience and total funding availability between 1992 and 2003.

Year	Carryover	Budgeted Amount	Total Available	Transfers*
1992	16,522,727	7,768,216	24,290,943	6,475,527
1993**	0	12,998,000	12,998,000	2,038,668
1994	9,600,000	15,000,000	24,600,000	11,646,830
1995	11,700,000	16,200,000	27,900,000	26,003,694
1996	1,896,306	15,977,368	17,873,674	22,379,985***
1997	0	3,400,000	3,400,000	2,763,717
1998	636,283	11,050,000	11,686,283	3,379,047
1999	8,307,236	9,000,000	17,307,236	11,381,916
2000	11,381,916	18,555,000	29,936,916	31,583,858****
2001	0	19,938,000	19,938,000	12,795,463
2002	12,795,463	14,419,500	27,214,963	3,950,137
2003	23,264,826	18,570,000	41,834,826	32,181,841

\*Transfers represent allocations to specific departmental wage and salary accounts, and are a proxy for Budget consumption.

\*\* 1993 transfers are relatively low because very few collective bargaining agreements had been settled.

\*\*\*Large amounts were withdrawn for end of the year 1996 due to collective bargaining agreements. All 1997 accounts were budgeted at 1996 wage levels, except for Police and Fire, which were budgeted at 1997 wage levels. The WSF was supplemented with a \$4,537,882 Contingent Fund appropriation in 1996.

\*\*\*\*The Contingent Funded supplemented the account with \$1,646,942 in 2001.

3. The 2005 Proposed Budget provides \$19,450,000 for the Wage Supplement SPA, an increase of \$120,772, 0.6%, from the \$19,329,228 provided in the 2004 Budget. The primary reason for the increase in funding is for the anticipated wage and fringe benefit increases resulting from collective bargaining agreements. The 2005 Proposed Budget is based on the 2002 wage agreement.

**IMPACT**

1. This amendment reduces the Wages Supplement Fund special purpose account by \$150,000.
2. The budget and tax levy impact is decreased by \$150,000. The tax rate is reduced by \$0.007 per \$1,000.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Borrowing Authorizations	\$+0	\$+0	\$+0

**AMENDMENT INTENT**

The amendment increases the borrowing authorization for contingent borrowing by \$20 million, increases the borrowing authorization for delinquent tax borrowing by \$2 million and changes borrowing to authorize the City to borrow for RAN purposes under s.67.12 (12) Wis. Stats as General Obligation Notes.

**OVERVIEW**

This amendment changes the following 2005 borrowing authorizations:

**Contingent Borrowing**

The amendment increases the 2005 Contingent Borrowing Authorization from \$30 million to \$50 million. The primary purpose of the authorization is to permit a direct means for the PDAF to purchase and cancel debt, without using any of the existing Contingent Borrowing Authorization. The amount of the borrowing that replaces the existing method for PDAF draws would have no levy impact. Any borrowing issued, but not cancelled, would have a budget impact, but the purpose would first require authorization of the Common Council.

**Delinquent Tax Fund Borrowing**

The 2004 Budget includes \$15 million in borrowing authorization for delinquent tax financing. The City could have used approximately \$15.5 million. 2004 initial collections show delinquencies 10% above the prior year. Assuming a 10% increase in delinquencies, that would require \$17 million of delinquent tax financing in 2005.

Since debt service on delinquent tax financings is paid from the delinquent tax fund, there is no immediate change to the debt levy or general fund levy. Increasing the amount of delinquent tax borrowing does increase future expense of the delinquent tax fund, however that is the result of increased delinquent taxes, and not a result of the borrowing. Much of the increased expense is offset by the future additional collections of the delinquent tax fund.

**Change RAN borrowing to include borrowing under s. 67.12(12), Wis. Stats.**

RAN Borrowing is currently permitted under s.67.12 (1) Wis. Stats. That section of the statutes requires a "revenue" borrowing. Alternatively, the City could borrow for RAN purposes under 67.12(12) as General Obligation Notes.

The proposed change would have no levy impact, but would give the City more flexibility to structure a financing in the City's best interest.

## **IMPACT**

The amendment increases the 2005 Contingent Borrowing Authorization from \$30 million to \$50 million, increases borrowing authorization for delinquent tax financing by \$2 million and changes RAN borrowing to include borrowing under 67.12(12).

There is no tax levy impact to these changes.

DEPARTMENT	BUDGET EFFECT	TAX LEVY EFFECT	TAX RATE EFFECT PER \$1,000
Tax Stabilization Fund	\$0.00	\$-300,000	\$-0.014

**AMENDMENT INTENT**

**To increase the withdrawal from the Tax Stabilization Fund by \$300,000 for property tax relief**

**OVERVIEW**

1. The Tax Stabilization Fund (TSF) is the portion of unrestricted general fund balance not designated for a specific purpose.
2. Withdrawal from the TSF serves as a revenue item in the budget, and offsets the amount of property tax levy that would otherwise be required.
3. The 2005 proposed budget TSF annual withdrawal of **\$16,321,000** would leave a remaining available balance of **\$18,000,000** prior to 2004 regeneration. The proposed withdrawal does not include **\$550,000** in anticipation of recognition by the Comptroller and will only be transferred in the event that the proposed Assessor's Office appraisal service charge is not adopted.
4. This amendment will increase the withdrawal from the Tax Stabilization Fund by \$300,000 to a total withdrawal to **\$16,621,000** for property tax relief and reduce the tax rate by \$0.014 per \$1,000 of assessed value. Additionally, this TSF withdrawal increase will leave a remaining available balance of **\$17.7 million** prior to 2004 regeneration.
5. The amount for TSF regeneration and made available for 2006 and future years will not be determined until after the closeout of the 2004 fiscal year in spring of 2005.
6. This amendment will require an accompanying resolution to be adopted by the Common Council.

**EFFECT**

The budget effect of this amendment is \$0.00.

