REDACTED RECORD

TESTIMONY FOR THE LICENSES COMMITTEE

July 17, 2017

I want to thank the Licenses Committee for the opportunity to provide my testimony as it relates to the Tattoo and Body Piercing Renewal Application.

I am a resident of [REDACTED] West Vliet Street which is next to the tattoo shop. [REDACTED] owns the two buildings [REDACTED] of the tattoo shop. I am a proponent of good businesses in my neighborhood because it stimulates the value of properties and the neighborhood. However, if its business negatively affects the peaceful enjoyment of my home and neighborhood then I would rather not have it. Since the tattoo shop opens for business these were the problems that it created for me, my family, and neighborhood:

- 1) Attracted suspicious individuals into the neighborhood – there was pungent odor of either marijuana or some kind of drug in front of the shop and my home every day; I cannot open my window for fresh air without having the smell wafting into my home. There were people who greeted each other and it appeared that there was some sort of exchange going on. Lewd remarks and behavior were directed towards my children and their friends from church when they walk by.
- 2) Loitering and loud music everyday even after 10 p.m. – the shop had customers late into the night
- 3) Customers parking in my private parking lot although several No-Parking signs are posted all over the parking lot. When politely asked to move their cars, they threatened and challenged me. I've tried calling parking enforcement but by the time they come, the customer's gone. The few times I called, it took between 45 minutes to more than one hour for the officer to stop by.
- 4) Men urinating in the back of the parking lot, even in broad daylight.
- 5) Littering – people leaving their trash on the front steps of both [REDACTED] buildings. Cigarette butts are scattered on the sidewalk in the front of the buildings.

REDACTED RECORD

These problems were completely gone after the business closed down due to the fire in January.

Mr. Crossley may continue his tattoo business if he resolve or can present a viable plan to address these problems; otherwise I ask that the Committee disapprove of the renewal of his license. I do not object to any business that would bring value to this neighborhood. So far, Mr. Crossley's business has not.

I hope that you will take my testimony into consideration because I believe that you would not tolerate such activities in your business neighborhood. Again, thank you for your time and the opportunity.

REDACTED RECORD

Subject: Tattoo and Body Piercing Renewal Application

Dear Whomever It May Concern;

I could not attend the hearing scheduled for today, May 31 at 9:30am because of employment schedule issue. However, I strongly oppose the renewal of Mr. Crossley's application to continue the tattoo and body piercing business to my home,
The reasons are:

1. Since the opening of the tattoo and body piercing store, I've been having problems with his customers trespassing my private parking lot. I have no-parking signs in several visible locations. I've called City parking enforcement office several times to have these people ticketed and towed but by the time the officer arrive, which is any where between 30 minutes to one hour, the people already left. They either block the entrance to my private parking lot or park in it as if they own the property. I've spoken to the customers asking the customers to move their vehicle and pointing to the signs, they've threaten, ignore, and treated me with indifference.
2. This business brings people who have no respect for people, property, or rules. They throw trash all over the place. Some customers smoke marijuana and loiter in front of the store and my home until as late as 11pm with loud music and talking, especially during summer and fall months. They make inappropriate remarks and gestures towards my girls. We are afraid to go outside because of these types of people.

Please consider my written testimony and do not renew the license application for Mr. Crossley's tattoo and body piercing business.

Thank you,

13. On 09/30/15 at 3:32 pm, Milwaukee police investigated a complaint of possible synthetic marijuana being sold at Hustlin Hands Tobacco and Accessories at 3714 W Vliet Street. Undercover police officers entered the establishment and requested to purchase single cigarettes from an employee that was behind a partially enclosed counter. The undercover officer purchased two Newport brand cigarettes, which were fifty cents apiece. Another UC entered and approached the same store employee and requested to purchase synthetic marijuana. The employee advised the UC that it would be \$15.00 for his request. The UC purchased a package with the brand name "Wolfpack" on the front. Uniformed officers, as well as agents from the Department of Revenue, entered the business and conducted a license premise check. The store employee, identified as Rico Townsend, was very agitated and uncooperative, refusing to answer questions. Investigation found that Townsend was found to be in possession of suspected marijuana. Officers also recovered evidence of the earlier buys, as well as two spiral notebooks with information noted on the daily transactions of the business which also included documentation of the purchase of K2 for \$15.00 and single cigarettes for \$1.00 by the UC officers. Agents confiscated a box that contained several packages of "Wolfpack" that was found on a table behind the counter. An officer contacted the licensee, Paris S Crossley and advised him of the situation at his establishment with Crossley stating he was on his way to the business. Crossley never showed up. Agents KING and UHLIG confiscated all cigarette and tobacco products as there were no invoices on the premises. The clerk, Rico TOWNSEND, was cited for Unlawful Sale of Cigarettes and currently has a warrant for said citation. (15058516)

PA-33E Narrative

NARRATIVE SECTION:

This report is written by P.O. Joseph DUNCAN assigned to District Three, Early Shift. On Wednesday, November 23rd 2016 I, Squad 3275 (myself) was dispatched to a property damage complaint that occurred at TOBRUCK FOODS, located at 4401 W Lisbon Avenue. This location is within the city and county of Milwaukee.

