Marissa,

DPW will formally object. Our take is no license should be renewed if money is owed. Kohn law firm handles the City's collections. They will keep us posted if the debt is settled before the hearing.

Got it—thank you. As a heads up, we are including this information in the Committee notice for Brew City as they are being scheduled for 9/5 at 9AM. If you would like to formally object, we suggest appearing for their hearing, otherwise, we'll simply be using it as a piece of information for the alders to make them aware of the outstanding payment.

**Subject:** Illegal towing in apartment complex

On Monday February 17 my vehicle was towed from my apartment complex by an unmarked tow truck company. I proceeded to go to the leasing office and asked why my vehicle was towed out of the lot if had the parking sticker provided by the leasing office. The male that worked in the office responded saying he doesn't know but the leasing manager has rapport with the towing company and when she gets back to the office they would call and let me know. Approximately 20 minutes later I was called by the leasing office and they stated it was due to my license plate being expired. The female leasing manager gave me the name and number of the contracted tow company and where it was located to pick up my vehicle. Upon arrival at the tow company I noticed that the name of the contracted company didn't match the name of the company that had my car. The contracted company is APY'S Towing and the tow company that took my vehicle and charged me was Brew City Towing. I'm reaching out to you to find out if this is legal for two different companies to work together in this way if the apartment complex is contracted through APY'S but Brew city is who towed my vehicle.

Finding: Guilty  
Sentence: Fine  
Date: 11/04/19

6. On 12/15/20 Milwaukee Police received information regarding an over charge of a non-consensual tow for a citizen at Brew City Towing, located at 4030 W. Douglas Av. Investigation revealed the tow was illegal as there was no signed contract with the apartment complex, nor proper posting of tow signs, as well as the overcharge for the vehicle owner being uninsured. The agent was cooperative and agreed to refund the citizens money.
7. On 12/24/20 Milwaukee Police were dispatched to Brew City Towing, located at 4030 W. Douglas Av., for a threat complaint. Investigation revealed a citizen complained that an employee on scene made verbal and bodily threats toward a citizen, causing the citizen to fear for their safety. Police requested to view the security cameras; however, employees denied having access or the ability to retrieve video. The agent was notified via telephone and was cooperative.
8. On 01/16/20 Milwaukee Police received information from a citizen, who's vehicle was towed from Save-a-lot parking lot, located at 6201 N. Teutonia, by a Tow Truck with the name "Apys" on the side. The tow was for illegally parking in a handicap parking spot. The citizen came out as the vehicle was being loaded on the truck bed and was yelling for the driver to put her car down, however, admitted the driver may not have heard her due to the noise of the truck. Milwaukee Police had prior knowledge that "Apys" is now "Brew City Towing", therefore, the officer contacted the agent of Brew City Towing and advised the agent of the drop fee and the improper name on the tow truck. The agent denied the name was improperly affixed, however, agreed to waive tow fees for the citizen.

=====

9. On 01/07/22, Milwaukee Police conducted follow up at 4030 W. Douglas Av., regarding a stolen vehicle from Minnesota. Officers interviewed the manager on scene, who stated they did tow the vehicle from a private tow lot and a check for stolen with DPW revealed it was not stolen. The manager further stated he did mail a 30-day letter to the registered owner, however, never heard back from the owner. Therefore, when the insurance company contacted the tow lot to retrieve the vehicle, the manager denied them access. Officers conducted an E-Time and NCIC check of the vehicle, which still depicted the vehicle as stolen. Officers provided this to the manager, however, he still insisted the vehicle was not stolen and it was determined there was an issue with DPW stolen auto reporting system. Due to the manager and employees obstructing the investigation and locking the car in a locked fenced area, officers applied for and were granted a search warrant to retrieve the stolen vehicle. A citation (0683713B04) was issued to the agent, however, could not be found in the system.
10. On 01/12/22 at 12:24p.m., Milwaukee Police conducted a License Premise check at 4030 W. Douglas., due to a citizen complaint regarding a non-consensual tow. Investigation revealed the citizens vehicle was parked in a private parking lot with a posted "No Parking" sign. During the investigation the employee and manager were evasive with the officer
11. On 01/28/22 at 9:00a.m., Milwaukee Police conducted follow up regarding Item #10, and advised the agent that despite the manager managing the day to day business, he is still the listed agent and is responsible for the business's best practices. The officer interviewed the insurance company involved and was provided a timeline of the incident, in which the insurance company tried to retrieve the vehicle. A citation (0683713B04) was issued, however, could not be found in the system.
12. On 02/04/23 at 2:15p.m., Milwaukee Police were dispatched to 4030 W. Douglas Av., for a Landlord/Tenant Trouble. Investigation revealed the caller had been renting out space from the lot and had 3 vehicles parked on the lot. Due to a dispute over past due rent, the manager was refusing to allow the tenant to take the vehicles until the rent was settled. The manager was uncooperative with police, however, finally allowed the tenant to take the vehicles after stating they were being bullied.
13. On 02/25/23 at 9:57a.m., Milwaukee Police were dispatched to 4030 W. Douglas Av., for a Landlord/Tenant Trouble. Officers interviewed the caller who stated they received a letter advising them to pick up the vehicle or pay impound fees. ### INITIAL INVESTIGATION