The tax levy effect of this amendment is \$-300,000.

## **OTHER INFORMATION**

The Government Finance Officers Association (GFOA) has recommended that local governments establish policies regarding the ongoing level and utilization of unrestricted fund balances.

A draft TSF policy was proposed with the 2002 budget. This proposed formal policy requires a minimum TSF balance that is equal to 5% of the last three-year average general fund experience. If the fund balance falls below that level, withdrawals for tax purposes will be limited to prior year fund regeneration. Although the city has maintained a balance of 5% on an informal basis that was consistent with recommended practices, no formal policy exists.

The 2005 proposed TSF withdrawal follows the current informal policy guidelines by maintaining the TSF balance at 5% of general fund expenditures. The TSF will require a minimum regeneration of approximately \$8.43 million in 2005 in order to conform to this informal policy, assuming that this amendment and the proposed Assessor's Office appraisal service charge is adopted.

**AMENDMENT 2 (F)**

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
DEPARTMENT OF ADMINISTRATION – INTERGOVERNMENTAL RELATIONS DIVISION	-\$63,032	-\$63,032	-\$0.003

**AMENDMENT INTENT**

The intent of this amendment is to eliminate position authority and funding for the Legislative Liaison Director position in DOA's Intergovernmental Relations Division, and to add \$30,000 in funding for intergovernmental relations consultant services.

**OVERVIEW**

1. In 2004, reorganization of the Department of Administration resulted in elimination of the Intergovernmental Relations Division and assignment of this Division's duties to the newly-created Budget and Policy Division. In conjunction with this reorganization and with the change in City administration, the position of Legislative Liaison Director, which formerly supervised the Intergovernmental Relations Division, was funded for only one-third of the year.
2. Common Council File Number 040518, passed September 21, 2004, assigned responsibility for intergovernmental relations services to a recreated "division of intergovernmental relations." It further provided that the newly-created division shall be under the supervision of an "intergovernmental relations director."
3. The 2005 Proposed Budget includes position authority and full-year funding for the position of Legislative Liaison Director.

**IMPACT**

1. This amendment eliminates position authority, funding, direct labor hours and FTEs for the Legislative Liaison Director position, for a savings of \$93,032. Since the Code of Ordinances was recently revised to create an "intergovernmental relations director" position, further revisions to the Code of Ordinances may be necessary to effectuate this amendment.
2. This amendment also adds \$30,000 in funding in DOA-Intergovernmental Relations Division's operating budget for the purchase of intergovernmental relations consulting services in 2005. These consulting services are intended to take the place of activities that would have been performed by the Legislative Liaison Director position.
3. The net impact of this amendment is a reduction of the 2005 Budget by \$63,032, for a tax rate impact of -\$0.003 per \$1,000 assessed valuation.

**AMENDMENT Sub 10A (F)**

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Common Council-City Clerk	+\$0	+\$0	+\$0.000

**AMENDMENT INTENT** – The intent of this amendment is to eliminate funding for the Council member travel budget, and combine the funds with \$210,000 for mailings in a renamed Travel/Newsletter Printing Fund, dividing the funding equally among the 15 Council members in the new fund.

#### **OVERVIEW**

1. The 2005 Proposed Budget provides \$17,000 in funding for Council member travel in the Aldermanic Travel special fund and also includes \$210,000 in funding for all aldermanic mailings (letters, post card surveys and newsletters) in Other Operating Services.
2. In the 2004 Budget, after the spring election, \$175,005 (in Other Operating Services) in funding was available for all mailings which include letters, cost of postage and bulk mailings (over 1,000 items). Each Council member is allocated \$11,667 for their mailings.
3. In the 2005 Proposed Budget, \$210,000 is available for all mailings. Each Council member is allocated \$14,000 for their mailings.
4. The Aldermanic Travel special fund was created in the 2002 City Clerk's budget due to the elimination of two special purpose accounts, the Seminar Fund and Wisconsin League of Municipalities Meetings, that were used to fund all city departmental costs for seminar, convention and travel costs. In 2003 it was funded at \$39,000. For 2004, the amount was reduced to \$17,000 to help address the city's current financial difficulties.
5. This amendment changes the name of the Aldermanic Travel special fund to the Aldermanic Travel/Newsletter Printing special fund. It also combines the \$17,000 originally allocated to Aldermanic Travel with the \$210,000 allocated for aldermanic mailings into the new fund and divides the amount equally among the 15 Council members. Each member would receive \$15,133.
6. All expenditures associated with Council member travel must be approved by the Finance and Personnel committee and the Common Council.
7. The approval of this amendment will require a resolution stating that the fund must be equally divided among the Council members.

#### **IMPACT**

1. This amendment changes the name of the Aldermanic Travel special fund to the Aldermanic Travel/Newsletter Printing special fund and combines the \$17,000, originally allocated to the Aldermanic Travel Fund with the \$210,000 allocated in the Other Operating Services for a total of \$227,000 in the Aldermanic Travel/Newsletter Printing special fund, to be equally divided among the 15 Council members.
2. The change will not impact budget and tax levy. The tax rate remains the same.
3. A resolution is necessary to state the fund must be equally divided among the Council members.

AMENDMENT 19F

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Economic Development Fund-SPA	+\$150,000	+\$150,000	+\$0.007

**AMENDMENT INTENT** – This amendment provides an additional \$150,000 for the Economic Development Committee Fund special purpose account.

#### **OVERVIEW**

1. The 2005 Proposed Budget provides the Economic Development Committee Fund special purpose account, in the Common Council-City Clerk's Office, \$20,000.
2. The Economic Development Committee Fund special purpose account supports costs related to advertising and marketing the City for industrial and commercial development, business attraction and retention and tourism.
2. Expenditures are usually for mailings, publications, travel displays, marketing and studies of economic development opportunities.
3. After the Community and Economic Development Committee and Common Council approves a budget, the City Clerk's Office administers the account.