Scene Description

4401 West Lisbon Avenue is a convenience store and small retail space which is located on the south west corner on North 44th Street and West Lisbon Avenue. Located on the South Side of West Lisbon Avenue within the Washington Park Neighborhood, a corridor of mixed retail, gas, and multi-unit residential homes and apartments, the building made of brick construction and has several full size commercial windows which face both West Lisbon Avenue and North 44th Street. It was two windows in both directions which were targeted by the youth for attempt entry with several brown bricks scattered below these windows.

Upon arrival I contacted the owner by phone Rida A ISSA (M/W 10/20/1975) an informed him that a neighbor had called police and observed two black males juveniles throwing bricks at two glass windows of his store in order to gain entry and steal merchandise. This act was unsuccessful however several attempts did etch the glass in several spots on both windows each approximately 3'X5'.

ISSA arrived twenty minutes later as promised, identified himself by Wisconsin Driver's License and verified that entry was not gained and nothing was taken. ISSA and I reviewed outdoor surveillance video which depicts the following actors:

SUS#1: Male Black 13 years of age, #slim, last seen wearing a black hooded sweatshirt and tan khakis.

SUS#2: Male Black 14-16 years of age, #slim, last seen wearing a black hooded sweatshirt with the hood up and tan khakis.

Both suspects appeared to leave on foot in an unknown direction, leaving the frame of the close up angle of the outdoor surveillance camera on the southeast and front door which faces onto West Lisbon Avenue to return a short time later after the bricks cracked - attempting three to five times to gain entry. The exact time is unknown as the time stamp on the video is off anywhere between 40 minutes to approximately one hour fifteen minutes. The video resolution is low and depicts suspects' actions.

ISSA was supplied a PV-17 with incident reporting number and District Three phone number.

It was determined that the bricks were taken from a pallet in the rear of 2130 N 45th Street. This property is vacant and appears to be in disrepair.

CASE PENDING SUSPECT IDENTIFICATION

REDACTED RECORD

To whom it may concern;

I stand in objection of the placement of the license application submitted by Michael Witynski, Agt. Family Dollar Store of Wisconsin Inc, to place a Family Dollar store at or around 2117 W Center St. The opening of this business would have an adverse impact on the neighborhood. These stores are known to attract criminal activity. Most of these stores in our local area have been robbed at gunpoint at least once and as a community I would not like myself or my children to fall victim to these crimes. This may also negatively affect our property value and increase our insurance costs.

Armed robberies:

June 6th 2016 – 60th & Hampton Ave

May 26th 2016 – East Concordia Ave

April 11th 2016 – 6th & Mitchell ST

July 22nd 2015 – 79th & Burleigh

Family Dollar stores are also known to have stores that are not very clean with unkempt parking lots filled with trash. The surrounding side streets will have to deal with increased traffic and neighborhood activity such as speeding cars, delivery trucks, and possible criminal activity related to the placement of this store. It is my belief that the placement will adversely affect impact the health, safety, and welfare of the surrounding neighborhood.

Respectfully,

I hereby agree that I will comply with the applicable sections of the Wisconsin State Statutes, Administrative Code and the Milwaukee Code of Ordinances regarding the operation of weighing and measuring devices.

I understand that all devices must be operated within the specifications, tolerances and other technical requirements set forth in the National Institute of Standards and Technology Handbook 44.

I understand that the license for which I am applying must be posted on the premises or in my vehicle prior to opening for business or operating the device.

I understand that these device licenses are not transferable (with the exception of scanners). If the device is replaced or needs to be resealed, I must apply for and receive a new license so that an inspection of the device can be performed prior to its use.

I acknowledge that as a condition of being issued this license, I must allow the Health Department into the establishment to test the device to validate its specifications/tolerances. If my devices are found out of compliance, I may be charged inspection fees.

I have read, understand, and will adhere to all the above acknowledgments.