Parker, Michael A 018515

03/03/2023

This report was written by Police Officer Michael PARKER, assigned to District Four Day Shift.

On Friday, March 3rd, 2023, at 10:11 a.m., Squad 4141, Police Officer Jacob WASECHEK, and I were dispatched to a Subject with a Weapon at Brew City Towing and Recovery at 4030 W. Douglas Avenue, located in the City of Milwaukee.

Upon arrival, officers interviewed Leticia L. HOLMES (B/F, 07-24-1977) who stated earlier today that at approximately 9:10 a.m. she parked illegally at Save A Lot located at 6201 N. Teutonia Avenue.

HOLMES stated as she was entering the vestibule of Save A Lot, she observed a tow truck hooking up to her vehicle. HOLMES stated as she was going back to her vehicle the tow truck began to drive off with her vehicle. HOLMES stated she and a friend got into another vehicle and followed the tow truck to Brew City Towing. HOLMES stated once they arrived at Brew City she ran to her vehicle via an open gate and sat inside. HOLMES stated after a few moments she exited her vehicle and a Puerto Rican male subject later identified as Jaime J. BLAS (W/M, 01-07-1977) accused her of slashing tires on a tow truck. HOLMES stated a female subject later identified as Diane L. GALARZA (W/F, 10-27-1960) punched her 10 times to the face causing pain. HOLMES stated GLARZA then dragged her out beyond the fence and locked her out. HOLMES stated in the process of being dragged she lost her shoes and purse.

I observed HOLMES not wearing any shoes. I did not observe any visible injuries on HOLMES. HOLMES declined any medical attention. HOLMES pointed to both BLAS and GALARZA and made on-scene identifications.

I interviewed a witness, Chappell L. MADISON (B/F, 01-12-1984) who stated she observed HOLMES being

forced out of the fence. MADISON stated HOLMES did not have any knife in her possession. MADISON stated she did not observe any other part of this incident.

Officers interviewed GALARZA who stated she works for Brew City Towing and Recovery. GALARZA stated they towed a car into their lot for being parked illegally. GALARZA stated HOLMES was able to get into her vehicle and refused to exit. GALARZA stated after a while HOLMES exited her vehicle and slashed two tires on one of their tow trucks. GALARZA stated both she and her son, BLAS went to escort HOLMES out of the secure tow lot. GALARZA stated she never punched HOLMES but did force her outside the lot. GALARZA returned HOLMES's shoes and purse.

Officers interviewed BLAS who stated he was the owner of Brew City Towing and Recovery. BLAS stated his company has a contract with security at the Silver Mill Mall to tow vehicles that were parked illegally.

BLAS stated he towed HOLMES's vehicle for being parked in the fire lane. BLAS stated he towed HOLMES's vehicle inside the secure gated area of Brew City, but before they could close the gate HOLMES ran past the gate, entered her vehicle, and refused to get out. BLAS stated he kept HOLMES's vehicle hooked up to his tow truck to prevent her from driving away. BLAS stated after a while HOLMES exited her vehicle and stabbed two tires on his tow truck with a knife. BLAS stated his mother, GALARZA forced HOLMES outside the gate. BLAS stated GLARZA never punched HOLMES. P.O. WASECHEK observed the damaged tires on the tow truck.

