CITY CLERK'S OF

5/12/22

Dear Office of the City Clerk,

My son was travelling north on farwell in Milwaukee coming from University of Milwaukee for MBA class and it was dark and raining when he hit the sewer cap that was not filled in properly after work was done on it. The horses that previously protected the area had been removed and the gap around the sewer cap caused the 2 flat tires. Please see the following documents telling this story. Please let me know if there is any other information you need.

The tow was \$154.86.

The tires cost \$580.83

I'm seeking \$735.69 for
all damages.
