Subject: OPPOSE Class B tavern license renewal for Miramar Theater, 2844-46 N. Oakland Avenue

I am writing to oppose the renewal of a Class B tavern license for the Miramar Theater, 2844-46 N. Oakland Ave. I have followed in the news and through area residents the problems with this operator's SITE nightclub in the Third Ward and the Miramar. I am a supporter of live music in Milwaukee and frequent venues. But none of the other venues have the problems this operator has. It's even worse that this is happening around the corner from a residential neighborhood, across from a high school and in the middle of important retail district on the East Side. An operation like this threatens both the residential area and the business district. The city should not grant tavern licenses to known problematic operations.

For these reasons, I urge the city to not renew the tavern license for the Miramar.

Sincerely,

Jeff Bentoff

Hello,

I wanted to write to express my concern about license renewal at this location. We've lived a few blocks away from the theatre since 2011. Only recently has there been this level of concern about this location. Lots of crowds and traffic, repeated, required police presence due to the crowds and fights.

The owners don't seem to have security under control. I feel like I have to oppose this renewal, given the problems that have surfaced.

City Clerk and Licenses Committee members,

Attached is a complaint letter seeking non-renewal of the Miramar Theatre's licenses. The hearing is set for June 6th, 2022. Please read the letter, review the attached documents and most importantly watch the two videos with the Google links below. I wish to show the videos at the hearing. The first one is around eight minutes and the second is just a few seconds. Please let me know if these links are sufficient or whether I need to provide an alternative form of media.

The included google links are to the Site 1a video and another to a 5 am video at the Miramar Theatre that Aaron Ohlsson (the person in control of the license) posted on Facebook.

I have also attached pdfs of recent calls for service and tavern reports. There is also a police report from a previous shooting at the Miramar Theatre.

Re: Complaint for **2844-46 N Oakland AV, RENEWAL Class B Tavern License** for The Miramar Theatre, ARO Management LLC

Dear City Clerk,

This is a complaint seeking non-renewal of the tavern licenses for the above-referenced Miramar Theatre. The basis for non-renewal is the applicant's previous history, incidents at the licensed establishment this last year and current pending law violation charges.

As a starting point, it was the early morning of December 6th, 2020, and Andra Nicholson was in his last hour of his life. Aaron R. Ohlsson was present at Site 1A, a downtown Milwaukee club under his control. On that night an example for all time about respecting tavern closing hours came to be. You see, at an Aaron Ohlsson establishment bar time is meaningless. I will provide you video from that night which shows people remaining in their chairs and customers continuing drinking. (I will also provide you video of an after-hours party at the Miramar Theatre.) What led to the trouble that night, a debate about politics, religion, a woman? No, it was allegedly an argument about a long-ago high school basketball team. Correct, an alleged after-hours debate occurred between Mr. Nicholson and an individual named Caesar Fuentes. But this is not a story about whether Mr. Fuentes committed reckless homicide that night, that will be decided by a jury in Judge Borowski's courtroom on June 22nd, 2022. This is a story about the words and actions of Aaron Ohlsson that night all gloriously recorded for you to watch.

Aaron Ohlsson cared about three things on the night of December 6th, 2020, his personal property, allowing Mr. Fuentes to get even with Mr. Nicholson (Mr. Nicholson had punched Mr. Fuentes on the video.), and keeping his after-hours fun going. How do I know? It's all on the video. At 2:49:42 am, the video footage sound recording reflects Aaron Ohlsson yelling at Mr. Fuentes about Fuentes damaging a sign.

Aaron Ohlsson states "I walked you up to the dude to fuck him up and you fucked up the sign." At 2:50:57 am Aaron Ohlsson states "I fucking gave you a chance to beat the shit out of that dude" to the homicide suspect, Mr. Fuentes. Next, at 3:31 am after Mr. Nicholson had been shot six times, the video reflects Aaron Ohlsson telling his staff: "this is why we don't allow people we don't know to stay after hours." Aaron Ohlsson recently stated: I did everything in my power to prevent what transpired. His words and actions belie that statement.

Eventually, Aaron Ohlsson was charged with lying to the police and operating an establishment after hours. The charge of obstructing an officer resulted from Aaron Ohlsson telling the police that he did not know that Fuentes had a gun when the video clearly showed Ohlsson, Fuentes and the gun together. (The theme of lying to the police will be re-visited below.) The video also clearly shows Mr. Fuentes taking out the gun and setting it on the bar. Aaron Ohlsson now says: I have fully cooperated with the police and prosecution to get justice for the victim. The Licenses Committee members will have to contemplate how many people who cooperate with the police, are charged with lying to the police.

The after-hours charge resulted in a conviction on September 27th, 2021, during the current license year. The after-hours party directly led to the death of Mr. Nicholson. As such, the entire incident is fair game for the Licenses Committee consideration.

Regarding Site 1a, the Milwaukee Police Department moved for Revocation of the licenses after Mr. Nicholson's death. Rather than face a public reckoning Aaron Ohlsson turned in his licenses. This followed two previous years of discipline in which Site 1a had been suspended for 20 days in 2020 and 10 days in 2019.

As for the Miramar Theatre, in the last year there have been several incidents that led to police calls for service. A list of several of the CAD calls is attached. An example of the behavior that has gravitated to Milwaukee's east side since the closing of Site 1a occurred on November 12th, 2021, when two security guards removed a patron from the premises. The patron returned inside the Miramar two minutes later and pointed a gun at the guards. The patron eventually left the Miramar without firing a shot. The police were able to obtain video of this scary incident.

Next on December 1st, 2021, a police squad on patrol noticed a car blocking traffic in front of the Miramar. Before the officers could do anything about it, they noticed a fight in the front door between three or four individuals and security guards. Within seconds, the fight grew to over 30 people. Additional squads were called in. Eventually, another

14 squads responded to the Miramar. The original two officers and additional seventeen officers and supervisors were able to quell the fight. Then, the original officers noticed a second fight across the street in the parking lot of a closed pizza place which was being used by Miramar customers. The officers heard "he has a gun." The officers used their skill and training to diffuse the situation and the person drove off.

Then the tavern investigation started. The first thing the police officer noticed was that the Occupancy Limit sign was not posted. Aaron Ohlsson stated that "the frame for the occupancy limit sign broke last week and he was unsure where it was." An employee then produced the sign in a frame, and she stated that it was on Aaron's desk. Next, Aaron Ohlsson was asked if he was charging a cover charge and he indicated yes, he was, and it was \$20.00. when Aaron Ohlsson was asked where it was posted, he indicated that he never posts it. He was informed that the law requires posting.

As for security, Aaron Ohlsson indicated that they did pat downs and "they have a security wand." He stated that the wand was not in use because "they felt the pat downs were sufficient." This time it was a security guard who exposed Aaron Ohlsson's pattern of deception to the police. The guard explained that the security wand was broken. Aaron Ohlsson then explained that he was going to buy a wand from Amazon. He did not tell the officer why he hid the condition of the wand. Aaron Ohlsson then told the officer that he did not use an ID scanner. The Licenses Committee will have to grapple with the fact that it granted tavern licenses to Aaron Ohlsson based on his representation to you that he would wand customers and use an ID scanner and this was a false business plan.

Finally, with apologies to the movie, Footloose, the police also found illegal dancing going on. Aaron Ohlsson never applied for dancing (for a music club) for his PEP but always allows dancing. He also was observed selling Hookahs which he admitted contained tobacco products even though he does not have a license to sell tobacco products.

Additionally, since January of 2020, the Miramar Theater's calls for service have included several batteries, stolen property, numerous troubles with subjects, injured persons, fights, thefts, and special assignments by the Milwaukee Police Department.

At the hearing you will hear plenty about Aaron Ohlsson's new Tuesday night events. The destruction to our neighborhood has gotten so bad on these nights that the police had to set up patrols. Aaron Ohlsson eventually had to hire armed guards. Armed guards are not a solution to neighborhood problems, they are a symptom of problems.

We should not be required to have a club that requires armed guards in our neighborhood.

Next, on April 15th, 2021, the Wisconsin Department of Revenue issued income tax warrant #40-12210858 in the amount of \$20,101.30. According to CCAP, this warrant has not been satisfied. On April 8th, 2022, the Wisconsin Department of Workforce Development issued warrant #6739272000 to ARO Management in the amount of \$827.33. ARO Management is the Miramar Theatre licensee. According to CCAP, this warrant has not been satisfied.

Since 2018, ARO Management has had 4 separate sales tax warrants placed against it. All 4 have been satisfied. Between 2013 and its closing in 2020, Copper Penguin Management Group LLC, Aaron Ohlsson's licensee for Site 1A, had 9 sales tax warrants placed against it. They have all since been satisfied.

What is now clear is that Aaron Ohlsson should not have control of tavern licenses in the City of Milwaukee. His behavior has toggled between childlike fibs that are easily exposed and pure evil resulting in a dead customer. What is astonishing is that no hearing was requested last year nor this year. It is now time for the Common Council to fully consider this matter and decide to non-renew Aaron Ohlsson's tavern licenses.

Thank you for your attention to this matter.

Very Truly Yours,

David Halbrooks

On Friday, November 12, 2021 at approximately 12:04 am, Squad 1321 (myself in full-duty uniform equipped with an activated Axon Body-Worn Camera and in a marked squad car) was dispatched to the Miramar Theatre at 2844 N. Oakland Avenue (located in the City and County of Milwaukee) for a Subject with Gun call. Squad 1330 (PO Justin ARREDONDO) was also dispatched.