#### **IMPACT**

1. This amendment provides an additional \$150,000 for Economic Development Committee Fund special purpose account, in the Common Council – City Clerk's office on Council initiatives related to economic development, and for industrial and commercial.
2. The budget and tax levy impact will increase by \$150,000. The tax rate impact will increase by \$0.007 per \$1,000.

AMENDMENT 20(F)

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Special Purpose Account: Business Improvement Districts	\$-18,000	\$-18,000	\$-0.001

#### AMENDMENT INTENT

This amendment reduces funding for BID No. 2 by \$18,000 from \$36,000 to \$18,000.

#### OVERVIEW

The tax levy impact from the Business Improvement Districts special purpose account varies; the funding decision is discretionary. In some cases, the City has contributed tax levy funding for BIDs. City support increased from \$39,246 in 1990, to \$130,000 during 1997 and 1998, and annual city support rose to \$169,000 from 1999 to 2004.

The 2005 Proposed Budget provides \$187,000, reflecting the first increase since 1999. The \$18,000 increase is due to a proposed increase in city contribution for BID No. 2 (Historic Third Ward) from \$18,000 to \$36,000. As part of the City budget process, the City of Milwaukee has been requested to reimburse \$30,000 for bond funds for the Water Street parking structure, contribute \$18,000 in support of the District and \$42,000 for its portion of Riverwalk maintenance fees (BID No. 2 2005 Operating Plan, File 040720). The plan also stipulates that, "if for any reason, the City does not authorize in its budget process the contribution of exactly \$42,000, then the proposed assessments shall be changed using the formula shall change so that the City contribution and the assessments total \$584,288."

The total requested city contribution for BID No. 2 equals \$60,000, or \$24,000 more than funded in the 2005 Proposed Budget BID SPA, and \$42,000 more than would be funded if this amendment were to be adopted.

#### IMPACT

Special Purpose Account budget have a tax levy impact. This amendment decreases the budget and property tax levy by \$-18,000, and decreases the tax rate by \$-0.001.

By adopting this amendment, city contributions to the total 2005 BID Special Purpose Account decreases by \$-18,000 to \$169,000 from the \$187,000 proposed.

## 2005 PROPOSED BUDGET BID FUNDING

The 2005 Proposed budget separates total Business Improvement District funding amongst the Business Improvement District Special Purpose Account and an Economic Development Fund special revenue fund, capital funding excluded.

AMENDMENT 21(F)

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Special Purpose Account: Business Improvement Districts	\$+24,000	\$+24,000	\$+0.001

**AMENDMENT INTENT**

This amendment increases funding for BID No. 2 by \$24,000 from \$36,000 to \$60,000.

**OVERVIEW OF DCD INTENT**

The Department of City Development, through Michael Wisniewski, requests that the city provide \$60,000 in funding for maintenance of city facilities in BID #2 in '05, instead of \$36,000. This includes:

1. The usual amount of **\$18,000** for city street improvements;
2. **\$18,000** for the city's contribution to cover the cost of maintenance for the 2004 riverwalk at the end of Buffalo Street and the city property at 401 N. Water St. which was inadvertently left out of the 2004 budget;
3. **\$18,000** for the 2005 contribution for maintenance for the same properties in connection with the riverwalk; and
4. **\$6,000** to maintain the Riverwalk Connector beneath Clybourn Street, which is currently under construction, but will be used next year.

According to Wisniewski, if the city's contribution for BID #2 is not increased from \$36,000 to \$60,000, the city would still pay the costs, but using Department of Public Works budget versus the Business Improvement District special purpose account.

The annual BID Operating Budgets should include the exact amount of city contribution commitments (funded in the Business Improvement District Special Purpose Account) and assessments (funded in the Economic Development Fund Special Purpose Account). Any variances would require amendments to the annual city budget, the annual BID Operating Plan, or both. Various Common Council Committees normally hear those matters, outside the budget process. Title only files 040720 and 040780 pertaining to BID #2 are awaiting committee hearings.

**OVERVIEW OF BUSINESS IMPROVEMENT DISTRICT SPECIAL PURPOSE ACCOUNT**

The tax levy impact from the Business Improvement Districts special purpose account varies; the funding decision is discretionary. In some cases, the City has contributed tax levy funding for BIDs. City support increased from \$39,246 in 1990, to \$130,000 during 1997 and 1998, and annual city support rose to \$169,000 from 1999 to 2004.

The 2005 Proposed Budget provides \$187,000, reflecting the first increase since 1999. The \$18,000 increase is due to a proposed increase in city contribution for BID No. 2 (Historic Third Ward) from \$18,000 to \$36,000. As part of the City budget process, the City of Milwaukee has been requested to reimburse \$30,000 for bond funds for the Water Street parking structure, contribute \$18,000 in support of the District and \$42,000 for its portion of Riverwalk maintenance fees (BID No. 2 2005 Operating Plan, File 040720). The plan also stipulates that, "if for any reason, the City does not authorize in its budget process the contribution of exactly \$42,000, then the proposed assessments shall be changed using the formula shall change so that the City contribution and the assessments total \$584,288." According to DCD, the DPW would actually absorb any city contribution shortfalls.

## IMPACT

Special Purpose Account budget have a tax levy impact. This amendment increases the budget and property tax levy by \$+24,000, and increases the tax rate by \$+0.001.

By adopting this amendment, city contributions to the total 2005 BID Special Purpose Account increases by \$24,000 to \$211,000 from the \$187,000 proposed.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Milwaukee Public Library	\$0	\$0	\$0.000

**AMENDMENT INTENT** – This amendment eliminates the CDBG reprogramming fund allocation to the Community Outreach and Technology Center. This amendment reduces hours at Center Street Library from 52 to 35 hours per week by eliminating \$110,000 in funding for positions, operating expenses and equipment purchases at the facility.

