		Process Fee	\$10.00
		Total Fee	\$151.00

This permit is granted on condition that the Permittee will obey all sections of Chapter 115 of the Milwaukee Code of Ordinances and all specifications, rules and regulations for the Department of Public Works pertaining to this permit. The acceptance of this permit constitutes an acknowledgement and acceptance of the conditions and regulations noted below.

Barricading and signing: Barricades and signs shall comply with City of Milwaukee Dept. of Public Works manual "Traffic Control for Construction & Maintenance Work" and Part VI of the State of Wisconsin "Manual of Uniform Traffic Control Devices".

Occupying street: Materials must be kept at least 2 feet away from any tree, alarm box, manhole and catch basin. Materials and equipment must be kept at least 10 feet from fire hydrants, 15 feet from crosswalks, and in accordance with other restrictions of the Code of Ordinances.

Drainage and erosion control: Gutters and drainage ditches shall be kept open at all times and shall be restored to their original condition. Perform all work necessary to conform to Ch. 290, Erosion Control, Milwaukee Code of Ordinances.

Blocking roadway: Unless the permit specifically allows, you may not block the entire roadway.

Revocation of permit: The Commissioner of Public Works reserves the right to revoke this permit at any time if, in his or her judgment, it is in the best interest of the City of Milwaukee.

Guarantee: You must reimburse the City of Milwaukee for all damages to any city property resulting from your work. You must hold the City of Milwaukee harmless in case of any accident or any damages arising through the issuance of this permit, regardless of whether such damage or accident is done by you, your agents, employees, or sub-contractors. In addition to the aforesaid provisions, said bond shall guarantee all work for 3 years from the date of completion thereof.

Lawn restoration: Where excavations in the sidewalk area or median destroy, disturb or damage the established lawn, the permittee or contractor shall restore the area with top grade nursery sod approved by the Commissioner of Public Works laid over 3 inches of screened top soil spread evenly over the entire area.

New pavement: Permit will be issued to excavate any street pavement or resurfaced street less than 3 years old only upon showing that an emergency exists.

Emergency services: Any person who fails to keep the location for which this permit is issued in a safe condition at any time will be billed for any emergency work performed by city forces in order to make the location safe.

Damage during excavation: Use care during excavation to avoid damage to existing structures or facilities. If any underground structure or facility is damaged, notify the owner of the structure or facility immediately, and report the damage to the owner in writing within 24 hours. If the owner is the City of Milwaukee, report damage to the Commissioner, Dept. of Public Works, (414) 286-3300.

Obstructions: Unless you have permission to remove or relocate underground structures or facilities, you must work in a manner that minimizes disturbance of underground structures or facilities. Protect and support such facilities in accordance with the current specifications on file in the office of the commissioner and all applicable laws.

Backfilling: All sand or gravel used to backfill the excavations must meet current City specifications. All backfill in excavations must be controlled compacted or concrete aggregate slurry backfill can be used.

Temporary surfacing: The top 3" of excavations in any public way shall be a concrete or bituminous material. Place the material flush with the surrounding surface within 72 hours after backfilling has been completed.

Excavated material: Do not place excavated material on double seal, single seal, crushed stone, graded aggregate, or gravel pavements.

Restoration of street: Perform the work promptly and professionally. Remove all refuse and excess dirt and material from the surface of the public way as the work progresses or immediately upon its completion. Restoration must be done in accordance with current specifications.

Guarantee (roadway excavation): THE PERMITTEE MUST GUARANTEE THE MAINTENANCE OF THE TEMPORARY SURFACING ON ALL EXCAVATIONS BETWEEN EXISTING OR PROPOSED CURB LINES FOR 6 MONTHS, EXCEPT THAT ANY PERMITTEE ALLOWED TO MAKE PERMANENT RESTORATION TO AN EXCAVATION SHALL BE RESPONSIBLE FOR ALL MAINTENANCE FOR A PERIOD OF 3 YEARS AFTER PERMANENT RESTORATION IS COMPLETED.

Guarantee (back of curb excavation): THE PERMITTEE SHALL GUARANTEE THE FILLED EXCAVATION BETWEEN EXISTING OR PROPOSED CURB LINE AND LOT LINE AGAINST SETTLEMENT FOR 3 YEARS

Except for emergency excavations, excavation permit is void if permittee does not contact Diggers Hotline (Call 811 or 1-800-242-8511) at least three working days prior to digging. Notify fire department dispatcher any time road is closed: 286-8999. Call traffic operations 286-3632 for "temporary parking" signs.