Upon arrival, I spoke with the two victims of this incident who identified themselves as Dylan R. SCHULTZ (m/w, [REDACTED]) and Darien T. LOPEZ (m/h, [REDACTED]). SCHULTZ and LOPEZ are employed as security guards for the business. LOPEZ stated that there was a patron who kept climbing onto ledges where he was not allowed. LOPEZ said that he told the patron twice to get down and the third time he climbed up, LOPEZ had to escort him out of the business and stated he was no longer allowed inside. LOPEZ stated that the patron left for approximately 2 minutes and then came back inside of the location. LOPEZ and SCHULTZ both stated that they had to grab the subject and took him outside again. SCHULTZ said that when they got outside of the doors, the male had his back turned and when he turned towards them, the subject had produced a handgun. SCHULTZ stated that the subject racked the slide of the handgun back and pointed it at him. LOPEZ said that the subject pointed the handgun at SCHULTZ and himself. At no point were shots fired. LOPEZ stated that the subject only stated "fuck y'all." The subject was described as the following:

Hispanic male, armed with a semi-automatic handgun, 20-22 years old, 5'05", thin build, blond hair pulled back into a ponytail, last seen wearing a yellow hooded pullover sweatshirt.

SCHULTZ stated that the male was last seen going northbound on N. Oakland Avenue. SCHULTZ told me that two other patrons who had witnessed this, but were no longer on scene, saw the subject get into a vehicle. They stated the license plate was either AJF-3434 or AJF-3437. SCHULTZ said that they described the vehicle as a red Mini Cooper. It should be noted that neither of these license plates register to a vehicle even close to that description.

I spoke with the owner of the Miramar Theatre, Aaron R. OHLSSON (m/w, 01-03-90). OHLSSON was not present during the incident but was able to review camera footage. OHLSSON stated that the only camera was able to capture the subject, but the angle was cut off during the actual incident of the subject pulling out the handgun. OHLSSON stated that he would be able to send me the video regardless. I sent OHLSSON an invitation through evidence.com to submit the video. OHLSSON did submit the video and upon reviewing the video, it does show the subject pointing a firearm at the business, but the victims are not in frame. The following is a description of the video:

The camera is located on the west side of the building and points northbound, showing the sidewalk and front entrance of the business. The video begins at 12:00:27 am. It should be noted that the camera is too far away to get a clear view of the suspect's face, however the suspect can be seen based on his clothing description. The subject enters the camera view at 12:00:55 am walking southbound towards the entrance. The suspect enters the business at 12:00:58 am, exits again at 12:01:03 am, and appears to move something from his sweatshirt pocket to the waistband of his pants in the back. The suspect then reenters the business at 12:01:13 am. At 12:02:10 am, the suspect exits again with his back to the camera, facing north. He then turns around and lifts up his left arm, pointing the handgun towards the

entrance doors. He then lowers his arm and holds the handgun at his side. At 12:02:14 am, an unknown subject comes out and pushes the suspect away from the building. This unknown subject and the suspect walk away northbound on N. Oakland Avenue and they both leave the camera frame as the video ends at 12:02:23 am.

This case is pending.

SWORN CHARGES BY CHIEF OF POLICE FOR REVOCATION OF LICENSES

Pursuant to Wisconsin Statutes Section 125.12 and Sections 85-4, 90-12 and 108-11 Milwaukee Code of Ordinances ("MCO"), Acting Chief of Police Jeffrey Norman, a City of Milwaukee resident and interested party, by Captain James Campbell, Commander of Police District 1, and interested party, being first duly sworn and upon his oath, respectfully charges the following based upon review of official Milwaukee Police Department ("MPD") reports drafted in the ordinary course of business, review of documents received by MPD District 1 and communication with other police, law enforcement and municipal officials:

1. Copper Penguin Management Group, LLC, by its agent Aaron R. Ohlsson, (hereinafter, the "Licensee") is the holder of a Class "B" Tavern license and Public Entertainment Premises license for the licensed premises known as Site 1A located at 231 East Buffalo Street, Milwaukee, Wisconsin 53202. The licenses were suspended for 20 days but renewed on September 22, 2020.
2. The Licensee has been the Agent of Copper Penguin Management Group, LLC since January 30, 2018 and a Stockholder of Copper Penguin Management Group LLC since 2017.
3. Kelly Schmitz holds a Class "D" Operator's License and is employed at Site 1a.

4. On September 22, 2020, the Common Council voted to renew the above-stated licenses with a twenty (20) day suspension based upon MPD reports reflecting responses to noise complaints, after-hours activity, applicant testimony and aldermanic testimony. A true and correct copy of the City of Milwaukee License Committee memorandum to the Common Council with the recommendation for suspension is attached as **Exhibit A**. A true and correct copy of the letter notifying the Licensee of the suspension and renewal is attached as **Exhibit B**.

5. On February 26, 2019, the Common Council voted to renew the above-stated licenses with a ten (10) day suspension based upon the applicant's testimony, neighborhood testimony and aldermanic testimony regarding disorderly nuisance behavior stemming from the premise. A true and correct copy of the letter notifying the Licensee of the suspension is attached as **Exhibit D**.

OPERATING AFTER HOURS RESULTING IN HOMICIDE

6. On December 6, 2020, at or about 3:31 a.m. Andra L. Nicholson (hereinafter, the "victim") was the victim of a fatal shooting at 207 E. Buffalo Street, Milwaukee, Wisconsin. The suspect, Caesar A. Fuentes (hereinafter, the "suspect"), turned himself in shortly thereafter. A true and correct copy of the District Attorney's Criminal Complaint is attached as **Exhibit E**.

7. An argument and physical altercation preceded the shooting at Site 1A located at 23 E. Buffalo Street, #1a, Milwaukee, Wisconsin 53202. Video surveillance provided by the Licensee and reviewed by MPD reflect that on December 6, 2020 at some time shortly after **2:41 a.m.** (after allowable operating hours), both the suspect and the victim are observed inside the licensed premise. In the footage, the suspect appears to be drinking a bottle of Corona beer. The Licensee is also present and seated at the bar wearing a ball cap and Adidas jacket. Two

bartenders are seen in the footage behind the bar; and a security guard is located in front of the bar. The video reflects eight patrons inside the establishment in and around the bar area. This video surveillance was retrieved from the Licensee and reviewed by MPD from the Main Bar South Camera #12. A true and correct copy of the video from Main Bar South Camera #12 is attached via CD as **Exhibit F (at 2:41:51)**.¹

8. The Licensee failed to make any attempts to remove patrons from the premise after allowable operating hours.

9. Despite being present while a physical altercation occurred in the licensed premise, the licensee and Site 1a employees did not contact MPD; nor make an attempt to deescalate the situation.

10. Based on the witness statement of an employee (a bouncer) to MPD Detective Jake Puschnig, the altercation continued outside of the licensed premise and the suspect and victim continued to argue, in the proximity of the bouncer and the Licensee. The witness recalled that the suspect pulled out a Glock-style pistol with an extended magazine and pointed it at the victim. The witness stated that the Licensee was present when this occurred. The Licensee did not contact MPD when this occurred.

11. MPD retrieved and reviewed video surveillance footage taken at some time shortly after 2:49 a.m. (also after operating hours) on the main bar camera North #9. A true and

¹ The videos referenced in this document reflect both a time stamp (hour, minute and second) and date stamp (06/12/2020 – the 6th Day of December, 2020). MPD Detective Michael Tanem and Detective Brian Maciejewski verified with the Licensee that the video footage depicts the events of December 6, 2020 and the Licensee stated that the time stamp on all of the footage reflects a time that is 6 to 7 minutes slower than real time. Thus, the events that appear to have occurred at 2:41 actually occurred at 2:47 or 2:48 a.m.

correct copy of this footage is attached via CD as **Exhibit G**. At 2:49 a.m., the suspect enters the licensed premise and at 2:49:36 pulls out a handgun with an extended magazine and places it on the bar in proximity to two bartenders who are behind the bar. The bartender to the right of the bar in the footage appears in the video to have seen the weapon. The Licensee and his employees did not contact MPD when this occurred. At 2:49:42, the video footage sound recording reflects the Licensee yelling at the suspect about the suspect damaging a sign. The Licensee states "I walked you up to the dude to fuck him up and you fucked up the sign." At 2:50:57 the Licensee states "I fucking gave you a chance to beat the shit out of that dude" to the homicide suspect.

12. MPD retrieved and reviewed video surveillance footage time stamped 2:49 a.m. on the Office Camera #15. A true and correct copy of this footage is attached via CD as **Exhibit H**. At 2:49:05 a bartender enters the office and states "you guys missed the fight" and the other employees acknowledge that a fight occurred (yet, no employee called MPD). The video reflects a bartender entering the office area at 2:50:13 where three other employees are present and announces that the suspect has a gun (yet, no employee called MPD). At 2:50:24 a bartender confirms and asks "he has a gun?" At 2:50:33 the premise operator, Kelly Schmitz, enters the office with a security guard and acknowledges that the suspect has a gun and states "I understand that... I know that." At 2:50:38, the premise operator, Kelly Schmitz states that the gun is the reason why the employees came in the back (again, no employee called MPD). At 2:50:47 a bartender states "Wait does Aaron [the Licensee] know he has a gun?" The security guard replies, "yes."

13. MPD retrieved and reviewed video surveillance footage time stamped 3:00 a.m. on the Entry Hall Door Camera #1. A true and correct copy of this footage is attached via CD as

Exhibit I. The video reflects the Licensee and the suspect speaking alone at a high top table inside the licensed premise; at 3:00:45 the suspect provides the Licensee with his cell phone number and the Licensee appears to put that number into his cell phone.

14. MPD retrieved and reviewed video surveillance footage time stamped 3:31 a.m. on Office Camera #15. A true and correct copy of this footage is attached via CD as **Exhibit J.** The video (at 3:31:03) reflects the Licensee stating “this is why we don’t allow people we don’t know to stay after hours.”