**OVERVIEW**

1. The 2005 Proposed Budget provides Milwaukee Public Library (MPL) \$20,421,230 in funding, a decrease of 3.6%, from the \$21,191,333 provided in the 2004 Budget. The number of authorized positions decreases to 403, -1.5%, from the 409 authorized in the 2004 Budget.
2. The Community Outreach and Technology Center is located at Center Street Library. In 2003, the Center Street Library, funded through CDBG entitlement funding, became the Community Outreach and Technology Center by increasing its support for computers and technology information resources for the public. The enhancements focused on resume services, computer tutoring, employment searches and general computer resource assistance.
3. It is anticipated that the Community Outreach & Technology Center will be funded by CDBG through \$496,000 in entitlement and \$110,000 in reprogramming. The grant will fund 8 positions and the breakdown includes:

Salaries and wages	\$342,390
Fringe benefits	123,018
Other Costs	140,592
<b>Total</b>	<b>\$606,000</b>

4. The 2005 funding of \$606,000 is \$113,569, an increase of 23.1%, from the \$492,431 in the 2004 Budget.

**IMPACT**

1. This amendment eliminates \$110,000 CDBG reprogramming funds allocated to the Community Outreach and Technology Center. The elimination of CDBG reprogramming funds will reduce the hours at Center Street Library from 52 to 35 hours per week by eliminating funding for positions, operating expenses and equipment purchases at the facility.
2. The Librarian III and Library Reference Assistant positions will be eliminated.
3. The grant funding does not impact the budget and tax levy. The tax rate will not change.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Milwaukee Public Library	+\$110,000	+\$110,000	+\$0.005

**AMENDMENT INTENT** – This amendment eliminates \$110,000 of CDBG reprogramming funds allocated to the Community Outreach and Technology Center (Center Street Library) and provides \$110,000 in tax levy funding in its place.

## **OVERVIEW**

1. The 2005 Proposed Budget provides Milwaukee Public Library (MPL) \$20,421,230 in funding, a decrease of 3.6%, from the \$21,191,333 provided in the 2004 Budget. The number of authorized positions decreases to 403, -1.5%, from the 409 authorized in the 2004 Budget.
2. The Community Outreach and Technology Center is located at Center Street Library. In 2003, the Center Street Library, funded through CDBG entitlement funding, became the Community Outreach and Technology Center by increasing its support for computers and technology information resources for the public. The enhancements focused on resume services, computer tutoring, employment searches and general computer resource assistance.
3. It is anticipated that the Community Outreach & Technology Center will be funded by CDBG through \$496,000 in entitlement and \$110,000 in reprogramming. The grant will fund 8 positions and the breakdown includes:

Salaries and wages	\$342,390
Fringe benefits	123,018
Other Costs	140,592
<b>Total</b>	<b>\$606,000</b>

4. Without \$110,000 in funding, the hours at Center Street Library will be reduced from 52 to 35 hours per week, a Librarian III and Library Reference Assistant positions will be eliminated, and operating expenses and equipment purchases at the facility will be reduced.
5. This amendment eliminates \$110,000 in CDBG reprogramming funds and provides \$110,000 in tax levy funds for Center Street Library in its place.

## **IMPACT**

1. This amendment eliminates \$110,000 CDBG reprogramming funds allocated to the Community Outreach and Technology Center, Center Street Library of the Milwaukee Public Library and provides \$110,000 in tax levy funding.
2. The budget and tax levy will increase by \$110,000. The tax rate will increase by \$0.005 per \$1,000.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Milwaukee Public Library	\$0	\$0	\$0.000

**AMENDMENT INTENT** – This amendment eliminates CDBG reprogramming funds allocated to Mobile Library Technology Services. This will eliminate bookmobile service by eliminating \$244,000 in funding for positions, operating expenses and equipment purchases for the program.

### **OVERVIEW**

1. The 2005 Proposed Budget provides Milwaukee Public Library (MPL) \$20,421,230 in funding, a decrease of 3.6%, from the \$21,191,333 provided in the 2004 Budget. The number of authorized positions decreases to 403, -1.5%, from the 409 authorized in the 2004 Budget.
2. The Mobile Library Technology Services, the Bookmobile, is part of the Mobile Library and Outreach Services. The bookmobile was retrofitted with computers for educational technology. The enhancements included laptops, printers, cabling and Internet.
3. The Bookmobile has been funded by CDBG since 2002, providing library service in the CDBG strategic areas. In 2002, the program received CDBG 2001 entitlement reprogramming funding \$253,471. In 2003, the program received \$248,717 in 2003 CDBG entitlement funding. In 2004, the program received \$257,000 in CDBG entitlement funding.
4. In the 2005 Proposed Budget, the department anticipates receiving \$244,000 through 2004 CDBG reprogramming funding. The grant will fund 5 positions and the breakdown includes:

Salaries and wages	\$146,400
Fringe benefits	51,972
Other Costs	48,068

### **IMPACT**

1. This amendment eliminates all CDBG reprogramming funds allocated to Mobile Library Technology Services. The elimination of funds will discontinue all positions, operating expenses and equipment purchases for the bookmobile program.
2. The department indicates that some bookmobile personnel will bump down to their previous positions, resulting in 2 possible layoffs for the incumbents of bumped positions.
3. All funding for the bookmobile is provided by CDBG reprogramming funds. The elimination of CDBG reprogramming funds does not impact the budget or tax levy. The tax rate will not change.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Milwaukee Public Library	+\$705,000	+\$705,000	+\$0.032

**AMENDMENT INTENT** – The intent of this amendment is to restore funding for the book and acquisitions budget.

### **OVERVIEW**

1. The 2005 Proposed Budget provides \$1.3 million in funding for library materials. This is a decrease of \$704,213, 35.1%, from the \$2,004,213 provided in the 2004 Budget. The material is for Central and 11 of the Neighborhood Branches. (Center Street is funded through CDBG.)
2. This amendment restores \$705,000 in funding for library materials.
3. Library materials include books, subscriptions, serials, audio visuals and electronic databases for adults, young adults and children, reference and popular, fiction and non-fiction. A popular item may be in hardcover, paperback, audio-cassette, cd, large print, or Spanish. In 2003, MPL spend \$2,025,918 in library materials.
4. The estimated breakdown for the materials budget of \$1.3 million includes:

45.0%	\$585,000	Books
40.0%	\$520,000	Subscriptions and standing order serials
15.0%	\$195,000	Electronic reference databases.

