

*Resume of*  
**Daniel T. Alexander**

## **Professional Experience**

January 2006 – Present     **City of Milwaukee Emergency Government Coordinator**

- Appointed by Mayor Tom Barrett as the City of Milwaukee's Emergency Government Coordinator. This is a cabinet level position that is responsible for the overall coordination/supervision of Homeland Security funding. Serve as the Point of Contact for the Urban Area Security Initiative, covering the City of Milwaukee, and Milwaukee, Racine, Ozaukee, Waukesha, and Washington Counties.
- Responsible for the development of emergency response plans for the city. This includes developing preparedness planning with individual departments regarding potential hazards facing the city.
- Responsible for developing continuity of operations planning for government and business in the southeast Wisconsin region. This includes enhancing public/private partnerships through planning and exercising response plans.
- Responsible for coordinating public safety funding requests with other local, state, and federal agencies.

April 1993 – December 2005     **Milwaukee Police Department**     Milwaukee, WI

Lieutenant of Police – July 2005 to December 31, 2005

- Continued Assignment as Grants Coordinator.

Administrative Lieutenant of Police – September 2004 to July 2005

- Assigned to the Office of the Chief. Responsibilities included the planning and coordination of law enforcement efforts for the U.S. Department of Homeland Security's, Urban Area Security Initiative for the city of Milwaukee and the counties of Milwaukee, Waukesha, and Washington.
- Assigned as the Milwaukee Police Department's grant funding coordinator. Responsible for the identification and application of external funding opportunities, as well as management of grant funded programs.
- Served as a member of the Milwaukee Police Department's Applicant Review Committee. Responsible for evaluating the suitability of candidates' backgrounds for employment with the Milwaukee Police Department. Also serve as an evaluator in the interview process for potential employees of the Milwaukee Police Department.

Police Sergeant - May 1998 to September 2004

- May 1998 - Assigned to the Patrol Bureau. Responsibilities included general patrol supervision duties in various districts throughout the city, employee performance evaluations, quality assurance, and management of critical incidents.
- Assigned to the Intelligence Division. Responsibilities included the supervision of detectives and police officers involved in criminal gang and firearm related investigations.
- September 2000 - Assigned to the Personnel Division. Responsibilities included the oversight of the Department policies and practices to ensure compliance with labor contracts and statutory requirements, the research and preparation for contract negotiations with the Department's various bargaining units, and the investigation of personnel related complaints (e.g., allegations of sexual harassment or discrimination).
- December 2000 - Assigned to the Office of the Chief. Responsibilities included the development of the Department's policies and operating procedures, and the coordination of the Department's grant funding activities, including the identification, application, and management of the Department's external funding requests. Additionally, I served as an alternate administrative adjutant to the Chief of Police.

Police Officer - April 1993 to May 1998

- April 1993 – Assigned to the Patrol Bureau. Responsibilities included general patrol functions, traffic enforcement, investigation of criminal incidents, arrest of suspected criminal offenders, participation in prosecutions in criminal court, and general public safety activities.
- May 1997 - Assigned to the Sensitive Crimes Division. Responsibilities included the investigation of crimes against children and the presentation of those cases to the District Attorney's Office for prosecution.

May 2000-April 2001      **University of Wisconsin-Milwaukee**      Milwaukee, WI  
**Center For Urban Initiatives and Research**  
**Researcher**

- Conducted qualitative research interviews and analysis of program content and organizational concerns of various "Safe and Sound" sites.
- Created survey instruments used to inventory the data capabilities of community based organizations
- Analyzed demographic changes using U.S. Census Bureau data for the Milwaukee County Parks Department