15. After the homicide, the Licensee was interviewed by Detective Jeffrey Emmanuelson assigned to the Homicide Division of the MPD. During the interview, the Licensee informed Det. Emmanuelson he did not have a cell number for the suspect. The Licensee later admitted that he had the suspect’s cell phone number and showed Detective Emmanuelson a text message he sent to the suspect. The Licensee also denied seeing a firearm during the incident. Det. Emmanuelson reviewed video footage from Site 1a Camera #6 that reflects at 2:53:10 a.m., an extended magazine can be seen sticking out of the suspect’s front pants pocket during a conversation with the Licensee. A true and correct copy of the video surveillance from Camera #6 at 2:53 a.m. is attached via CD as **Exhibit K.** Based upon the Licensee’s untruthful statements during the homicide investigation, the Licensee was arrested due to the probable cause for violation of Wis. Stat. § 946.41, Obstructing an Officer. A true and correct copy of the Probable Cause Statement and Judicial Determination form is attached as **Exhibit L.**

16. A check of MPD CAD reports for District One between 2:00 a.m. and 4:00 a.m. on December 6, 2020 reveal no calls for service (from anyone, including the Licensee or his employees) related to anything that occurred at the licensed premise or surrounding area other

than the shooting that occurred at 3:31 a.m. A true and correct copy of the CAD report for the homicide is attached as **Exhibit M**.

17. A true and correct copy of the PA-33 License Premise Report filed by MPD PO Molly Plumley regarding the incidents described above is attached as **Exhibit N**.

BASED UPON the after- hours activity at the licensed premise including an altercation and the display of a dangerous weapon that occurred in the licensed premise resulting in a homicide, the misrepresentations of the Licensee during the investigation related to the homicide, and the ongoing nuisance issues and complaints surrounding the licensed premise, which has cumulatively had a substantial adverse effect upon the health, safety or convenience and prosperity of the immediate neighborhood;

THE CHIEF OF POLICE, by his designee, respectfully requests the immediate revocation of the Class "B" Tavern license and Public Entertainment Premises license relative to the above-referenced Licensee and licensed premises, Site 1a, because:

1. Pursuant to Wis. Stat. Sec. 125.12(2) (ag) 1., the Licensee has violated Ch. 125, Wis. Stats. and municipal regulations;
2. Pursuant to Wis. Stat. Sec. 125.12(2)(ag)2., the Licensee keeps or maintains a disorderly or riotous, indecent or improper house;
3. Pursuant to MCO 85-4-4-c, Site 1a has been the source of congregations of persons which have resulted in one or more of the following: disturbance of the peace, assaults, battery, loitering, loud noise at times when the licensed premise is open for business and after those hours when the premise should be closed, other factors which reasonably relate to the public health, safety and welfare, and the failure to comply with the approved plan of operation;

4. Pursuant to MCO 85-4-4-c, 90-12-1-f, and 108-11-3, Site 1a is operated in such a manner that it constitutes a public or private nuisance and that conduct at Site 1a including but not limited to misrepresentations to law enforcement during the investigation of the homicide associated with the after-hours altercation within Site 1a has had a substantial adverse effect upon the health, safety or convenience and prosperity of the immediate neighborhood; and
5. Pursuant to MCO 85-4-4-c-22, 90-12-1-i and 108-11-3, there are other reasonable causes which are in the best interests, public safety, welfare and good order of the City of Milwaukee, including:
 - a. **Willful Misrepresentations to Law Enforcement:** The Licensee provided false statements to law enforcement regarding the homicide that occurred on or around December 6, 2020 by stating he did not have a contact number for the suspect and that he was not aware that the suspect had a gun. As evidenced by Site 1a security camera video and witness statements, the Licensee was in possession of the suspect's phone number and was aware that the suspect had a gun, and displayed the gun within the licensed premise prior to killing the victim.
 - b. **Disregard for Public Safety:** Site 1a's Licensee and employees failed to protect public safety during the altercation and events leading up to the homicide that occurred on or around December 6, 2020. Site 1a Licensee and employees failed to stop the homicide from occurring, failed to notify authorities of the altercation, or the presence of a dangerous firearm in the licensed premise, failed to detain the suspect, and did not stop the suspect from escalating the altercation which resulted in a homicide. No Site 1a employee contacted law enforcement or sought

medical attention as a result of the incident, which resulted in the death of the victim.

The officers went to the roof with the

Licensee and observed 19 people and open bottles of alcohol. They also observed liquor bottles with pour spouts, which are commonly used in bars. The Licensee stated all the alcohol was privately purchased and he could provide receipts, which he was not able to locate. The Licensee was advised to keep the music down and that this report would be filed.

- H. The Licensee stated the noise complaints and outside incidents were from a year ago. He added that they put silicon and sound proofed the windows and worked with the residents to address with the noise issues. He stated that they now use rubber tips instead of shrink wrap to address the fruit flies. He stated that they have implemented a new security plan and got rid of security staff who did not want to follow directions. He added that most of the complaints were from the Broadway Condominium Association and he worked with them to resolve the issues.
- I. With regard to the gathering referenced in Item "G" above, the applicant stated that the general manager passed away and they had a memorial gathering for him. He added that it was a small open air gathering with staff, family, and friends. He stated that he invited 14-15 staff and they each brought a loved one. He added that the liquor was all purchased privately. He stated that the rooftop is not part of his premises and has nothing to do with his license. He added that it was a giant party and people were socially distanced. He apologizes, but he does not regret having the gathering. He stated that the premises has been closed for seven months because of COVID-19 and he has been very cautious with regards to the pandemic.

Appearing with the applicant:

- J. Attorney Michael Maistelman stated the Licensee would like to withdraw the change of shareholder and transfer of stock applications. He added that the Licensee takes ownership and is doing the right thing and closing during the pandemic. He stated that no citations were issued for the May gathering. He added that the president of the condo association has commended the Licensee for his changes in business practices.

Individual also present:

- K. Alderman Bauman stated he has serious concerns because this license has been before the Committee every year since they opened. He added that there are constant issues of noise, security, and nuisance activities. He stated that at every hearing there are promises of reform and new policies, and then the next year they are back with the same issues. He added that there is a verified noise complaint with a guilty finding. He stated that he is extremely disturbed by the issue in May, where the Licensee 3 or 4 public health mandates, by having a gathering with 19 people during the Safer at Home order, serving alcohol from the bar, having the liquor storage room open, having bottles of liquor on the bar, bottles of liquor on a cart presumably to be served, partygoers are pouring drinks over the side of the building, and the comments the applicant made to the police are despicable. He recommends a 30 day suspension to get the applicant's attention. Ald. Bauman noted that he understands the ability to have a private gathering, but noted that

again, the police were called because of the noise complaint, not because people thought the location was open. He added that there haven't been any noise complaints in the last 7 months because they have been closed.

Individual present in support:

- L. Fred Heller 234 N Broadway #213 stated there have been changes to the security process and there has been a major difference. He added that residents are pleasantly surprised by the change and noise reduction. He stated that security staff is courteous and asks patrons to be quiet when leaving the premises. He added that the MPD has also stepped up their presence.
- M. Alderwoman Lewis stated she is concerned about the gathering of people during the pandemic and the Licensee's cavalier attitude. She added that gatherings of more than 10 people were not allowed in May pursuant to the governor's emergency orders. She stated that a responsible owner should not willfully violate the stay home order. She added that she is empathetic to the death of the manager, but that does not excuse the behavior of the Licensee to willfully disregard the emergency orders.
- N. Alderwoman Lewis moved to amend the application to remove change of shareholder and transfer of stock applications. (Prevailed 5-0)
- O. Alderwoman Lewis moved approval as amended with a 20-day suspension based on the police report, and aldermanic and applicant testimony. (Prevailed 4-1)

Re: Report of the Renewal Application of the Class "B" Tavern and Public Entertainment Premises (PEP) Licenses of Aaron Ohlsson, Agent for the premises located at 231 East Buffalo Street in the City and County of Milwaukee, Wisconsin ("Site 1A").

FINDINGS OF FACT

1. Aaron Ohlsson (hereinafter "the Licensee") is the holder of Class "B" Tavern and Public Entertainment Premises (PEP) Licenses for the premises located at 231 East Buffalo Street in the City and County of Milwaukee, Wisconsin ("Site 1A"). Said licenses expire at midnight on March 19, 2019.
2. An application to renew said licenses was filed with the Office of the City Clerk on December 27, 2018.
3. Pursuant to Chapters 85, 90, and 108 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes, the matter was referred to the Milwaukee Police Department for investigation.
4. On February 1, 2019, the City Clerk's Office provided timely notice to the Licensee pursuant to Chapters 68, 85, 90, and 108 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of the neighborhood objections. The matter was scheduled for a hearing on the objections on February 12, 2019, commencing at approximately 1:30 p.m. in Room 301-B of the third floor of City Hall. At said date, time and place, the Licensee appeared with counsel, Attorney Michael Maistelman, at the hearing and admitted receipt of the notice of hearing.
5. Based upon the sworn testimony heard and the evidence received at the hearing, the Committee finds the following:
 - A. The Licensee admitted that the club did not stop having \$1.00 "Bomb Shots" night on Tuesdays as per the amendment to the plan of operation during the last licensing period. The Licensee admitted fault and acknowledged that there was

no excuse to continue that promotion into the current license period. The Licensee confirmed that the event has now ceased, and stated they will no longer be offering "Bomb Shots" at any price point. He stated that there is security along Buffalo St, and the exit on Tuesday has been changed from the alley to Buffalo Street. He stated that he will have uniform security where people are parking on Broadway St. He stated that MPD has 2 squad cars patrolling on Tuesday nights. He stated he wants to meet with the neighbors more often, MPD and Alderman Bauman. He stated they will stop serving alcohol, turn off the music, and the lights on 30 minutes prior to closing. The location also added over 1000 feet of soundproofing to the space to lower the amount of noise being generated.