5. In the past, the library materials account included approximately 15% – 19% of funding for Audio, CD, Video and DVD. In 2004, the allocation for Audio, CD, Video and DVD's was estimated at \$209,000.
6. Due to the large decrease in the library materials budget, MPL anticipates that the Library Foundation will provide contributions for this material. A funding amount for 2005 has not been established yet.

### **IMPACT**

1. This amendment restores \$705,000 in funding to MPL for the purchase of library materials.
2. The increase to the book budget will add \$705,000 to the budget and tax levy impact. The tax rate will increase by \$0.032 per \$1,000.

Milwaukee Public Library	+\$428,998	+\$428,998	+\$0.019

**AMENDMENT INTENT** – The intent of this amendment is to restore hours at Central and all Neighborhood Branch libraries.

#### **OVERVIEW**

1. The 2005 Proposed Budget provides Milwaukee Public Library (MPL) \$20,421,230 in funding, a decrease of 3.6%, from the \$21,191,333 provided in the 2004 Budget. The number of authorized positions decreases to 403, -1.5%, from the 409 authorized in the 2004 Budget.
2. The budget includes a reduction of Central Library hours. Hours will be reduced from 63 hours per week to 57 hours per week. The library will be closed at 5:30 p.m. on Wednesday and Thursday evenings. The reduction will have the least impact on patrons since these evenings are the least used. The reduction of hours estimates a savings of \$72,000.
3. The budget includes a reconfiguration and reduction of neighborhood library hours. Hours at most branches are reduced to the range from 35 to 54 hours per week during the winter. Current branch hours range from 53 to 60 hours per week during the winter. The change in hours in branch hours will save approximately \$357,000 in 2005. The summary of proposed weekly hours for the branches include:

#### **PROPOSED 2005 WEEKLY HOURS**

Library	Current Hrs.	2005 Hrs.
Atkinson	53	35
Bay View	53	54
Capital	60	54
Center St.	53	52
East	56	54
Forest Home	53	42
Martin Luther King Jr.	53	35
Mill Road	56	54
Tippecanoe	53	42
Villard Ave.	53	42
Washington Park	53	54
Zablocki	60	54

#### **IMPACT**

1. This amendment restores hours at Central and all Neighborhood Branch libraries by funding additional supplies, services, library materials, position authority and FTE's.
2. The budget and tax levy impact will increase by \$428,998. The tax rate will increase by \$0.019 per \$1,000.

<b>DEPARTMENT</b>	<b>BUDGET IMPACT</b>	<b>TAX LEVY IMPACT</b>	<b>TAX RATE IMPACT PER \$1,000</b>
Mayor's Office	\$-79,154	\$-79,154	\$-0.004

**AMENDMENT INTENT**

This amendment reduces the staff salaries in the Mayor's Office to 2004 levels.

**OVERVIEW**

In 2003, the Common Council adopted 2004 budget amendments to reduce the number of authorized Staff Assistant to the Mayor positions from 5 to 2, downgraded salary grades for seven position titles, and set those base salaries at step 1. The expected cost savings is \$86,332.

To establish a new administration, Mayor Tom Barrett began recruiting staff to exempt positions soon after the April 20 inauguration. Several appointees are long serving city employees whose rates of pay were adjusted to not allow for lost base salary during the transition between administrations. Others were recruited under s. 12.d. of the Positions Ordinance, which permits recruitment of management employees at a rate above step 1, up to step 7 of the salary grade, when the Department of Employee Relations, with the concurrence of the Chair or Vice Chair of the Finance and Personnel Committee, authorize such appointment. A listing of appointments made pursuant to this provision shall be communicated to the Finance and Personnel Committee.

In 2005, proposed funding for Total Salaries and Wages Before Adjustments increases by \$51,688 or 7.2%, to \$769,654 from \$717,966 authorized in 2004. The table on page 3 shows Mayor's Office staff salaries for years 2004 and 2005, according to budget documents and the June 2004 VOI.

This amendment attempts to reduce the 2005 budgeted rates of pay for the management staff salaries in the Mayor's Office to 2004 budget levels (see attached table).

**IMPACT**

Passage of this amendment reduces the budget and the property tax levy by \$-79,154 each, and reduces the tax rate \$-0.004.

**OTHER INFORMATION**

Although the legislative intent is to reduce base salaries for the following incumbents, the salary ordinance regulates rates of pay, therefore, incumbents would not lose base pay. Other budget lines would compensate for salaries and wage budgeted shortfalls resulting from passage of this amendment.

## **MAYOR'S OFFICE STAFF, EFFECTED BY SALARY REDUCTION AMENDMENT**

Police	\$350,000	\$350,000	\$0.016

**AMENDMENT INTENT**

**To provide overtime funding and FTEs to create a Community Policing Initiative**

**OVERVIEW**

1. This amendment will provide \$350,000 in the police department overtime account to create a *Community Policing Initiative*.
2. This MPD overtime funding will be controlled by the Chief of Police and utilized at the discretion of the Chief.

**EFFECT**

The budget effect of this amendment is \$350,000.

The tax levy effect of this amendment is \$350,000.

**OTHER INFORMATION**

1. The funding provided in this amendment will be added to the overtime line in the MPD salary account.
2. Examples of community policing include bicycle and beat patrols and are not exclusive of other options that the Chief of Police may consider to fulfill the intent of this overtime funding provision.