I asked BLAS to view his video surveillance of this incident and he stated the system was going through an update. I was able to see the computer screen of the video surveillance and there was a message to continue. I asked BLAS to click on the continue button and that brought him to a login screen. BLAS then advised me that he did not have the password and would have to call someone. BLAS made no attempts to call anyone until I made repeated requests. BLAS then entered an incorrect password several times. BLAS suggested that we drop the investigation, and all parties go their separate ways. HOLMES however declined this offer and kept saying that she was assaulted. BLAS stated he was unable to enter the correct password to his video surveillance system. BLAS attempted to show me a video that was on his cell phone. BLAS kept moving the time on the video and would not allow me to view the entire video. I sent BLAS an invitation via Evidence.com so that he could upload the videos.

GALARZA was cited for Assault and Battery. (Citation# J981MT1TK1)

HOLMES was cited for Trespassing and Vandalism. (Citation# J981MT1TK2 AND, J981MT1TK3)

At approximately 12:30 p.m. HOLMES advised that a family member just sent her money to get her vehicle. HOLMES asked officers to stay on the scene so that she could go and retrieve the money and make sure there would be no more issues once she paid.

At approximately 1:00 p.m. HOLMES returned and paid \$373.00 to get her vehicle back. After paying, officers walked HOLMES back to her vehicle. HOLMES stated she had new damage to her vehicle. HOLMES pointed out the damage. I observed both rear tires to be flat. The sidewall on the rear driver's side had two small holes in them. Also, both front seats appeared to have been cut with a sharp instrument. HOLMES produced a photo on her cell phone of her daughter sitting in the back seat of her vehicle. I observed the front seats in this photo and there was no damage. HOLMES stated this photo

was taken on Thursday, March 2nd, 2023. I observed a large cut on the driver's seat that was not 100 percent cut through. There was a very small part holding this large cut from separating. This damage appeared to be fresh.

I am a trained (CST) Crime Scene Technician and took 20 photos of HOLMES's vehicle. The photos depict the vehicle and the damage. These photos were uploaded to Evidence.com.

The scene was an outside tow lot. This lot was secured by a 6-foot chain link fence. The lot was approximately 300 feet long by 100 feet wide. HOLMES's vehicle was parked approximately 150 feet north of the building backed up to the west fence. The only way inside this tow lot was via the south gate. There were surveillance cameras recording at the time of this incident.

Officers asked both BLAS and GALARZA if they were responsible for the new damage to HOLMES's vehicle. Both denied causing the damage. HOLMES was able to pull her vehicle out of the secure tow lot and park on the city street. While talking with HOLMES officers observed BLAS and GALARZA suddenly leave.

This case is pending.

### LICENSED PREMISE REPORT

Felix, Carlos 015476

03/09/2023

This report submitted by Officer Carlos Felix assigned to Squad 2742 at the License Investigation Unit (RST), Day Shift.

On March 3, 2023, officers responded to 4030 W. Douglas Ave., to investigate a Battery and Property Damage complaint. Officer Michael Parker, the investigating officer reported that after a female had her vehicle towed from a strip mall parking lot by Brew City Towing and Recovery there was an altercation at their lot. Officer Parker issued citations and filed report number 230620044 regarding that incident.

After receiving this information from District Four, Sgt. Julian Nunez. On March 8, 2023, at 3:00 P.M. I contacted Chris Davis of DPA security, the person who contracted Brew City to monitor the strip-mall lot. I advised Chris that an owner of a vehicle towed from the lot was battered and damaged caused to her vehicle. Chris contacted Jamie Blas, owner of Brew City Towing and Recovery, and we had a three-way conversation.

I advised Blas of the complaint regarding the incident at his business and how he would not allow officers access to view video. Blas disagreed and stated he showed the officers video on his phone, but at that time did not have a password to access the hard drive. I asked Blas if I stopped at the business the following day would he be willing to show me the video and download it. Blas agreed to allow me access to the video. Our phone call conversation ended.

On Thursday March 9, 2023, at 12:53 P.M. I conducted follow-up at 4030 W. Douglas Ave. Brew City Towing and Recovery. I met Blas at the location, and he showed me video on his cell phone. I observed images of the rear lot, as Blas narrated what was occurring. The images were small, but I could see a person Blas identified as his mother grab a second person and guide them out of the gate pushing that second person out of the yard. Blas pointed to a vehicle identifying it as the towed vehicle stating it never was out of sight of the owner and officers, and no one related to the business had access to the interior or engine compartment. Blas could not provide a video depicting the entire incident. When I asked to watch the recorded video on the hard drive Blas stated it was not saved. He explained video is only saved for six days. I told Blas without a full video the allegation of the battery and property damage could not be dismissed. I advised Blas to expand his hard-drive and save recording for a minimum of 30 days. Blas was advised due to the reoccurring incidents at the business, there may be a request not to renew his

RSTP license. Blas was advised to reach-out to the district Commander and ask for a meeting to discuss how he can help not becoming a nuisance and work to reduce incidents at the business. Blas stated he would call the district and attempt to schedule a meeting. I ended my follow-up with Blas.