- B. Attorney Michael Maistelman stated that there is no police report, the premise has no occupancy issues, they have a good relationship with MPD, they have taken over 250 fake IDs, they have passed MPD checks with minors, all of their bartenders are licensed, and the parking is under control. Attorney Maistelman explained that the Licensee did reach out to the condo association, but the person they met with claimed that they spoke on behalf of the Condo Association, but failed to follow up with the bar. He added that they would be happy to continue to work with neighbors, they just need to know who the correct representatives are. He stated that on Earth Day they do a neighborhood cleanup in the Third Ward. He added that MPD Code Red can meet with the applicant to review their security plan.

Individuals appearing with applicant:

- C. Michael Fierstence 1680A North Franklin Place, part of the ownership group, stated that neighbors are contacting MPD and city officials instead of the premises directly, so they are not always aware of issues. However, he indicated that the bar has taken a number of positive steps to turn things around.
- D. Chris Vrakas, another member of the ownership group, 336 North Milwaukee Street, stated they want to be proactive and fix the issues that are happening. He stated that he did not think \$1.00 "Bomb Night" was the issue. He stated that they are willing to increase security from eight to ten guards. He added that they added more sound proofing, changed some security measures, and created a list of banned patrons. He added that people will enter and exit on Buffalo St. He stated that they are open to hiring off-duty MPD officers. They also had contact with the MPD Captain and there are almost always officers patrolling the location.

Individuals present in opposition:

- E. Mike Guertin, 234 N Broadway Street, #403 stated he moved in in March and has been consistently woken up between 11 p.m. and 2 a.m. on Tuesday nights into Wednesday mornings. He added that most of the noise is people coming and going from the premises. He stated that he's called the police about fights and traffic.

- F. David Jensen, 234 N Broadway St #203 stated he has called the police about the premises numerous times, but they just circle the block. He stated that he listed his apartment to move. He stated that Tuesday is the worst night for noise because of people leaving. He stated that he was shocked about the amount of noise after bar close.
- G. Robin Thompson, 234 N Broadway St #416 stated people hangout in their cars in the alley before they go in to the premises. She stated there are after parties going on after bar close in the neighborhood and it's completely unacceptable. She added that the residents are not the ones creating the problems, it's the patrons. She added that she can provide the management company information to the applicant. She stated that the applicant told her they would have eight security guards patrolling on Tuesday nights and she has not seen any.
- H. Sheldon Garrison, 234 N Broadway St #405 stated he has worked with the applicant in the past to try and address some of the issues. He stated the noise on Tuesday is awful and out of control. He stated there are fights and people partying in the streets until after 2 a.m. and that is unacceptable. He stated that calls to the police go unanswered. He added that people smoke outside in the front of the premises and should be moved to the alley. He stated the premise is operating different from the original business plan submitted. He stated that the noise and disorder on Tuesday has gotten worse over the 4 years that he's lived there. He stated he's seen people drinking, smoking, and having sex outside. He provided a video to the committee, that he recorded, of some of the activity going on at bar time.
- I. Fred Heller, 234 North Broadway Street #213 stated he has witnessed the same issues as the previous speakers. He stated that the security guards are not being proactive by asking patrons keep the noise down.

Individuals present in support:

- J. Rutger Alexander Krueger, 104 East Mason Street stated he works Tuesdays as a DJ at the premises and he sees the security guards and the sound proofing, and the premises is trying to fit the needs of the neighbors.
- K. John Keller, 4035 South Austin Street stated he works as a DJ at the premises at the exit is on Buffalo Street on Tuesdays.
- L. Tina Keller, 4035 South Austin Street stated she agrees with the previous speaker and likes that Tuesday brings the community together.
- M. Courtney Ward, 104 East Mason Street stated she works at the premises and they have made changes to get people out earlier. She added that Tuesday is service industry night. She stated that there are signs saying "please respect our

neighbors". She added that they no longer offer \$100 bottles in VIP in an effort to reduce the intoxication level at the premise.

- N. Travis Lynch, 5635 West Capitol Drive stated he is a DJ at the premises, is in support, and he has witnessed patrons being told to exit out the front.
- O. Jessica Fetter, 3208 North Holton Street stated she works at the premises on Friday nights and the security team is responsive.
- P. Sergio Peralta, 1660 North Prospect Avenue stated the security is responsive and respectful.
- Q. Anise Vaughn, 222 South 3rd Street stated she is an employee of the premises and has noticed the changes that have been implemented.
- R. Kelly Schmitz, 1525 East Royal Place stated is the general manager and has done the staff training and hired security.
- S. Alderman Bauman stated there should not be this level of disorder on a Tuesday night. He stated there has been compelling testimony and Tuesday nights are outrageous. He recommends nonrenewal unless Tuesday night ends at 11 p.m. or 12 a.m.. He stated that that level of noise is on school night is unacceptable. He stated that, while he is sensitive to resident concerns about the police response, it is not MPD's job to police the premises and their patrons. He added that a 30 day suspension is in order based on the compelling testimony and having the same discussion last year with the same assurances. In his opinion, the problems are getting worse, not better. He stated this is an escalating problem.
- T. Alderman Kovac stated that noisy patrons on Tuesday can put the licenses at risk because the premises is responsible for their patrons.
- U. Alderwoman Dodd stated the testimony and the video is very compelling and raises some huge concerns. She stated that neighbors need their sleep and what was on the video was unacceptable. She stated that the premises needs to adjust their plan or they will face discipline.
- V. Alderman Witkowski stated it is not a police responsibility to control the patrons leaving the premises. He stated the premises needs to control their patrons as they exit the premises. He stated that residents should be able to have peaceful enjoyment of their homes.
- W. He added that there are no police reports and no communications from the neighbors since April. He stated that a 30 day suspension is harsh given the circumstances and he would like a warning letter. He stated that he will provide a copy of the updated plan of operation to the Committee, the neighbors, Alderman Bauman, and MPD.

- X. Alderwoman Dodd moved approval with a 30 day suspension based on neighborhood, applicant, and aldermanic testimony. The motion failed on a 2-1 vote, with two excused.
- Y. Alderman Witkowski indicated that he believed some discipline was in order, but was not in support of a 30 day suspension. He moved approval with a 10 day suspension based on neighborhood, applicant, and aldermanic testimony. The motion prevailed on a 2-1 vote, with two excused.

CONCLUSIONS OF LAW

1. The Committee has jurisdiction to hold hearings and provided Findings of Fact and Conclusions of Law and a Recommendation to the full Common Council pursuant to Chapters 85, 90, and 108 of the Milwaukee Code of Ordinances.

Based upon the above facts found, the Committee concludes that the Licensee, Aaron Ohlsson who holds Class "B" Tavern and Public Entertainment Premises (PEP) licenses for the premise located at 231 East Buffalo Street in the City and County of Milwaukee, Wisconsin ("Site 1A") has not met the criteria of Chapters 85, 90, and 108 of the Milwaukee Code of Ordinances to not renew the Class "B" Tavern and Public Entertainment Premises (PEP) licenses without undergoing a ten (10) day suspension. The Committee finds the aldermanic objections as stated above to be true. The Committee based its recommendation on the applicant, neighborhood and aldermanic testimony.
3. The above-named defendant on or about Sunday, December 6, 2020, at or near 207 East Buffalo Street, in the City of Milwaukee, Milwaukee County, Wisconsin, did recklessly cause the death of Andra Nicholson Jr., another human being, under circumstances which showed utter disregard for human life, contrary to sec. 940.02(1), 939.50(3)(b), 939.63(1)(b) Wis. Stats.

Upon conviction for this offense, a **Class B Felony**, the defendant may be sentenced to a term of imprisonment not to exceed **sixty (60) years**.

And further, invoking the provisions of sec. 939.63(1)(b) Wis. Stats., because the defendant committed this offense while using a dangerous weapon, the maximum term of imprisonment for the felony may be increased by not more than **5 years**.

Probable Cause:

Complainant is a City of Milwaukee Police Detective and bases this complaint upon review of police reports as well as involvement in this investigation. Those reports and that investigation revealed the following:

First Responding Officers

On December 6, 2020, the City of Milwaukee Police Department received a 911 phone call at approximately 3:31 a.m. from AN Sr., the father of the above mentioned victim Andra Nicholson Jr., who stated that he received a phone call that his son had been shot. AN Sr. stated that he drove to the area of 207 E. Buffalo Street, City and County of Milwaukee, State of Wisconsin, where he located his son, the victim Andra Nicholson Jr., alone and bleeding near the alley.

When City of Milwaukee Police officer Mark Horstmeyer arrived on scene, he was flagged down by the victim's family members and found the victim lying on his back near the alley with several apparent gunshot wounds to his body. The victim was in and out of consciousness and gasping for air. Officer Horstmeyer attempted to stop the bleeding from the victim's gunshot wounds to his abdomen and right flank. As the Fire Department arrived on scene, the victim became pulseless and non-breathing, so Officer Horstmeyer began chest compressions. Those lifesaving measure were ultimately unsuccessful and the victim died of his injuries.

While police were on scene, witness AW, the uncle of the victim, arrived on scene.

Scene Investigation

Complaint is further based upon the statement of City of Milwaukee Police Detective Thaddeus Schimmels, who was sent to the area of 207 E. Buffalo Street to conduct a scene investigation regarding the homicide. The victim's body was located in the loading dock area, west of the alley which was west of Site bar located at 231 E. Buffalo Street.