**AMENDMENT INTENT**

**To provide funding and FTEs to move the start of the proposed Police Officer recruitment class to the third week of August 2005**

**OVERVIEW**

1. This amendment will provide funding and FTEs to move the start of the proposed Police Officer recruitment class to the third week of August 2005.
2. This amendment will provide salary, funding, FTE's and direct labor hours for a start date for this police recruit class, August 15, 2005, Pay Period 18.

**EFFECT**

The budget impact of this amendment is \$+629,202.

The tax levy impact of this amendment is \$+629,202.

**OTHER INFORMATION**

1. Historically, the start dates for classes depend upon various factors including vacancies, position authorization, the completion of recruit background checks and completion of paperwork, instructor availability and budget concerns. For 2005, the police officer recruit training class is scheduled to begin with Pay Period 25, late November 2005.
2. Police recruit classes vary in size with the most common recruit and enrollment goal being 60 recruits per class.
3. The first Police class for 2004 began on April 12, 2004 and graduated on September 10, 2004 with 59 recruits. A second class is planned to commence on December 6, 2004 with a target group of 60 recruits and graduation in May 2005.

**To create a Special Purpose Account to include \$95,000 for the Milwaukee Alliance Community Prosecution activities in the second police district**

**OVERVIEW**

1. This amendment will create a Special Purpose Account to include \$95,000 for the Milwaukee Alliance Community Prosecution activities in the second police district.
2. This SPA, under control of the Common Council, will provide funding for the payment of the Milwaukee County District Attorney efforts relating to the prosecution of nuisance activities that impact the quality of life of neighborhood residents.
3. These funds are to be spent on community prosecution activities within the Milwaukee area encompassed by the second police district.
4. This SPA budget will include a footnote as follows: "Funds to be released upon Common Council approval of contract with the Milwaukee Alliance for Community Prosecution.

**EFFECT**

The budget effect of this amendment is \$+95,000.

The tax levy effect of this amendment is \$+95,000.

**OTHER INFORMATION**

The 2005 Community Development Block Grant budget contains \$190,000 for "Community Prosecution" activities: \$95,000 on the North Side in the Harambee area and \$95,000 on the South Side in an area encompassing the 2<sup>nd</sup> and 6<sup>th</sup> (South 27<sup>th</sup> and Oklahoma) police districts. This SPA will fund another \$95,000 for community prosecution on the South Side, thereby increasing allocation for this activity to \$190,000 on the South Side.

**AMENDMENT 49(F)**

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
DPW-Administrative Services	\$-67,940	\$-67,940	\$-0.003

**AMENDMENT INTENT**

The intent of this amendment is to reduce DPW Administrative Services Division's Professional Services account by \$67,490, thereby returning the funding amount to the level provided for in the 2004 Budget.

**OVERVIEW**

By the fall of 2003, all Sanitation-related calls for service were answered at the DPW Call Center. In addition, the Call Center processes forestry-related service calls and street maintenance and street lighting service calls. For 2003, the Call Center answered 192,609 calls. The 2003 total represents a 12% increase over 2002 totals. Through September of 2004, the Call Center has received over 167,500 calls and is projected to receive a total of 220,000 by the end of 2004.

The 2004 Budget provided funding for five positions in the Call Center. One of those positions is currently vacant. DPW is holding this position vacant until the decision is made on the department's proposal for changing special collections. In addition, DPW has been utilizing three temporary personnel positions throughout 2004 to process the increased volume of service calls.

In the 2005 Requested Budget, DPW planned to shift three Field Headquarters Coordinator positions (eliminated in the 2005 proposed Sanitation Section budget) to the Call Center to assist in handling the increased call volume, thereby reducing the need for the three temporary positions. However, under the proposed change in the collection of bulky items as provided for in the 2005 Proposed Budget, the number of requests for special collections is expected to decrease. Consequently the Proposed Budget was modified from the Requested Budget, by eliminating the funding for the three Field Headquarters Coordinator positions (and position authority for two) and, instead, providing funding for three temporary positions. This provides the department more flexibility in assigning temporary personnel to reflect changes in call volume.

The 2005 Proposed DPW Administrative Services Division's Professional Services account increases from \$75,600 to \$143,540. Of the \$143,540, \$86,000 is provided to fund temporary personnel (approximately 3 positions). In 2002, DPW Administrative Services expenditures for the use of temporary personnel totaled \$86,300, in 2003 expenditures totaled \$62,300 and 2004 year- to -date expenditures total over \$71,000.

**IMPACT**

If the amendment is adopted, DPW will not be able to utilize temporary personnel to process service requests. Consequently, it will take significantly longer to answer citizens' calls for

service. If citizen's calls to the DPW Call Center are not answered in a timely manner, calls to Common Council members and the Mayor's Office may increase.

**OTHER INFORMATION**

The 2005 Proposed DPW Administrative Services Division's Professional Services account also includes \$35,000 for employee drug testing.

<b>DEPARTMENT</b>	<b>BUDGET IMPACT</b>	<b>TAX LEVY IMPACT</b>	<b>TAX RATE IMPACT PER \$1,000</b>
DPW – Infrastructure Services Div.	+\$241,000	+\$241,000	+\$0.011

**AMENDMENT INTENT** – The intent of this amendment is to add funding to increase the street light burn time by 30 minutes (15 minutes in the a.m. and 15 minutes in the p.m.).

### **OVERVIEW**

1. In the Electrical Services Decision Unit of the DPW – Infrastructure Services Division, the 2005 Proposed Budget allocated approximately \$2.3 million for street lighting burn time in the Reimburse Other Departments account.
2. The Electrical Services decision unit oversees the operation, maintenance and installation of facilities and equipment related to street lighting, traffic control and street signage.
3. The 2005 Proposed Budget of \$2.3 million includes funding for street lighting, alley lighting, and lighting in the traffic signals. The 2004 Budget was funded at \$3.2 million.
4. This amendment adds funding to increase the street lighting burn time by 30 minutes. This is an additional 15 minutes in the morning and an additional 15 minutes in the evening.
5. The electrical energy cost is attributed to when the lights are burning. The breakdown is:

Peak time, 9 a.m. to 9 p.m.      Off-peak time of 9 p.m. to 9 a.m.