I've made attempts to contact the female involved in this incident regarding not receiving a copy of her invoice as I requested in a previous conversation. The phone number I have for that female was not receiving incoming calls.

End of report.

#### LICENSED PREMISE REPORT

Felix, Carlos 015476

03/20/2023

This report filed by Officer Carlos Felix assigned to the License Investigation Unit, Day Shift.

CAMARENO is the listed agent for Brew City Towing and Recovery. On March 3, 2023, an employee from Brew City conducted a non-consensual tow from private property. The vehicle was towed to the Brew City lot at 4030 W. Douglas Ave. When the owner attempted to recover the vehicle there was an incident of battery and property damage at the business (see reports 230620044 and 230680088). The vehicle owner received a bill that included \$150.00 for special equipment use. After speaking to co-owner Jaime Blas at Brew City, he stated the vehicle is all wheel drive and wheel-dollies were required for the rear wheels. The victim stated she observed the tow as she followed it in a friend's car to the lot and did not see any wheel-dollies used to tow her vehicle.

On March 17, 2023, I spoke to the investigating Officer, Michael Parker of District Four Days. Parker stated he was on scene immediately due to the nature of the call, and he did not see any wheel-dollies attached to the towed vehicle.

On March 20, 2023, I called and spoke Camareno. He was advised that a citation was going to be issued for the charging of equipment that was not used in this non-consensual tow. At 2:51 P.M. I met Camareno in person and he received citation number 0683713B13.

Layman, Shayne L 036304

07/12/2023

This report is written by Shayne LAYMAN assigned to District Four, Early Power shift.

On Wednesday, July 12, 2023, at approximately 11:11am, Squad 4246 ( P.O Ngeung YANG and I, while in full duty uniform, with an activated AXON body worn camera,) was dispatched to 4030 W Douglas Ave for a Theft vehicle complaint. This location is located in the City and County of Milwaukee.

Officers upon arrival of the business Brew City Towing and Recovery, Officers were approached by the caller Terrell RIMMER (B/M,) who stated that the business stole Susette M. HUBBARD(B/F 08/24/1956,) vehicle a Silver 2020 Chevy Equinox Wisconsin Registration plate # AJE 6933 from the Save-A Lot parking lot.

HUBBARD stated that the manager Jaime J. BLAS (H/M 01/07/1977,) stole her vehicle which was parked in the Save A Lot parking lot disabled parking spot with no disabled person identification attached to the vehicle. BLAS stated that he did not steal the vehicle and towed it due to not having the disabled plates or sign in the dash of the vehicle. HUBBARD stated she parked her vehicle in the disabled parking spot and went into Save A Lot to get groceries. HUBBARD stated that she finished shopping and realized she did not pick up ice cream and went back into the store and had not placed her disabled sign in the dash. HUBBARD stated she was informed by SAVE A LOT staff that a silver Chevy Equinox was being towed. HUBBARD stated as she exited the business the tow truck had her car and drove away with it.

Officers spoke with BLAS who stated that he went to Save A Lot and ran the vehicle to see if it was stolen and found that it was not. BLAS stated that he noticed the vehicle was parked in a disabled spot and did not see any disabled plates or tags allowing the car to park in the disabled spot. BLAS stated that he towed the vehicle to Brew City Towing and Recovery located at 4030 W Douglas Ave. Blas stated that is when officers and HUBBARD arrived on scene.

Officers changed locations to the Save A lot parking lot and were unable to review camera footage of the incident. Manager at Save a Lot stated that the cameras were not working properly at this time and were unable to get footage.

Officers while on scene, observed the licenses posted and they were up to date.

### LICENSED PREMISE REPORT

Felix, Carlos 015476

07/25/2023

This report is submitted by Officer Carlos Felix assigned to the License Investigation Unit, Day Shift.

On Tuesday July 25, 2023, at 10:53A.M. I conducted follow-up at Brew City Recovery and Towing regarding the expiration of their provisional Recycling Salvage Tow Premise (RSTP) license. This provision was set in place until Brew City paid their outstanding bill to the City of Milwaukee Tow Lot.