Immediately near the victim's body, Detective Thaddeus Schimmels found a **cellphone** laying near the victim's right side. No weapons were found on or near the victim's body.

Near the sidewalk, Detective Thaddeus Schimmels recovered seven (7) fired 9mm cartridge casings. These casings were later taken to the Milwaukee Police Department Intelligence Fusion Center where the NIBIN analysts determined that all 7 casings were consistent with a having been fired by the same firearm.

Autopsy

Complaint is further based upon the statement of Dr. Jessica Lelinski, an Assistant Medical Examiner with the Milwaukee County Medical Examiner' Office, who is trained and experienced in the field of forensic pathology and is duly licensed to practice medicine in the State of Wisconsin.

Dr. Lelinski performed an autopsy on the victim, Andra Nicholson Jr. and determined that he had suffered 6 gunshot wounds. The first observed gunshot wound entered the victim's upper right lateral arm, exited the victim's medial right upper arm and reentered the chest, going through the right lung and the bullet was recovered by the spine. The second gunshot entered the torso on the right flank, went through the victim's kidney and liver and was recovered from the right psoas muscle. The third observed gunshot entered the victim's mid right back, went through the liver and exited the victim's upper abdomen. The fourth gunshot entered the victim's right elbow and exited the victim's right upper arm. The fifth wound was to the victim's left hand. The last wound to be documented was to the victim's left lower leg, where it entered the left lower ankle and exited the left lower leg.

Dr. Lelinski determined that the cause of the victim's death was multiple gunshot wounds and the manner of death was homicide.

Statement of TB

Complaint is further based upon the statement of TB, a citizen witness that lives in the 300 block of East Buffalo Street, City and County of Milwaukee, State of Wisconsin and who states that on the above date, at approximately 3:10 a.m. he heard seven (7) gunshots.

Statement of AW

Complaint is further based upon the statement of AW, the victim's uncle, who stated that in early morning hours of December 6, he received a phone call from the victim. A check of AWs phone shows that this phone call occurred at 2:58 a.m.

The victim told AW that he was downtown and needed a ride home. The victim told AW that he had been at a bar called Site and that he had gotten into a fight with someone at the bar. The victim stated that the fight was about who had the better high school basketball team. The victim told AW that when

he told this person that he went to Whitefish Bay High School, this person called him a "Whitefish Bay nigger." The victim then stated that he hit this person and was told to leave.

The victim then told AW that he would call AW back because the victim was going to call his cousin to see if his cousin was able to come get him. AW stated that he then received a phone call from the cousin who stated that he was going to get the victim.

AW then received another phone call from the victim, which his cell phone showed occurred at 3:07 a.m. During this phone call which lasted several minutes, the victim confirmed that his cousin was going to pick him up.

While they were talking over the phone, **AW heard five or six gunshots** and heard the victim yell out in pain, "I'm hit, he got me, come help me uncle, he got me." AW asked the victim where he was and all the victim could say was "Shake Shack." The victim stopped talking.

AW stated that he then called the cousin and the victim's father at 3:11 a.m. to let them know that the victim had been shot. This consistent with the victim being on a cell phone when he was shot.

AW stated that he then went downtown, but by the time he got there the victim's father and cousin had already found the victim alone and bleeding.

Bar Security Video

Complaint is further based upon the security video from Site Bar, which shows portion of this incident. At the end of the night, the victim and the Defendant can be seen engaged in conversation at the end of the bar, when the victim suddenly punches the Defendant. The victim then walks out of the bar.

Security video shows the Defendant and several staff members also leave the bar moments later. At different times, all the staff come back into the bar. Some before the Defendant returns into the bar, some after.

When the Defendant returns to the bar, he now can be seen to have an extended firearm magazine sticking out of his pocket. The video shows the Defendant walks up to the bar, withdraw his firearm which has an extended magazine, which he then places on the bar for a brief moment, before putting back in his jacket pocket. This is consistent with the Defendant having armed himself with a firearm while outside the bar.

The Defendant then engages in conversation with the owner of the bar for a period of time. The video shows the Defendant leaving the bar at approximately 3:07 or 3:08 a.m.

Statement of Witness AL

AL stated that the bar's management and security then came out and told the victim that he was banned from the bar.

AL further stated that at this point, the Defendant returned, observed the victim and **began making threats to kill the victim**. AL stated that he could see **an extended magazine for a handgun sticking out of the Defendant's pocket**.

AL then stated that he did not want to be a part of this altercation so he walked across the street from the bar to wait for his ride. AL stated that when his ride came, he left and that the victim, the Defendant, and bar security were still all outside.

Statement of Witness KS

Complaint is further based upon the statement of witness KS, who worked at Site bar on the above date. KS stated that she did not see a physical fight but did hear arguing between the victim and the Defendant, whom she has known for a year. KS stated that she then saw the victim run out of the bar and heard that the victim had punched the Defendant.

KS stated that when she went outside she saw the Defendant running down the street to her right yelling **"I'm going to kill you."** KS stated that she looked to her left and saw the victim standing with two males. KS and staff told the victim he was banned and that he should walk further west toward Shake Shack to get his ride.

KS stated that the Defendant then returned and the owner and security got in between. KS stated that she then went inside the bar. Later when back inside the bar office, the security guard told her that the Defendant had a gun, which KS had never seen.

Statement of BG

Complaint is further based upon the statement of BG, who states that on the above date he was working as a DJ at Site and had known the victim since high school. BG stated that at the end of the night, he saw the victim and the Defendant at the end of the bar arguing about high school basketball. BG stated that when the Defendant stated that he was from Milwaukee, the victim stated **"I'm from Whitefish Bay, fuck Milwaukee."** BG stated that the Defendant stated that, **"I'll beat anybody's ass from Whitefish Bay."** BG stated that during the argument, the Defendant used the "n-word" a few times.

BG stated that the victim then "sucker-punched" the Defendant and ran out of the bar towards the alley. BG stated that the Defendant, went outside after the victim, and was followed by the bar's security and management.

BG stated that he remained inside for some time and then walked outside to see the Defendant and the victim in the alley to the west of the bar arguing. BG stated that the victim was angry and was yelling that the Defendant had **pulled a gun on him**. BG stated that the victim yelled "go ahead and shoot me" and **the Defendant stated, "don't test me."**

BG stated that the security guards got between them and eventually the Defendant went inside. BG stated that he was outside alone with the victim, and that he tried to get the victim to leave. BG stated that the victim said, "I called my people" and that a "a shooter is on the way." BG stated that he then left.

Statement of AR

Complaint is based upon the statement of AR, a security guard at the bar, who states that on the above date, at the end of the night, he saw the victim and the Defendant at the end of the bar arguing about being from the northside or southside of Milwaukee. He stated that he saw the victim "sucker punch" the Defendant, at which point the victim walked out of the bar.

AR stated that the Defendant then went outside after the victim. AR stated that he then attempted to stop the Defendant but the Defendant walked around him.

AR stated that when he got outside, he saw the Defendant walking away down the street and KS telling the victim that he needed to leave.

AR stated that the Defendant then returned and began arguing with the victim again, and that KS went back inside. AR stated that the Defendant then pulled out a firearm with an extended magazine, pointed it at the victim, and stated "If I ever see you again, I will kill you." AR stated that the victim said, "go ahead and shoot me."

AR stated that people started to leave when the gun came out and that the Defendant was calmed down and sent back into the bar. When AR walked inside the bar, he stated that he thought the victim was alone outside. AR stated that when he got inside the bar, he walked into the office and told KS that the Defendant had a gun.

Statement of the Defendant

Complaint is further based upon the statement of City of Milwaukee Police Officer Murray Hayes who states that on December 6th, 2020, he was working at the Milwaukee Police Department District 2 station when the above mentioned Defendant turned himself in at 5:30 a.m. The Defendant did not have his firearm on him when he turned himself in.

The Defendant stated that he had discharged his firearm outside of his friends club, Site 1A in the area of Water Street and Buffalo Street.

The Defendant's family later turned over a Glock 17 Gen 5 9mm semi-automatic handgun that they stated the Defendant had on him that night. NIBIN analysis showed that this firearm was consistent with having fired all seven casings found at the homicide scene.

LICENSE PREMISE REPORT

Plumley, Molly D 019452

12/16/2020

This report is written by PO Molly PLUMLEY, assigned to District One, Late Power shift.

On Wednesday, December 16, 2020 I was assigned as Desk Officer and asked to conduct follow up regarding a violation for patrons in a tavern after hours at Site 1A (231 E Buffalo). On December 6, 2020 at 3:33 AM PO HORSTMAYER was dispatched to a Shooting/Homicide investigation at 207 E. Buffalo. It was later determined that both the Suspect, and the Victim were inside of Site 1A tavern after hours.

I was provided a clip of surveillance video from a camera inside of the bar (Main Bar South). The video shows the Agent of the bar (OHLSSON, Aaron R. W/M 1/3/90) sitting at the bar with other patrons, and staff members. During the video, I observed multiple alcoholic beverages on top of the bar that appeared to be open for consumption. The video also shows the Victim of the shooting investigation punch someone who was later identified as the suspect of the shooting investigation. OHLSSON is sitting at the bar with other patrons and appears to be having a conversation while this altercation occurs. The video that captured this incident is time stamped at 2:41 AM.

I was also provided with a transcript of an audio recording from multiple cameras in the tavern. In the transcript "Kelly" is identified as SCHMITZ, Kelly J. (W/F 5/9/1991) who is also a bar manager for the location, and "Caesar" is identified as FUENTES, Caesar A. (W/M 10/6/1997) who is the suspect in the shooting investigation (IR#203410032).

