Hello -

We are starting our garage build next week at 2245 N. Lake Drive and I'm in the process of selecting the garage lights. The attached photo is of one of the two outdoor lights on the house. Below are a few styles we are interested in for the garage, but wanted to check with you first to see which one would be acceptable. The lights on the side of the house are bronze, but the light on the front of the house is black. The light we included in our application is no longer available.

Thanks!

Nicole