I spoke to the office manager Diane Galarza who stated they were not conducting any private property tows. She stated one of the owners Jaime Blas was in the lot removing vehicles to be junked. Galarza escorted me to the rear lot where I spoke to Blas.

I advised Blas of the RSTP license expiring which he confirmed. Blas confirmed the provisional license expired. He stated they have not conducted any private property tows after the license expired and understood their bill with the city had to be paid in full before requesting any tow-numbers. Blas stated his attorney made a partial payment today and an additional payment would be made soon. Blas asked if they could operate once the bill is paid in full. I advised a license would need to be granted before they conduct any non-consensual tows or salvage vehicles. I advised him that he had old inventory he was allowed to continue working on removing, but no additional junking would be allowed without a valid RSTP. Blas was cooperative and stated they would comply with the stipulation set.

### LICENSED PREMISE REPORT

Sayaovong, Yengkong 035705

08/29/2023

This report is written by PO Yengkong SAYAOVONG, assigned to District 4, Late Shift.

On Tuesday, August 29th, 2023, at 12:17 AM, I was dispatched to a Noise Nuisance Complaint call at the location of 4030 W Douglas Ave (Which is located in the City and County of Milwaukee, WI).

Upon my arrival, I observed 4 male subjects working on their personal vehicles.

I spoke to the caller via telephone, who stated that the noise was coming from an auto lot across from where she lives. The caller stated she did not see anything.

I spoke to Landry V SEWER (B/M 02/06/1986) who stated that he has access to the garage and was working on his personal vehicle after hours. SEWER stated he was making noises earlier, however, he stopped with the noise.

The business had 0 security officers on scene.

While on scene, it should be noted that officers were not able to obtain the License Premise Licenses due to it being locked inside the office and there were no managers on the premise.

During my investigation for Noise Nuisance, officers advised SEWER that he should not be operating in the shop after hours because it is in violation of the business.

### LICENSED PREMISE REPORT

Felix, Carlos 015476

10/11/2023

This report submitted by Officer Carlos Felix assigned to the License Investigation Unit, Day Shift.

On September 25, 2023, I received a call from Marquette Police, Det. Billy Ball, who advised me his unmarked police car was non-consensually towed by Brew City towing. Ball stated he parked his car in a private lot at 2907 N. Oakland Ave., and he entered a business across the street. When he returned the car was being towed. Ball believed Brew City removed the vehicle without first calling in for a tow number, used a tow truck without RST identifiers, and WI plate number# EC60482 attached was not registered. When Ball called Brew City at 12:13 P.M. and informed them the vehicle was an official police car, they refused to surrender the vehicle without charging \$370.00. The car was later released to Marquette at no charge.

A check of the Gov/Tow system revealed on 09/13/23 at 12:12P.M., tow number 2375483 was generated for a 2015 Ford Taurus on request of Brew City called by someone identifying themselves as GIO.

On October 6, 2023, I conducted follow-up at 2907 N. Oakland Ave. (Cheba Hut) where the Marquette owned vehicle was towed from. I spoke to general manager Tj Meadowcroft, who was aware of the tow, but stated security footage is only saved for a couple of days, and not available. I was unable to prove the timeline of the tow.

On October 5, 2023, while I was at 2831 N. Oakland Ave., investigating a second incident involving Brew City, I had contact with Jaime Blas one of the co-owners (Case 232780063). I advised Blas of the complaint where the squad was towed. Blas stated he was the person who towed that vehicle and believed it was a private security company not a police car. He was granted a tow number without an issue and the car was released once it was confirmed to be police car. Blas admitted the tow truck did not have any identifying markings and the license plate was expired.

I advised Blas the truck should not be operated until it is legally registered and has all of the RST required identifiers. When advised, he stated the tow number was requested and granted before the vehicle was towed. I explained that a report would be filed, and citation issued. Blas and I ended the contact.

Kraker, Gerald J J 016255

10/05/2023

This report is written by P.O. Dale STASZEWSKI, assigned to District 4 Day Shift, SQUAD 4132.

On Thurs. 10-05-23 at 10:27 am, I was dispatched to 4030 W. Douglas Ave. ( Brew City Towing). for a Battery complaint.