For every 5 minutes added in the evening, peak time before 9 p.m., the cost is approximately \$66,800. For every 5 minutes added in the morning, off-peak time before 9 a.m., the cost is approximately \$13,400. The cost to increase the street light burn time by 30 minutes is approximately \$241,000.

### **IMPACT**

1. This amendment adds \$241,000 in funding to increase the street lighting burn time by 30 minutes by adding an additional 15 minutes in the morning and 15 minutes in the evening.
2. The additional cost will add \$241,000 to the budget and tax levy impact. The tax rate will increase by \$0.011.

DPW-Infrastructure Services Div.	+\$20,000	+\$20,000	+\$0.001

**AMENDMENT INTENT** – This amendment provides \$20,000 for a Commercial District Crosswalk Pilot Project.

## **OVERVIEW**

1. The 2005 Proposed Budget provides DPW – Infrastructure Services Division \$21,241,921, a decrease of \$1,234,588, -5.5% compared to the \$22,476,509 provided in the 2004 Budget. The number of authorized positions changes to 702, -3.6%, 26 less than the 728 positions funded in the 2004 Budget.
2. The Infrastructure Services Division is responsible for the design, construction, and maintenance of streets and alleys, bridges, sidewalks, traffic control devices and streetlights. It coordinates transportation improvements with other governmental agencies and railroad companies, undertakes engineering studies and investigates various permits, plans, and easements.
3. The Commercial District Crosswalk Pilot project will analyze heavily used commercial crosswalks in 3 locations of the city, by vehicles and pedestrians. The locations will be analyzed to determine what type of physical improvements are necessary to make crosswalks safer for pedestrians and reduce vehicle accidents.

## **IMPACT**

1. This amendment provides \$20,000 in special funds for a Commercial District Crosswalk Pilot Project in the DPW-Infrastructure Services Division to analyze and determine improvements for safer crosswalks in commercial districts.
2. The budget and tax levy impact will increase by \$20,000. The tax rate will increase by \$0.001 per \$1,000.

2. The Infrastructure Services Division is responsible for the design, construction, and maintenance of streets and alleys, bridges, sidewalks, traffic control devices and streetlights. It coordinates transportation improvements with other governmental agencies and railroad companies, undertakes engineering studies and investigates various permits, plans, and easements.
3. In the budget, a Painter and a Laborer, Electrical Services personnel, were eliminated in the Field Operations – Support Services decision unit.
4. The elimination of these positions impacts the crosswalk painting program and will reduce the program by 50%. Crosswalks will be painted every other year rather than once a year.

**IMPACT**

1. This amendment restore the painting of cross walks and street lines by adding funding for supplies, position authority and FTE's to the Field Operations – Support Services decision unit.
2. The budget and tax levy impact will increase by \$46,688. The tax rate will increase by \$0.002 per \$1,000.

AMENDMENT 55F

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Capital—DPW—Infrastructure	-\$220,000	\$ 0	\$0.000
City Debt Budget	-\$ 4,180	-\$4,180	\$0.000
Total Impact	-\$224,180	-\$4,180	\$0.000

**AMENDMENT INTENT** – The intent of this amendment is to reduce capital improvements funding for the underground conduit and manhole program to the 2004 budget level.

## OVERVIEW

1. The 2005 Proposed Budget provides DPW – Infrastructure Services Division \$1 million in capital improvements funding for the Underground Conduit and Manholes Program. This is an increase of \$220,000, 28.2%, from the \$780,000 provided in the 2004 Budget. The 2005 funding is through \$977,950 in new borrowing and \$22,050 in cash levy and includes appropriation for employee fringe benefits allocable to capital projects.
2. The underground conduit and manhole program provides for the installation of permanent underground electrical conduits and manhole systems that provide secure weatherproof public safety cable circuit networks for various city agencies (DCD, DPW, Fire, Health, Police, etc.). Conduit installations are coordinated with street paving projects so a 46% cost savings can be realized over installations on non-paving projects.

## Other Information

1. Seven utilities currently lease underground conduits from the City. The City benefits from the revenue generated by the leasing agreements and by avoiding additional pavement cuts that would be required by a company to install its own conduit, if it could not use the City's system. The utilities and the terms of their leases are listed below.

COMPANY	LEASE TERMS	LEASE EXPIRES	ANNUAL FEE
1. TIME WARNER CABLE	17 YEAR RENEWABLE	DECEMBER 30, 2016	CURRENT RENTAL IS \$93,728.70 FOR 76,463 LINEAL FEET
2. TIME WARNER TELECOM	17 YEAR RENEWABLE	DECEMBER 13, 2016	CURRENT RENTAL IS \$12,224.70 FOR 18,730 LINEAL FEET
3. MCI METRO	4 YEAR RENEWABLE	MARCH 15, 2004 (Lease agreement pending)	CURRENT RENTAL IS \$7,674.20 FOR 528 LINEAL FEET
4. MCLEOD USA	4 YEAR RENEWABLE	DECEMBER 11, 2002- (Lease agreement pending)	CURRENT RENTAL IS \$84,254.80 FOR 47,234 LINEAL FEET NEW FEE - \$233,052
5. RVP FIBER COMPANY	4 YEAR RENEWABLE	JANUARY 23, 2003- (Lease agreement pending)	CURRENT RENTAL IS \$8,961 FOR 2,508 LINEAL FEET NEW FEE - \$16,426.22
6. TDS METROCOM	4 YEAR RENEWABLE	APRIL 29, 2006	CURRENT RENTAL IS \$34,546 FOR 7,710 LINEAL FEET
7. MIDWEST FIBER NETWORKS		(Lease agreement pending)	FOR 30 MILES OF CONDUIT

**IMPACT**

1. This amendment reduces the capital improvements funding by \$220,000 for the underground conduit and manhole program in DPW-Infrastructure Services from \$1 million to \$780,000, the same level of funding provided in the 2004 Budget.
2. The total reduction for the capital improvements project is \$224,180. The tax levy impact is reduced by \$4,180. The tax rate remains the same at \$0.000 and the city debt interest is reduced by \$4,180.