The summons shall command the licensee complained of to appear before the municipal governing body or the committee on a day and place named in the summons, not less than 3 days and not more than 10 days from the date of issuance, and show cause why his or her license should not be revoked or suspended. The summons and a copy of the complaint shall be served on the licensee at least 3 days before the time at which the licensee is commanded to appear. Service shall be in the manner provided under ch. 801 for service in civil actions in circuit court.

(b) *Procedure on hearing.*

1. If the licensee does not appear as required by the summons, the allegations of the complaint shall be taken as true and if the municipal governing body or the committee finds the allegations sufficient, the license shall be revoked. The clerk shall give notice of the revocation to the person whose license is revoked.
2. If the licensee appears as required by the summons and denies the complaint, both the complainant and the licensee may produce witnesses, cross-examine witnesses and be represented by counsel. The licensee shall be provided a written transcript of the hearing at his or her expense. If the hearing is held before the municipal governing body and the complaint is found to be true, the license shall either be suspended for not less than 10 days nor more than 90 days or revoked, except that, if a complaint under par. (ag) 4. is found to be true with respect to a license issued under s. 125.51 (4) (v), the license shall be revoked.
3. If the hearing is held before a committee of a city council, the committee shall submit a report to the city council, including findings of fact, conclusions of law and a recommendation as to what action, if any, the city council should take with respect to the license. The committee shall provide the complainant and the licensee with a copy of the report. Either the complainant or the licensee may file an objection to the report and shall have the opportunity to present arguments supporting the objection to the city council. The city council shall determine whether the arguments shall be presented orally or in writing or both. If the city council, after considering the committee's report and any arguments presented by the complainant or the licensee, finds the complaint to be true, or if there is no objection to a report recommending suspension or revocation, the license shall be suspended or revoked as provided under subd. 2.
4. The municipal clerk shall give notice of each suspension or revocation to the person whose license is suspended or revoked.
5. If the municipal governing body finds the complaint untrue, the proceeding shall be dismissed without cost to the accused. If the municipal governing body finds the complaint to be malicious and without probable cause, the costs shall be paid by the complainant. The municipal governing body or the committee may require the complainant to provide security for such costs before issuing the summons under par. (ar).

(c) *Effect of revocation.* When a license is revoked under this subsection, the revocation shall be recorded by the clerk and no other license issued under this chapter may be granted within 12 months of the date of revocation to the person whose license was revoked. No part of the fee paid for any license so revoked may be refunded.

(d) *Judicial review.* The action of any municipal governing body in granting or failing to grant, suspending or revoking any license, or the failure of any municipal governing body to revoke or suspend any license for good cause, may be reviewed by the circuit court for the county in which the application for the license was issued, upon application by any applicant, licensee or resident of the municipality. The procedure on review shall be the same as in civil actions instituted in the circuit court. The person desiring review shall file pleadings, which shall be served on the municipal governing body in the manner provided in ch. 801 for service in civil actions and a copy of the pleadings shall be served on the applicant or licensee. The municipal governing body, applicant or licensee shall have 20 days to file an answer to the complaint. Following filing of the answer, the matter shall be deemed at issue and hearing may be had within 5 days, upon due notice served upon

the opposing party. The hearing shall be before the court without a jury. Subpoenas for witnesses may be issued and their attendance compelled. The decision of the court shall be filed within 10 days after the hearing and a copy of the decision shall be transmitted to each of the parties. The decision shall be binding unless it is appealed to the court of appeals.

- (3) **REFUSALS BY LOCAL AUTHORITIES TO RENEW LICENSES.** A municipality issuing licenses under this chapter may refuse to renew a license for the causes provided in sub. (2) (ag). Prior to the time for the renewal of the license, the municipal governing body or a duly authorized committee of a city council shall notify the licensee in writing of the municipality's intention not to renew the license and provide the licensee with an opportunity for a hearing. The notice shall state the reasons for the intended action. The hearing shall be conducted as provided in sub. (2) (b) and judicial review shall be as provided in sub. (2) (d). If the hearing is held before a committee of a city council, the committee shall make a report and recommendation as provided under sub. (2) (b) 3. and the city council shall follow the procedure specified under that subdivision in making its determination.
- (3m) **REFUSALS BY LOCAL AUTHORITIES TO ISSUE LICENSES.** If a municipal governing body or duly authorized committee of a city council decides not to issue a new license under this chapter, it shall notify the applicant for the new license of the decision not to issue the license.  2. That the licensee keeps or maintains a disorderly or riotous, indecent or improper house.
 3. That the licensee has sold alcohol beverages to known habitual drunkards.
 4. That the licensee has failed to maintain the premises in accordance with the standards of sanitation prescribed by the department of health services.
 5. That the licensee has permitted known criminals or prostitutes to loiter on the licensed premises.
 6. That the licensee does not possess the qualifications required under this chapter to hold the license.
 7. That the licensee has been convicted of manufacturing, distributing or delivering a controlled substance or controlled substance analog under s. 961.41 (1); of possessing, with intent to manufacture, distribute or deliver, a controlled substance or controlled substance analog under s. 961.41 (1m); or of possessing, with intent to manufacture, distribute or deliver, or of manufacturing, distributing or delivering a controlled substance or controlled substance analog under a substantially similar federal law or a substantially similar law of another state.
 - 7m. That the licensee has been convicted of possessing any of the materials listed in s. 961.65 with intent to manufacture methamphetamine under that section or under a federal law or a law of another state that is substantially similar to s. 961.65.

- (ar) *Summons.* Upon the filing of the complaint, the clerk of the court shall issue a summons commanding the licensee to appear before the court not less than 20 days from its date of issuance and show cause why his or her license should not be revoked or suspended. The summons and a copy of the complaint shall be served at least 20 days before the date on which the person is commanded to appear. Service shall be in the manner provided in ch. 801 for civil actions in circuit court.
- (b) *Procedure on hearing.* If the licensee does not appear as required by the summons, the allegations of the complaint shall be taken as true and if the court finds the allegations sufficient, it shall order the license either suspended for not more than 90 days or revoked, except that, for allegations under par. (ag) 6. with respect to a license issued under s. 125.51 (4) (v), it shall order the license revoked. The clerk of the court shall give notice of the suspension or revocation to the person whose license is suspended or revoked. If the licensee appears and answers the complaint, the court shall fix a date for the hearing not more than 30 days after the return date of the summons. The hearing shall be had before the court without a jury. If upon the hearing the court finds the allegations of the complaint to

be true, it shall order the license either suspended for not more than 90 days or revoked, except that, if upon the hearing the court finds allegations under par. (ag) 6. to be true with respect to a license issued under s. 125.51 (4) (v), the court shall order that license revoked. If the court finds the allegations of the complaint to be untrue, the complaint shall be dismissed.

- (c) *Effect of revocation or suspension.* When a license is revoked or suspended under this subsection, the clerk of court shall notify the authority which issued the license. If the license is revoked, no other license may be issued under this chapter to the person whose license was revoked or to any person related to him or her as owner, lessor, bailor or lender, within the 12 months after the date of revocation and no other license may be granted for the premises covered by the revoked license within 60 days of the date of revocation. The findings and order of the court shall be filed within 10 days after the hearing and the order shall be final unless appeal is taken to the court of appeals. If an appeal is taken from a revocation, any period during which the order is stayed shall be added to the 12 months and 60 days, respectively. No part of the fee paid for any license which is revoked may be refunded. Whenever any court has revoked or suspended any license under this subsection, no further proceedings shall be commenced under this subsection except upon grounds arising after the original revocation or suspension.
- (5) **REVOCATIONS OR SUSPENSIONS OF, OR REFUSALS TO RENEW, PERMITS BY THE DEPARTMENT.** The department may, after notice and an opportunity for hearing, revoke, suspend or refuse to renew any retail permit issued by it for the causes provided in sub. (4) and any other permit issued by it under this chapter for any violation of this chapter or ch. 139, except that, for a violation of sub. (4) (ag) 6. with respect to a license issued under s. 125.51 (4) (v) or a violation of s. 125.535 or 139.035, the department shall revoke the license or permit. A revocation, suspension or refusal to renew is a contested case under ch. 227.
- (6) **REVOCATION OR SUSPENSION OF INTOXICATING LIQUOR WHOLESALERS' PERMITS FOR CERTAIN VIOLATIONS.**
- (a) Any person may file a sworn written complaint with the department alleging that an intoxicating liquor wholesaler has violated s. 125.54 (7) (a). The complaint shall identify the specific legal basis for the complaint and sufficient facts for the department to determine whether there is cause to find that a violation has occurred. The department shall provide a copy of the complaint to any wholesaler against whom allegations are made, along with notice of the time period under par. (b) to show cause why the wholesaler's permit should not be revoked or suspended or to request a hearing.
- (b) Within 30 days of receiving a copy of the complaint under par. (a), any wholesaler against whom allegations are made may file a sworn written response or a written request for an evidentiary hearing before the department under s. 227.44.
- (c) Subject to pars. (d) 1. and (dm), if no request for an evidentiary hearing is made under par. (b), within 60 days of receiving any response under par. (b) or, if no response is made, within 60 days of the date on which a response or request for hearing is due under par. (b), the department shall make a written decision as to whether a violation has occurred and either dismiss the complaint or take action under par. (e). Any decision under this paragraph shall include findings of fact and conclusions of law and shall state all reasons for the decision. The department shall provide a copy of the decision to the complainant and to any wholesaler against whom allegations are made.
- (cm) Subject to pars. (d) 2. and (dm), if a request for an evidentiary hearing is made under par. (b), the hearing shall be conducted in the manner specified for a contested case under ss. 227.44 to 227.50, except that the hearing shall be conducted within 45 days of receiving the request for hearing under par. (b) and the department shall make its written decision, including whether a violation has occurred and whether the complaint is dismissed or action is taken under par. (e), within 15 days after the hearing. In addition to service of the decision as provided under s. 227.48, the department shall provide a copy of the decision to the complainant.
- (d)
1. If no request for an evidentiary hearing is made under par. (b), within 60 days of receiving any response under par. (b) or, if no response is made, within 60 days of the date on which a response or request for hearing is due under par. (b), the department may extend the time period for making a decision under par. (c) by an additional 60 days if the department provides notice within the time period specified in par. (c) that an additional 60 days is necessary for investigation.
 2. If a request for an evidentiary hearing is made under par. (b), within 45 days of receiving the request for hearing under par. (b), the department may extend the time period for conducting the hearing by an additional 45 days if the department provides notice within 45 days of receiving the request for hearing under par. (b) that an additional 45 days is necessary for investigation.