Upon our arrival I observed a W/M who was later identified as being Mark C. TAYLOR (W/M, 09-21-72) standing outside of the business which is a Towing company.

I spoke to the caller (TAYLOR) who stated that at approximately 10:40 pm his 2024 Hyundai Tuscon ( WI. AUH-3076) had been towed from the Little Caesars parking lot which is on N. Oakland, and W. Locust St. TAYLOR stated that he did not know the exact address. TAYLOR stated that he had parked his car at that location, and then had gone into Oakland Gyros to get food. TAYLOR stated that when he came out his vehicle was gone. TAYLOR stated that he initially thought that his vehicle had been stolen. TAYLOR stated that he contacted Police who eventually advised him that his vehicle had been towed. TAYLOR stated that there were no signs in the parking lot that would indicate parking restrictions. TAYLOR stated that when he came to the business to inquire into the location of his vehicle they were rude to him.

I spoke to licensed premise manager Nietzsche CAMARENO. He stated that Brew City has a towing contact with Little Caesars. CAMARENO stated that there are at least two signs posted in the parking lot advising customers of the parking restrictions. CAMARENO stated that her tow truck driver advised her that the signs were there last night. CAMARENO accused TAYLOR of ripping down the signs. CAMARENO stated that TAYLOR was being charged \$ 150 for the tow, \$140 for the use of special equipment, \$ 28 for storage, \$ 30 in City fees, and \$ 28 in tax. CAMARENO stated that TAYLOR was argumentative and tried to go to restricted areas of the business. The business was cooperative with the investigation.

The business had 0 security officers on scene.

P.O. KRAKER reviewed the surveillance footage which determined that no Battery had occurred.

While on scene, I observed the licenses posted and they were up to date. During my investigation for BATTERY I did not observe any violations in the licensed premise. I contacted P.O. Carlos FELIX of the License Investigation Unit who advised me that the vehicle had been towed illegally. P.O. FELIX contacted the owner of the towing company who authorized the release of the vehicle to TAYLOR.

On Wednesday, 11-29-23, at 1:10 pm, PO Dale STASZEWSKI and I (PO Gerald KRAKER), SQ. 4132, were dispatched to a "subject with gun" complaint at 4030 W. Douglas Av. (Brew City Towing).

There was nothing unusual, or out of the ordinary, taking place upon police arrival. No additional squads were needed.

I then spoke to the caller, Corey L. SMITH, b/m, 10-13-71, phone #414-629-3007, who stated a BREW CITY employee (later identified as, MARVIN L. WASHINGTON, b/m, 11-26-96) displayed a "gun" while making threats to cause him harm. SMITH stated there was an argument/dispute over his vehicle being towed the night before. SMITH, and his wife, were there to pick up their towed vehicle. SMITH related where he comes from, if someone shows a gun, while stating, "what are are you going to about it," it means, "they are going to shoot you." SMITH stated WASHINGTON's actions were intentional, without consent, and caused him to fear for his safety. WASHINGTON described the gun a being black, with a sticker on it, and having an extended clip. SMITH stated WASHINGTON never pulled the gun out of his pocket, but he lifted his coat up to show he had a gun. SMITH never mentioned anything about WASHINGTON threatening to "kill" him (according to the CAD).

Officers then spoke with the Brew City employee (Marvin L. WASHINGTON) who stated when he arrived to work, SMITH was complaining about his vehicle being towed. WASHINGTON related SMITH wanted them (the company) to send him photos of the posted sign from where his vehicle was towed. WASHINGTON stated he did have his gun on him, but never pulled it out, or lifted his clothing, to show he was armed. WASHINGTON stated his gun was visible because it has an extended clip.

**WASHINGTON HAS A VALID CCW PERMIT.**

## VIDEO SURVEILLANCE

While reviewing video surveillance, SMITH never went into the building/business, his contact with WASHINGTON took place outside in the parking lot. SMITH and WASHINGTON had a conversation when WASHINGTON arrived (approximately 12:15 pm) and was walking through the parking lot towards the entrance to the building. At no point does WASHINGTON pull out a gun, nor does it appear he lifts his clothing to show that he had a gun.

While on scene, I observed the licenses posted, and they were up to date.

This incident was referred to the District Attorney's office.

This report is written by PO Timothy BAUMANN assigned to District Four, Early Power Shift.

