

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Pamela Perrin *Early Todd*

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Pamela Perrin

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Pamela Perrin

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We look forward to serving in this neighborhood and being a business you can be proud of. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with the hours of operation and our vision, please kindly sign below.

We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.

We here at Coconut Bowl plan to take our passion for bowling and our love for people and infuse it with a little Caribbean culture to create an establishment that embraces the community and provides enjoyment and a sense of belonging for all. We have many plans in place to make necessary improvements inside and outside of the building. Maintaining the appearance of the structure, as well as the cleanliness of the inside, outside, and surrounding area are of high priority. We will have a trusted security team to help ensure the safety of all our guests and the neighborhood as a whole. We are planning to operate the bowling center, bar, and banquet hall until midnight Sunday through Thursday and until 2:30 a.m. on Friday and Saturday. We look forward to serving in this neighborhood and being a business you can be proud of.

We would love your support in making the Bowling Center a success and as we seek the approval of the licensing committee and City Council. If you agree with our vision, please kindly sign below. We would also appreciate it if neighbors in support, would return this letter to the City of Milwaukee in the stamped, addressed envelope, postmarked by October 15th.

Dear Friends and Neighbors,

My name is Pamela Perrin. I wanted to formally introduce myself as the new owner of Coconut Bowl (formerly known as Court Lanes North) located at 4707 W. Mill Road. I am excited to become a part of this wonderful community and to call it home. I was fortunate to meet some of you at the neighborhood town hall meeting held on September 16th. For those of you who I have not had the opportunity to meet yet, I would like to take this time to share my vision for the business as well as my positive outlook for the community. Our mission is to be a place of entertainment that caters to families and the community as a whole, while providing unmatched service in a clean, pleasant, and inviting atmosphere.

Coconut Bowl, a bowling center with bar and food service and a banquet hall, will continue to function in the same capacity that it has operated in for more than 20 years. Our primary function is still bowling and we hope to bring many more years of bowling pleasure and enjoyment to the lives of many. We seek to host an enjoyable place to bowl and eat great food (including authentic Jamaican cuisine). Coconut Bowl strives to be a family-oriented, community-based facility that is frequented by those 0 to 100 years old. We welcome, in addition to families, church groups, schools/daycares, community organizations, neighborhood committees, senior activity groups, and the entire neighborhood to visit the establishment and return often. As homeowners in this very district, we are invested in its success and growth. We seek to be an integral part of the community by forming lasting relationships with the aforementioned groups and also by bringing back league bowling competitions, and teaching youth how to bowl through mentoring programs and junior league participation.
