On october 24<sup>th</sup> 2000 at 7:40 A.M my son Eric Craven dropped his daughter off for me to watch while he went to work. At about 7:55 A.M I noticed my son in his car behind a recyclable truck. The man in the truck was just sitting there. At the time I stepped out to see what was happening that's when the driver of truck 32207 got out of truck & started screaming profanities at me and my 4 year old daughter & my son in his car. He would not let my son exit the alley which was a one way. At 8:00 A.M I noticed a little truck by the big truck I said I was calling his supervisor at the time I called & spoke to Jim stinlist. Also on the southeast corner there were children waiting for there school bus they heard everything. My son got to work that day and was fired for being late. I told the truck driver please let my son through so he can get to work. My son lost his job. I paid his rent of \$300 & been helping him financialy. All my son wanted to do was get to his \$7hr job. The driver didn't allow that. During this another truck came a smaller truck when I said I was calling a supervisor the smaller truck left and then truck 32207 moved at about 8:02 A.M. My son got to work about 8:20 A.M.