On Monday, January 29th, 2024, at approximately 11:08 am, Squad 4244 (PO Kevin HANSEN and I, in full duty uniform and activated Axon Body Worn Cameras,) was dispatched to 4030 W. Douglas Ave., for an Entry Complaint. This incident occurred in the City and County of Milwaukee on the listed date at approximately 3:02am.

Officers spoke to Diane L. GALARZA (W/F, 10-27-1960,) who stated she believed a former employee entered the business and stole a 65" television and tools. GALARZA stated she believed the suspect took approximately 3000 dollars of US currency of items. I advised GALARZA to email me a list of items taken from the business. As of January 31st, 2024, I have not received any additional information regarding items taken. GALARZA was given a PV-17, Crime Victim Resources regarding the incident.

### SCENE DESCRIPTION

The incident occurred in large single story structure devoted to business operations (Apy's Cars and Brew City Towing). The building is on the northside side of W. Douglas Av. The structure has two overhead doors, and a single service (entrance) door on the east side. The service door is north of the (2)large overhead doors. There is another service door on the south side of the building, on the southeast corner. The parking lot is on the east end of the building with a large fenced in lot (for towed vehicles) north of the parking lot. Just inside the east entrance is a small lobby, with an ATM machine on the right, just inside the door. There is also a window (to the right)on the north wall for doing business with customers. On the west wall, directly across from the entrance door, is another door with which leads into another small space/room with a door on the south wall (leading into the garage)and another on the opposite/north wall, which leads into the office area. The office area is divided into two rooms, separated by a wall with an opening. The back room has a couple desks in it plus a TV set up for video surveillance. There other office space is east of this room and is where employees conduct business with customers at the window.

### VIDEO SURVEILLANCE

Officers viewed video surveillance of the incident. Officers observed at approximately 3:02 am, a red, older model Ford Explorer park near the business. A male suspect then intentionally and with out consent enters the locked business and deprives the business of the television. The male suspect, was wearing a light color jacket and light color hooded jacket. GALARZA stated she believes the suspect to be Sean M. SLOMSKI (w/m, 4-8-1985.) The suspect then flees in the vehicle at approximately 3:07am. SLOMSKI is believed to have burglarized the business on Saturday, September 20th, 2024, Milwaukee case #24-021-0057. I uploaded the video to Axon Evidence.

### LICENSED PREMISE REPORT

Sharpe, Zachary 037296

04/10/2024

This report is written by PO Zachary SHARPE, assigned to District 4, Early Power, Squad 4236.

On Wednesday, April 10th, 2024, at approximately 12:00PM, while in full duty uniform equipped with an Axon body worn camera activated and in a marked squad, PO Lawrence POPE and I were dispatched to 11137 W Silver Spring Dr.; Ruby Isle Auto, for a trouble with subject call.

Upon our arrival I observed what appeared to be a mechanics shop at the location with rows of vehicles on the property. There was active work being done to vehicles on the property and multiple customers within the premises.

I spoke to the caller and manager, Kori A. REED 262-527-9310. They stated on Sunday, April 7th, 2024, while their business was closed from regular business hours, on the South end of their lot and along Tomart Av., they had 4 vehicles within their possession get towed by Brew City Towing illegally. The vehicles are as listed:

-White, 2013, Infiniti G37 Sedan. (Vin#JN1CV6EL4DM981469)

-White, 2014, Ram ProMaster Sprinter Van. (WI Reg. Plate# JQ1903)(Vin#3C6TRVDG7EE119404)

-Black, 2006, Ford F-150 Pickup truck (WI Reg. Plate#TU8945)(Vin#1FTPX14556NAO1405)

-Brown, 2004, Lincoln Navigator, No known WI Reg. plates or Vin number.

REED stated that their place of business, 1137 W Silver Spring Dr.; Ruby Isle Auto, was not open and their surveillance cameras captured footage between the hours of 10:09AM and 12:00PM of what appeared to be a truck that contained a Brew City Towing logo on the side, which they did not authorize to tow their vehicles.

REED stated the vehicles were within the property lines of their facilities and that they do not have a contract with Brew City Towing regarding vehicle tows from their property.

749 W. State Street Milwaukee, WI 53233

414-933-4444

Case #:C2404100108

OtherEvent #: 24-LP-0745

REED stated that her father and owner of Ruby Isle Auto; John KALUPA 414-232-4219, went to Brew City Towing, located at 4030 W Douglas Ave., at approximately Noon to attempt to get the vehicles back, and was awaiting our arrival.