- (dm) Within 45 days of receiving any response or request for hearing under par. (b) or, if no response or request for hearing is made, within 45 days of the date on which a response or request for hearing is due under par. (b), the department may elect to file a complaint in circuit court under sub. (4) that includes all allegations of the complaint under par. (a) for which the department determines there is cause to find that a violation of s. 125.54 (7) (a) has occurred. If the department files a complaint in circuit court as provided under this paragraph, the department shall not conduct a hearing under par. (cm) or make a written decision under par. (c), but shall proceed with the matter as provided under sub. (4).
- (e) If the department finds the allegations under par. (a) true and sufficient, the department shall either suspend for not less than 10 days nor more than 90 days or revoke the wholesaler's permit, and give notice of the suspension or revocation to the wholesaler.
- (f) A revocation or suspension proceeding under this subsection is a contested case under ch. 227, except that ss. 227.44 to 227.50 apply to a proceeding under this subsection only if a request for an evidentiary hearing is made under par. (b).

History: 1981 c. 79; 1983 a. 516; 1987 a. 93; 1993 a. 98; 1995 a. 27 s. 9126 (19); 1995 a. 417, 448; 1997 a. 27, 35, 166, 187; 1999 a. 9; 2005 a. 14, 25, 442; 2007 a. 20 s. 9121 (6) (a); 2007 a. 85; 2009 a. 12.

Due process and equal protection rights of licensees are discussed. *Tavern League of Wisconsin v. City of Madison*, 131 Wis. 2d 477, 389 N.W.2d 54 (Ct. App. 1986).

A license never should have been issued when a notice of application had not been published as required under s. 125.04 (3) (g), and a license issued without publication is void under s. 125.04 (2). Selling liquor under a void license constitutes a violation of s. 125.66 (1). Under s. 125.12, a renewal licensee, if refused, is guaranteed a right to be heard by the municipality, and the municipality must show cause for refusal, but a new licensee, if refused, has no such guarantee. When an original license is void, the applicant is a new licensee. *Williams v. City of Lake Geneva*, 2002 WI App 95, 253 Wis. 2d 618, 643 N.W.2d 864, 01-1733.

Notices sent by the city did not violate the requirement in sub. (3) that the "council shall notify the licensee in writing of the municipality's intention not to renew the license" because they stated that "there is a possibility that your application may be denied." As the matter cannot be affirmatively decided before the hearing, it is of course only a possibility that the applicant's license will not be renewed at the time the notice is sent. *Questions, Inc. v. City of Milwaukee*, 2011 WI App 126, 336 Wis. 2d 654, 807 N.W.2d 131, 10-0707.

3.5. LICENSEE or PERMITTEE means a person licensed, permitted or otherwise approved under the provisions of this code to operate a particular type of business or to conduct a certain activity for which the code requires that a license, permit or other approval be granted or issued by the city before any person may operate that type of business or conduct that activity.

4. OBJECTION means a written statement submitted by an interested party to the city clerk that includes information personally known to the objector that could form the basis for nonrenewal or suspension of a license or permit as provided in s. 85-4-4, or as expressly provided elsewhere in this code for a license or permit as a basis for denying renewal or suspension of the license.

5. OBJECTOR means a person or party affected by the operation or proposed operation of a licensee, or who is or may be affected by the issuance or continuance of a permit, whose written objection is sufficient under this code to initiate proceedings for non-renewal, suspension or revocation of a license or permit.

6. PERSON means any individual, firm, partnership, association, corporation, limited liability company or limited liability partnership.

85-2.5. Notice of Hearing Upon Council Member Request. 1. CITY CLERK TO NOTIFY. Upon request of the local council member, the city clerk may provide, by mail, written notice, regarding an application for any business license processed by the city clerk, which is scheduled for a hearing before the licensing committee of the common council, to up to 100 single-family residences in the immediate area of the property for which a license is sought, or to each resident of the circular area having a radius of 250 feet, centered on the property for which a license is sought, whichever is greater.

2. EXCEPTION. Notwithstanding sub. 1, those interested parties who have made written requests to the city clerk to be notified of a hearing for a particular license application shall be provided notice by the city clerk regardless of their residence.

85-2.7. Hearing Procedure, New License. 1. HEARING; NOTICE. The licensing committee shall make a recommendation on whether or not

to grant each new license. If there is a possibility of denial, the licensing committee shall hold a hearing. No hearing shall be held unless the city clerk, or other city official or department authorized to receive applications for licenses, has provided written notice to the applicant. The notice shall be served upon the applicant so that the applicant has at least 3 days' notice of the hearing. The notice shall contain:

a. The date, time and place of the hearing.

b. A statement to the effect that the possibility of denial of the license application exists and the reasons for possible denial. If the possibility of denial is based on the fitness of the location of the premises to be licensed, the notice shall also be served upon the owner of the premises so that the owner has at least 3 days' notice of the hearing. Notice to the owner of the premises shall contain the same information and statements included under this paragraph related to the notice to the applicant.

c. A statement that an opportunity will be given to the applicant to respond to and challenge any reason for denial and to present witnesses under oath and to confront and cross-examine opposing witnesses under oath.

d. A statement that the applicant may be represented by an attorney of the applicant's choice at the applicant's expense, if the applicant so wishes.

2. POSSIBILITY OF DENIAL. If there is a possibility of denial, at the hearing the committee chair shall open the meeting by stating that a notice was sent and read the notice into the record unless the applicant admits notice. The chair shall advise the applicant that the applicant has an option to proceed with a due process hearing, represented by an attorney, with all testimony both direct and cross-examination under oath, or that the applicant may simply make a statement to the committee.

4. **RECOMMENDATION.** The recommendation of the committee regarding the applicant shall be based on evidence presented at the hearing. Probative evidence concerning whether or not the license should be granted may be presented on the following subjects:

a. Whether or not the applicant meets the municipal requirements.

b. The appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application.

c. The fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought, whether the proposal is consistent with any pertinent neighborhood business or development plans, or proximity to areas where children are typically present.

d. The applicant's record in operating similarly licensed premises.

e. Whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for.

f. Any other factors which reasonably relate to the public health, safety and welfare.

5. **FACTORS NOT CONSIDERED FOR RECOMMENDATION.** The recommendations of the committee regarding the applicant shall not be based on evidence presented at the hearing related to the type or content of any music, or the actual or likely financial or non-financial effects on actual or potential competitors.

6. **Committee Decision.** The committee may make a recommendation immediately following the hearing or at a later

date. Written notice of the committee's decision will be provided if the decision is made at a later date or if the applicant was not present or represented. The committee shall forward its recommendation in writing to the common council for vote at the next meeting at which such matter will be considered.

7. **DOCUMENT.** If the common council grants the application for a license, the city clerk, or other city official or department authorized by the code to issue licenses, shall issue an appropriate document to the applicant confirming that fact. Unless otherwise provided, the city clerk, or other city official or department authorized by the code to receive applications for licenses or permits, shall provide written notice of the possibility of non-renewal, or of suspension or revocation of a license or permit to the applicant addressed to the person or agent at the address most recently provided by the applicant.

b. Written notice of possible non-renewal, suspension or revocation shall include:

b-1. The date, time and place of a hearing to be held by the committee.

b-2. A statement of the common council's intent to revoke, suspend or not renew the license or permit if objections, charges or allegations are found to be true.

b-3. A statement of the specific reasons for revocation, suspension or non-renewal.

Service of notices of meetings and service of other documents including committee reports and recommendations shall be made upon any party entitled to such notice and service by placing the same in the United States first class mail, postage prepaid.

3. OBJECTIONS. a. How Made.

Notice of an objection to the renewal of a license or in support of suspension of a license or permit by an interested party shall not be included in the notice of hearing if the objection has not been received by the city clerk within 45 days of the expiration of the license. Failure to timely submit an objection shall not be a bar to testimony or other evidence that relates to any matter actually identified in the notice of hearing as a basis for nonrenewal or suspension. An objection shall include information that could form the basis of a license nonrenewal or suspension and may be transmitted in writing or by electronic means. Any city official, or the official's delegate, shall forward an objection from an interested party, or from a resident as provided in s. 90-1-19, to the city clerk. The information provided by an official or the official's delegate to the city clerk shall include the name of the objector, contact information for the objector, and information known to the objector that may form a basis for nonrenewal or suspension. The submission by a city official or the official's delegate of a written summary of the objection to the city clerk shall be treated in the same manner as other objections. The city clerk is authorized to establish forms for the purpose of assisting persons wishing to submit an objection.

b. Exception. If application for renewal is filed with the city clerk after the deadline for renewal application established by the city clerk and prior to the expiration of the license, an objection may be submitted in fewer than 45 days prior to the expiration of the license and may be considered at a regularly scheduled meeting of the licensing committee provided sufficient and timely notice is given.