AMENDMENT 65 (F)

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
DEPARTMENT OF PUBLIC WORKS – OPERATIONS DIVISION	-\$442,756	-\$8,256	-\$0.000

**AMENDMENT INTENT**

The intent of this amendment is to reduce capital funding for concealed irrigation systems and general landscaping work in City boulevards to the 2004 funding level.

**OVERVIEW**

1. The capital improvements budget includes a line item for “Concealed Irrigation & General Landscaping/City Boulevards.” This account, which is administered by DPW-Operations Division, Forestry Section, funds the repair of concealed irrigation systems and drainage systems in City boulevards and the replacement of those systems when necessitated by street paving projects.
2. In the last 3 budget years, funding for this capital item was as follows:

Year	New Borrowing	Carryover Borrowing	Cash Levy	Total
2002	\$372,062	---	---	\$372,062
2003	\$381,000	---	---	\$381,000
2004	---	\$381,000	\$196,500	\$577,500

3. The 2005 Proposed Budget allocates \$631,000 (new borrowing) for the boulevard irrigation and landscaping capital account. The Forestry Section attributes the increase from 2004 to the number of large street paving projects scheduled for 2005.

**IMPACT**

1. This amendment reduces the funding for the boulevard irrigation and landscaping capital account by \$434,500, from \$631,000 to \$196,500. The latter figure is the funding level for this account in the 2004 Adopted Budget.
2. The total impact of this amendment on the 2005 Budget is a reduction of \$442,756, which consists of a \$434,500 reduction in new borrowing authority and \$8,256 less interest on bonded debt.
3. Since the boulevard irrigation and landscaping capital account is funded by borrowing, rather than cash, the tax levy impact of this amendment is only -\$8,256 (the interest savings from eliminating \$434,500 in borrowing).

**AMENDMENT INTENT**

**To reduce the Tuition Reimbursement Fund Special Purpose Account from \$720,000 to \$700,000**

**OVERVIEW**

This amendment will reduce the Tuition Reimbursement Fund Special Purpose Account from \$720,000 to \$700,000.

This ongoing account is used to reimburse tuition costs for City employees. Specific maximum reimbursement levels are determined by collective bargaining. The annual maximum reimbursement depends upon the bargaining unit.

Benefits eligible for reimbursement include professional membership dues, eligible promotional and continuing education courses at approved centers/institutions of learning, conferences and conventions and DER-sponsored courses.

**EFFECT**

The budget effect of this amendment is \$-20,000.

The tax levy effect of this amendment is \$-20,000.

**OTHER INFORMATION**

The fund level is affected by the number of employees who take advantage of this benefit and by the level of reimbursement provided. Increases and decreases in course fees also have an impact.

DEPARTMENT	BUDGET IMPACT	TAX LEVY IMPACT	TAX RATE IMPACT PER \$1,000
Department of Public Works: Sewer Maintenance Fund Capital Improvement Budget	\$+126,000	\$+0.000	\$0.000

**AMENDMENT INTENT**

This amendment expands the proposed Flow Reduction Pilot Project in the DPW-Sewer Maintenance Fund to include a \$126,000 capital funded Retrofit Control Flow Roof Drainage pilot project.

**OVERVIEW**

Reducing the flow of water from flat roof buildings would reduce the discharge flowing into the combined sewers, and help alleviate sewer over-flows.

This amendment provides \$126,000 capital funding for a fourth Flow Reduction Project initiative in the DPW-Sewer Maintenance Fund capital improvement budget – retrofit control flow flat roof drainage pilot on 125 city-owned buildings including libraries, police stations, fire stations, City Hall, DPW facilities, Health Department clinics, MPS schools, and Housing Authority properties. (See list)

This amendment also provides for an inventory of other residential and commercial buildings within the combined sewer area for which this retrofit technology may also be feasible.

**IMPACT**

This amendment increases the Sewer Maintenance Fund enterprise budget by \$+126,000, but has no impact on the property tax levy or tax rate.

**OTHER INFORMATION**

The following Flow Reduction Projects, are proposed in 2005, at a total new borrowing cost of \$1,080,000 for three separate pilots, each intended to reduce the amount of clear water flowing directly into sanitary and combined sewers from residential properties and city streets. The projects' success are contingent upon targeted residential homeowners voluntarily disconnecting downspouts and/or footing drains in the Washington Park neighborhood and Lincoln Creek Watershed, and installing inlet restrictors in catch basins in the combined sewer area.

- \$300,000 – Downspout Disconnections
- \$275,000 – Inlet Restrictors and Downspout Disconnection
- \$505,000 – Footing Drain Disconnections (erroneous listed as \$550,000 in BMD analysis)

\$1,080,000 Funding proposed for original 3 pilots

Item

82-80

**DEPARTMENT OF PUBLIC WORKS-INFRASTRUCTURE AND OPERATIONS DIVISION**

To hard red circle the salaries of Wayne Johnson, Bridge Laborer I, and Ron Wilson, Clerk Dispatcher II. These employee's positions are eliminated in the 2005 proposed budget, and as a result, they will be filling a Laborer-Electrical Services position and an Office Assistant II position, respectively. This amendment is intended to protect these employees from salary reductions of approximately \$1,500 and \$6,000, respectively.