A check of the property was conducted for tow signs and did not reveal anything on Ruby Isle Auto's property regarding Brew City Towing being permitted to tow vehicles.

Upon arrival to 4030 W Douglas Av., PO POPE and I were met by KALUPA, who stated that his vehicles were on his property and were illegally towed to the location on Sunday, April 7th, 2024.

I spoke to the manager of Brew City Towing; Diane GALARZA, who stated that they have photos of the vehicles before they were removed from the property and that her son; Jaime BLAS 414-881-4209, was the operator of the tow truck regarding these vehicles and he would have further information regarding.

GALARZA stated she did not call the police regarding this matter and that they have the tow reference numbers regarding the vehicles that they did tow.

-Black, 2006, Ford F-150 Pickup truck (Tow reference# 2428763)

-Brown, 2004, Lincoln Navigator (Tow reference# 2428780)

-White, 2014, Ram ProMaster Sprinter Van (Tow reference# 2428751)

GALARZA stated that they did not tow the white, 2013, Infiniti G37 and they were unaware of the vehicle's location.

GALARZA showed me photos that BLAS sent through a text message of the vehicles being on property that they claimed was the property of Wendy's and that they were contacted by Wendy's security to tow the vehicles as that is who they are under contract with.

BLAS arrived to the location and provided more photos of the vehicles on what he stated was "Wendy's property."

BLAS stated he was informed by Security of Wendy's; Rolando MALDANADO 920-304-9001, who informed BLAS of the vehicles and requested they be removed.

BLAS was informed that the brick structure surrounding the garbage cans located on the South of the property were in ownership by Ruby Isle and that he was unaware of this.

BLAS stated he has been in the towing business for years and that due to the vehicles being on the grass it is a towable offense that was committed.

I spoke with MALDANADO over the phone who stated that he was new to the position and he was not provided any information regarding the property line and thus thought the vehicles were on Wendy's property.

MALDANADO was informed of the garbage cans being shared property by both Wendy's and Ruby Isle, and stated he was unaware of this new information and MALDANADO stated he would inform BLAS to

release the vehicles to KALUPA.

BLAS stated he would return KALUPA the Brown, 2004, Lincoln Navigator back into his possession for free due to it being the only vehicle that was taken from the property, but that he would keep the Black, 2006, Ford F-150 Pickup truck and White, 2014, Ram ProMaster Sprinter Van and that KALUPA would have to pay a standard "state service charge" for the two vehicles costing approximately \$1,400.

BLAS stated he would return the Lincoln Navigator on 04/11/2024 and would be willing to release the other vehicles once he received payment.

KALUPA stated he would return to 4030 W Douglas on 04/11/2024 to retrieve the vehicles, as they are customers of Ruby Isles vehicles, and he needed them back. PO POPE and I advised him that we would conduct follow-up and return to the location with him regarding.

While on scene, I observed the licenses posted and they were up to date. During my investigation for Trouble with Subject at the above listed location, I did not observe any violations in the licensed premise.

This case and investigation are pending.

End of report.

On Saturday, June 28th, 2025, at 9:22 A.M., Squad 4130 was dispatched to a Property Damage Complaint at 4030 W Douglas Ave., which is located in the City and County of Milwaukee, WI.

Upon arrival, I met with the caller, Alexis D. TAYLOR (B/F 05-03-2000), who stated her vehicle was towed by the Brew City Towing Company and as she was picking up her car on today's date, she observed her windshield to have further damage than before her vehicle was towed.

I spoke with the Business Manager, Jaimie J. BLAS (W/M 01-07-1977), who stated the employee's take photos of the vehicle's before towing them. I observed the photo that BLAS had on his phone that was taken before the vehicle was towed, and I did not observe the new damage TAYLOR was speaking of. BLAS was cooperative and stated that the damage TAYLOR is making a complaint about is also not visible in the photo taken prior to the vehicle being towed. BLAS stated TAYLOR will have to file a case civilly in order for restitution to be granted.

The damage that was originally on the vehicle that TAYLOR stated there was a single crack that goes from the middle of the windshield to the end of the passenger side. The new damage is observed to be a spiderweb type of crack that is located at the top of the middle driver's side windshield.

Per a search of the LLC License, it appeared that the license for the business has been dissolved as of 01-25-2024. The LLC's Certificate of Occupancy does state that their license expires 12-06-2025.

Both parties were issued a PV-17 with the case number regarding the incident report.