85-4. Hearing Procedure; Non-Renewal, Suspension or Revocation. 1. **AUTHORITY OF COMMITTEE.** The committee shall conduct hearings with respect to the non-renewal, suspension or revocation of a license or permit pursuant to this section. The chair of the committee shall be the presiding officer.

1.5. **MULTIPLE LICENSE TYPES.** When the committee conducts a hearing relating to the possible denial, non-renewal, suspension

or revocation of a business type license and the licensee holds one or more other types of licenses or permits issued by the city clerk for the same premises, the committee shall also consider possible non-renewal, suspension or revocation of the other licenses or permits at the same hearing. Notice of possible denial, non-renewal, suspension or revocation of the non-alcohol beverage licenses or permits shall be provided in accordance with s. 85-3.

2. **COMMITTEE HEARING PROCEDURE.** a. The chair shall advise the applicant of the right to proceed to a due process hearing represented by counsel with all testimony, both direct and cross examination, under oath or that the applicant may simply make a statement to the committee.

b. The chair shall direct that oaths be administered and subpoenas issued upon request of any party.

c. The chair shall ensure that an orderly hearing is conducted in accordance with the requirements of this section. The chair shall open the hearing with a statement that a notice was sent to the applicant, and, if the applicant appears, shall further inquire whether the notice was received. Unless expressly provided elsewhere in this code, the chair shall advise the licensee and parties seeking nonrenewal, suspension or revocation of the license that each side will be limited to 30 minutes for testimony and oral argument. This time may be extended by the chair, subject to approval by the committee, if additional time is necessary for a full and fair presentation of the facts and arguments. When permitted by the chair, questioning by committee members and relevant responses shall not count against the time limitation. In the event that the applicant does not admit receipt of the notice and also denies knowledge of the contents of the notice, the chair shall ascertain whether the applicant wishes to immediately proceed to a full hearing or whether the applicant wishes the matter to be held to the call of the chair or to a time certain. The decision to proceed or to hold the matter shall be made by the committee.

d. The chair shall rule on objections to the admissibility of evidence. Any ruling of the chair shall be final unless appealed to the committee, and the committee shall reverse such ruling only upon the vote of a majority of its members.

3. **RECORD.** An electronic or stenographic record shall be made of all licensing proceedings before the licensing committee and the common council. An

5. HEARING OFFICER. Where it is impractical for the committee to hold an evidentiary hearing, the committee may employ a hearing officer for the purposes of taking testimony and rendering recommended findings of fact and conclusions of law to the committee. When such hearing officer is employed, he or she shall prepare written findings of fact and conclusions of law which shall be simultaneously transmitted to the committee as well as to the applicant, the applicant's agent, manager, operator or any other employee of the applicant, and to the person bringing the complainant or objector. LICENSE PREMISE REPORT

Laroque, Brian C 021484

12/06/2021

This report was written by P.O. Brian LaROQUE.

I am currently assigned as a patrol officer at District One, Late Shift. I have 10 years of experience with the Milwaukee Police Department. I am a certified Wisconsin Law Enforcement Standards Board (LESB) instructor for the following topics; Standardized Field Sobriety Tests (SFSTs)/Operating While Intoxicated (OWI), Emergency Vehicle Operation and Control (EVOC), Vehicle Contacts, Scenario Instructor, General Law enforcement Instructor, Nark II Pouch Instructor (narcotics identification and testing), and Pursuit Intervention Technique (PIT) Instructor.

I has also received additional training in recognizing characteristics of an armed individual, and advanced roadside impaired driving enforcement (ARIDE) as it relates to OWI related investigations. In my 10 years of service to the City of Milwaukee I have been involved with numerous investigations regarding OWI related offenses, drug related offenses to include distribution of narcotics, and weapons violations which includes robbery or Reckless Use of Weapons violations. I was also assigned as the District Seven License Premise officer and handled investigations as it related to licensed premises throughout District Seven for approximately 3 years.

On Wednesday, December 1, 2021 I was assigned to Squad 1369 with P.O. Jacob ROECKER and was operating Milwaukee Police Department Squad Car 118. Car 118 is a fully marked squad car equipped with an external emergency light bar, an emergency siren, and an Axon Dash Camera system.

I was in full Milwaukee Police Department Uniform and am equipped with a personal worn Axon Body

worn camera affixed to my chest.

While on patrol in the area we noted that there was a vehicle parked blocking the right traffic lane in front of Miramar Theater, located at 2844 N Oakland Av.

We pulled behind the vehicle and prior to being able to take any police action regarding the illegally parked vehicle we noticed a fight between individuals at the front door and security removing people from inside of the bar. The fight consisted of 3 to 4 individuals and security.

Within a matter of seconds the fight grew to an estimated 30 subjects involved and police officers were called into the area to assist in removing the crowd.

The following squads responded to the location to assist;

- 1369 (Primary Squad P.O. Jacob ROECKER and I)
- 1368 (P.O. Elliott SANDERS-BARTA and P.O. Ryan BALLOGH)
- 1420 (P.O. Kevin ZAVADIL and P.O. Richard MICHALAK JR)
- 1341 (P.O. Aaron FROH)
- 1312 (Sgt. Marcin PAGACZ)
- 1321 (P.O. Kristina BRIDGER)
- 1332 (P.O. Justin ARREDONDO)
- 1391 (P.O. Arthur ROBINSON)
- 1410 (Sgt. David GRANDSARD)
- 1333 (P.O. Joshua DOERING)

At this time additional officers from another district were requested. These are the additional squads that responded to the location to assist;

- 5371 (P.O. Hector SOSA and P.O. Casey EBERT)
- 5372 (P.O. Juan MEDEL and P.O. Luis MENDOZA)
- 5312 (Sgt. Joseph SPINGOLA JR)
- 5472 (P.O. Eric BRANDT)

With the additional help on scene we began to disperse the crowd and during this time I observed two subjects get into a verbal altercation directly across the street in the parking lot of a Little Caesars. It should be noted that the business was closed and the parking lot was being utilized by the patrons of Miramar Theater.

I observed one subject seated in the driver's seat of a truck yelling at another individual who was walking towards him. The second individual was a B/M in his early 20's wearing a gray hoodie. I observed this individual lift his shirt slightly and use his right hand to grab something in his waist band. These are indicators of an individual who is armed with a weapon. Another person started to yell "he has a gun". I noted that the subject reaching into his waist band was focused and giving the subject in the truck a "1000 yard stare".

I utilized my flashlight to get his attention and began to yell commands for him not to do it. During this time I transitioned to my firearm and was carrying it in the Sul position or carried pointed down close to my chest. I had my firearm in this position in the event the actor drew a weapon from his waist band. The subject did not display a weapon and we were unable to see one. The subject retreated back to a vehicle and fled the scene.

Once the crowd dispersed I conducted a tavern investigation check at the Miramar Theater.

I spoke with the owner, Aaron R OHLSSON (W/M, 1/3/90), regarding my concerns and informed him that I would be doing a "Tavern Check". This check is to ensure the businesses compliance with the City of Milwaukee Ordinances regarding the operations of a tavern.

During the investigation OHLSSON informed me that for security they had 7 guards and that they were deployed as follows;

2 stationed at the entrance

1 stationed at the exit

1 at the side door

1 on the stage

1 in VIP

1 Roaming

He also informed me that he had 5 bartenders working at the time. The contact information for the 5 bartenders and for the head of security are listed above. It should be noted that all 5 bartenders have valid Class D bartenders licenses.

I observed that the license for the business were properly posted but that they did not have their occupancy limit posted properly. OHLSSON informed me that the frame for the occupancy limit sign broke last week and he was unsure where it was but would have his employee find it. A short time later a female employee handed him the occupancy limit sign in a wooden frame and when she was asked where it was she informed OHLSSON that it was on his desk under all of his paperwork.

I asked OHLSSON if he was charging a cover charge during the night and he stated that there was a \$20 cover charge at the door. When asked where that was posted OHLSSON stated that it was not posted and that he has never posted his cover charge in the past. I informed OHLSSON that this is a violation of

City of Milwaukee Ordinance.

I asked OHLSSON what his security measures were during the night and he informed me that they do extensive pat downs of all of their customers, and that they have a security wand but when asked if the wand was in use he stated that it was not as they felt the pat downs were sufficient.

I later spoke with his head of security, Hector M GARCIA JR (B/M, 9/19/84), who informed me that the reason they were not using the security wand is because it is broken. When I looked to OHLSSON for an explanation he stated that he has one in his "Amazon" shopping cart and hopes that it will be here the next day. He did not elaborate why he did not tell me it was broken to begin with.

When asked if they utilize an ID Scanner they stated that they did not. I later was able to review their application for their license and observed that it stated that for security measures they would utilize both a security wand and an ID Scanner.

I also informed OHLSSON that when we came into the business I observed patrons dancing and he acknowledged it. I informed OHLSSON that his posted Public Entertainment Premises (PEP) license does not allow for patrons dancing, and OHLSSON stated that he did not understand as he always has people dancing. I conducted a check in LIAR and confirmed that OHLSSON did not request "Patrons Dancing" on his PEP application.

I also noted during my Tavern Check that OHLSSON was selling Hookahs. I asked OHLSSON if the Hookahs he sold contain any tobacco products and he stated that they do. I asked OHLSSON if he has a Tobacco License to allow for the sale of Tobacco products in the City of Milwaukee and he stated that he does not. This was again confirmed in LIAR.

I informed OHLSSON that I would be speaking with him again in the future regarding this incident.
